Pier 21 The Gateway That Changed Canada:

Pier 21 Trudy Duivenvoorden Mitic, J. P. LeBlanc, 2011-01-01 From 1928 to 1971 Pier 21 in Halifax served as the front door to Canada the entryway through which more than 1.5 million people passed. A legion of volunteers, medical staff and immigration personnel kept vigil at the pier from one decade to the next greeting and directing the human tide that flowed and ebbed through its doors. The work helped shape who they were and gave rise to stories that they and those who passed through collected in tattered notebooks or in corners of their minds. Beginning with the first wave of European settlers and the early problems with the first wave of European settlers and the early problems of quarantine, **Pier 21 The Gateway that Changed Canada** is a moving account of the human drama that unfolded at this historic site. This new edition updates the **Pier 21** story to the present day including its confirmation as Canada's national museum of immigration in 2011. [Pier 21](#)

Steven Schwinghamer, Jan Raska, 2020-08-26 Between 1928 and 1971 nearly one million immigrants landed in Canada at Pier 21 in Halifax, Nova Scotia. During those years it was one of the main ocean immigration facilities in Canada including when it welcomed home nearly 400,000 Canadians after service overseas during the Second World War. In the immediate postwar period Pier 21 became the busiest ocean port of entry in the country. Today people across Canada still enjoy connections to Pier 21 through family history and stories of arrival at the site. Since 1998 researchers at the Pier 21 Interpretive Centre and now the Canadian Museum of Immigration have been conducting interviews, reviewing archival materials, gathering written stories and acquiring photographs, documents and other objects reflecting the history of Pier 21. **Pier 21 A History** builds upon the resulting collection. It presents a history of this important Canadian ocean immigration facility during its years of operation and later emergence as a site of public commemoration. Published in English. Also available in French: *Quai 21 Une histoire*. [Pier 21](#)

Christine Welldon, 2025-09-19 Discover some of the most important moments of Canada's history by getting to know the children and their families who arrived at Halifax's Pier 21. From countries as far away as Estonia, Italy and the Ukraine, just to name a few, these immigrants all travelled through the gateway to freedom to call Canada home. Guest child Jamie from Scotland and Jewish orphan Mariette were both sent to Canada as children to escape the same war. Heili's Estonian family boarded the *Walnut* to sail away from Russian Communist rule. Luigi's family came from Italy to find work in Canada after the war while Maryke's arrived from Holland in search of farmland. Now renamed the Canadian Museum of Immigration, Pier 21 accepted over one million new Canadians between 1928 and 1971. Many were nervous about their new home but although they arrived from distinct countries and cultures, each family embraced the safety and possibility of a life in Canada. To arrive was to escape the past while keeping memories of their homelands close. Pier 21 was the first step toward a new life. With over 40 photos, a glossary, timeline and sidebar features on the pier itself and the home countries of those who passed through it, **Pier 21 Listen to My Story** provides an excellent introduction for children to this key landmark in Canada's immigration history.
