Pilgrim Of The Sublime:

Pilgrim of the Sublime Geoffrey Paul Carpenter, 2003-07-01 Taylor Moreland son of a toughened and earth bound farmer longs to be a painter In part to escape his father s expectations Taylor travels to the Equatorial Andes in search of some of the vistas represented in the paintings of Frederic Church one of America s greatest landscape artists Traveling up the Amazon River and its tributaries Moreland encounters bandits and hedonists farmers and philosophers Interspersed with this adventure is the story of Moreland s love affair with Quinn Yarbrough a Harvard Divinity School student on her own parallel quest for spiritual fulfillment Ultimately both set out to re confirm their faith in Beauty For a READING GROUP GUIDE and more information go to GeoffreyCarpenter.com

Pilgrim Voices Simon Coleman, John Elsner, 2003 Research on pilgrimage has traditionally fallen across a series of academic disciplines anthropology archaeology art history geography history and theology To date relatively little work has been devoted to the issue of pilgrimage as writing and specifically as a form of travel writing The aim of the interdisciplinary essays gathered here is to examine the relations of Christian pilgrimage to the numerous narratives which it generates and upon which it depends Authors reveal not only the tensions between oral and written accounts but also the frequent ambiguities of journeys the possibilities of shifts between secular and sacred forms and accounts of travel Above all the papers reveal the self generating and multiple authored characteristics of pilgrimage narrative stories of past pilgrimage experience generate future stories and even future journeys

Pilgrimage in the Holy Land Paul John Wigowsky, 2013-05 A pilgrimage to the Holy Land Israel is the ultimate goal of every Christian and Jewish pilgrim The Holy Land is the setting of most of the stories in the Scriptures To enter the Promised Land and see the sites of familiar Bible stories is like traveling back in time Pilgrim Tours provides the pilgrim with the opportunity to journey back to the time of Abraham Elijah Jesus and many other sacred luminaries of Biblical history The most notable places on the tour are 1 Caesarea the famous port city 2 Mount Carmel where the prophet Elijah demonstrated the preeminence of his God 3 Megiddo where archaeologists have unearthed twenty levels of civilizations 4 Tel Dan a nature reserve and the ancient site of a cultic high place 5 Banias Caesarea Philippi the site of a Hellenic Temple of Pan 6 Capernaum known as the town of Jesus 7 the Sea of Galilee where a song filled cruise on the waters that Jesus walked on brings joy and peace to the pilgrim s soul The best guide in the world Marian Gavish brings the history culture and religions of Israel into a comprehensive and understandable format with her instructive talks and discussions as we journey through 8 Beit Shean a Decapolis city at the juncture of the Jezreel and Jordan valleys 9 Masada where the Jewish Zealots made their last stand against the Romans 10 Qumran site of the famous Dead Sea Scrolls 11 Bethany Beyond Jordan the place of the original baptism 12 Jerusalem from the Mount of Olives to the Via Dolorosa 13 the Temple Mount 14 museums the Israel Museum and Yad HaShem Many more places and experiences highlight a once in a lifetime pilgrimage that is thoroughly covered in this book

A Sacred Vertigo Deana L. Weibel, 2022-02-14 Built into a huge cliff in central France the

town of Rocamadour is a visual marvel and a place of contradictions Pilgrims come to venerate its ancient Black Madonna but are outnumbered by secular tourists Weibel provides an intimate look at the transformation of Rocamadour from a significant religious center to a tourist attraction the efforts by clergy to restore Rocamadour's spiritual character the supernatural reinterpretations of the shrine by non Catholics and the desperate decision by the Diocese to participate in tourism itself with disastrous results For more information check out A Conversation with Deana L Weibel A Sacred Vertigo Pilgrimage and Tourism in Rocamadour France or this podcast episode on Meaningful Journeys Deana L Weibel appears on The Camino Podcast to discuss A Sacred Vertigo Pilgrimage and Tourism in Rocamadour France Watch here **A Pilgrim's**

Reliquary Thomas Henry White,1845 **Wordsworth and English Literary Pilgrimage in the Nineteenth Century** Keith Hanley,2025-06-12 Using Wordsworth as a focal point this book describes how in the period of Romanticism and beyond the historical practice of pilgrimage became internalised figuratively and psychologically so as to represent Christian discourse in nineteenth century English literature It surveys the imaginative relocation of Jerusalem and Rome to real and present places thereby creating the nation's sacred imaginary Wordsworth is presented as central to founding a literary religious discourse on the sacred site of the Lake District Also explored are the ways in which other Victorian writers such as Ruskin and Newman participated in that construction by their own literary pilgrimages Overall this book revises assumptions about the decline of the religious imagination in nineteenth century English literature and fundamentally reappraises the function of Romantic and Victorian representations of the sacred in forming the nation and empire **The Spread of**

Tibetan Buddhism in China Dan Smyer Yu,2013-03-01 Focusing on contemporary Tibetan Buddhist revivals in the Tibetan regions of the Sichuan and Qinghai Provinces in China this book explores the intricate entanglements of the Buddhist revivals with cultural identity state ideology and popular imagination of Tibetan Buddhist spirituality in contemporary China In turn the author explores the broader socio cultural implications of such revivals Based on detailed cross regional ethnographic work the book demonstrates that the revival of Tibetan Buddhism in contemporary China is intimately bound with both the affirming and negating forces of globalization modernity and politics of religion indigenous identity reclamation and the market economy The analysis highlights the multidimensionality of Tibetan Buddhism in relation to different religious cultural and political constituencies of China By recognizing the greater contexts of China's politics of religion and of the global status of Tibetan Buddhism this book presents an argument that the revival of Tibetan Buddhism is not an isolated event limited merely to Tibetan regions instead it is a result of the intersection of both local and global transformative changes The book is a useful contribution to students and scholars of Asian religion and Chinese studies
