SAT Words from Literature - the Scarlet Letter Nathaniel Hawthorne, 2007 SAT Words from Literature presents a new approach to scoring high on the Scholastic Aptitude Test Rather than taking words directly from a dictionary and studying them SAT Words from Literature presents vocabulary words that

are found in classic literature in their original context In this way you will get a clear understanding of what the word can do in a sentence what it might mean and how it is used Each vocabulary word is highlighted in the text and also reproduced in bold on the facing page followed by the part of speech as it is used in the book the pronunciation an appropriate definition and a synonym or antonym if applicable Exercises that test your understanding of the vocabulary words are included at the end of the book To make the exercises more manageable words are arranged by chapters or sections so that there are not too many words in any one group With this painless approach to learning vocabulary you can boost your chances of acing the SAT
