Pillar Of Salt Gender Memory And The Perils Of Looking Back:

Pillar of Salt Janice Haaken,1998 Introduces the controversy over recollections of childhood sexual abuse as the window onto a broader field of ideas concerning memory storytelling and the psychology of women *Monument and Memory* Jonna Bornemark,Mattias Martinson,Jayne Svenungsson,2015 A century after the World War I studies on the politics of memory and commemoration have grown into a vast and vital academic field This book approaches the theme monument and memory from architectural literary philosophical and theological perspectives Drawing on diverse sources from Augustine to Freud from early photographs to contemporary urban monuments the book s contributors probe the intersections between memory and trauma past and present monuments and memorial practices religious and secular remembrance and forgetfulness Series Nordic Studies in Theology Nordische Studien zur Theologie Vol 1 Subject Philosophy Religious Studies History

The Routledge Handbook of Embodied Cognition Lawrence Shapiro,2014-04-29 Embodied cognition is one of the foremost areas of study and research in philosophy of mind philosophy of psychology and cognitive science The Routledge Handbook of Embodied Cognition is an outstanding guide and reference source to the key topics and debates in this exciting subject and essential reading for any student and scholar of philosophy of mind and cognitive science Comprising over thirty chapters by a team of international contributors the Handbook is divided into six parts Historical underpinnings Perspectives on embodied cognition Applied embodied cognition perception language and reasoning Applied embodied cognition social and moral cognition and emotion Applied embodied cognition memory attention and group cognition Meta topics The early chapters of the Handbook cover empirical and philosophical foundations of embodied cognition focusing on Gibsonian and phenomenological approaches Subsequent chapters cover additional important themes common to work in embodied cognition including embedded extended and enactive cognition as well as chapters on empirical research in perception language reasoning social and moral cognition emotion consciousness memory and learning and development Lot's Daughters Robert M. Polhemus,2005 An incisive and provocative work on male female relationships explores the complex relationship of fathers and daughters and of older men and younger females in history life art and culture **Trauma and Literature** J. Roger Kurtz,2018-03-15 As a concept trauma has attracted a great deal of interest in literary studies A key term in psychoanalytic approaches to literary study trauma theory represents a critical approach that enables new modes of reading and of listening It is a leading concept of our time applicable to individuals cultures and nations This book traces how trauma theory has come to constitute a discrete but influential approach within literary criticism in recent decades It offers an overview of the genesis and growth of literary trauma theory recording the evolution of the concept of trauma in relation to literary studies In twenty one essays covering the origins development and applications of trauma in literary studies Trauma and Literature addresses the relevance and impact this concept has in the field Martyrdom and Memory Elizabeth Castelli,2004-10-15 Martyrs are produced Elizabeth Castelli suggests not by the lived experience of particular

historical individuals but by the stories that are later told about them And the formulaic character of stories about past suffering paradoxically serves specific theological cultural or political ends in the present Martyrdom and Memory explores the central role of persecution in the early development of Christian ideas institutions and cultural forms and shows how the legacy of Christian martyrdom plays out in today s world In the pre Constantinian imperial period the conflict between Roman imperial powers and the subject Christian population hinged on competing interpretations of power submission resistance and victory This book highlights how both Roman and Christian notions of law and piety deployed the same forms of censure and critique each accusing the other of deviations from governing conventions of gender reason and religion Using Maurice Halbwachs s theoretical framework of collective memory and a wide range of Christian sources autobiographical writings martyrologies and saints lives sermons art objects pilgrimage souvenirs and polemics about spectacle Castelli shows that the writings of early Christians aimed to create public and ideologically potent accounts of martyrdom The martyr s story becomes a usable past and a living tradition for Christian communities and an especially effective vehicle for transmitting ideas about gender power and sanctity An unlikely legacy of early Christian martyrdom is the emergence of modern martyr cults in the wake of the 1999 shootings at Columbine High School Focusing specifically on the martyr cult associated with one of the victims Martyrdom and Memory argues that the Columbine story dramatically expresses the ongoing power of collective memory constructed around a process of rendering tragic suffering redemptive and meaningful In the wake of Columbine and other contemporary legacies of martyrdom s ethical ambivalence the global impact of Christian culture making in the early twenty first century cannot be ignored For as the last century s secularist hypothesis sits in the wings religion returns to center stage with one of this drama s most contentious yet riveting stars the martyr

Sodomscapes Lowell Gallagher,2017-06-01 Sodomscapes presents a fresh approach to the story of Lot s wife as it s been read across cultures and generations In the process it reinterprets foundational concepts of ethics representation and the body While the sudden mutation of Lot s wife in the flight from Sodom is often read to confirm our antiscopic bias a rival tradition emphasizes the counterintuitive optics required to nurture sustainable habitations for life in view of its unforeseeable contingency Whether in medieval exegesis Russian avant garde art Renaissance painting or today s Dead Sea health care tourism industry the repeated desire to reclaim Lot s wife turns the cautionary emblem of the mutating woman into a figural laboratory for testing the ethical bounds of hospitality Sodomscape the book s name for this gesture revisits touchstone moments in the history of figural thinking and places them in conversation with key thinkers of hospitality The book s

cumulative perspective identifies Lot's wife as the resilient figure of vigilant dwelling whose in-betweenness discloses counterintuitive ways of understanding what counts as a life amid divergent claims of being with and being for **Religious Diversity and Early Modern English Texts** Arthur F. Marotti, Chanita Goodblatt, 2013-10-01 Scholars of religious literary and cultural history will enjoy this illuminating collection **Memory, Nationalism, and Narrative in Contemporary South Asia** J. Edward Mallot, 2012-09-25 This book investigates the ambivalent responses to the opposing compulsions of memory and forgetting in cultural production in South Asia Mallot reveals how writers such as Salman Rushdie Michael Ondaatje and Amitav Ghosh indict nationalism's sins by accessing and encoding the past *Virginia Woolf, Jean Rhys, and the Aesthetics of Trauma* P. Moran, 2007-01-08 This is a study of modernism sexuality and subjectivity in the work of two leading women modernists Each confronted the aspects of her culture and personal history that resulted in a degraded sense of female sexuality and explored how traumatic childhood sexual experiences informed their relationship to female corporeality and fiction writing Relational Remembering Sue Campbell, 2003-10-07 Tracing the impact of the memory wars on science and culture Relational Remembering offers a vigorous philosophical challenge to the contemporary skepticism about memory that is their legacy Campbell's work provides a close conceptual analysis of the strategies used to challenge women's memories particularly those meant to provoke a general social alarm about suggestibility Sue Campbell argues that we cannot come to an adequate understanding of the nature and value of memory through a distorted view of rememberers The harmful stereotypes of women's passivity and instability that have repopulated discussions of abuse have led many theorists to regard the social dimensions of remembering only negatively as a threat or contaminant to memory integrity Such models of memory cannot help us grasp the nature of harms linked to oppression as these models imply that changed group understandings of the past are incompatible with the integrity of personal memory Campbell uses the false memory debates to defend a feminist reconceptualization of personal memory as relational social and subject to politics Memory is analyzed as a complex of cognitive abilities and social narrative activities where one's success or failure as a rememberer is both affected by one's social location and has profound ramifications for one's cultural status as a moral agent *The SAGE Handbook of Feminist Theory* Mary Evans, Clare Hemmings, Marsha Henry, Hazel Johnstone, Sumi Madhok, Ania Plomien, Sadie Wearing, 2014-08-12 At no point in recorded history has there been an absence of intense and heated discussion about the subject of how to conduct relations between women and men This Handbook provides a comprehensive guide to these omnipresent issues and debates mapping the present and future of thinking about feminist theory The chapters gathered here present the state of the art in scholarship in the field covering Epistemology and marginality Literary visual and cultural representations Sexuality Macro and microeconomics of gender Conflict and peace The most important consensus in this volume is that a central organizing tenet of feminism is its willingness to examine the ways in which gender and relations between women and men have been and are organized The authors bring a shared commitment to the critical

appraisal of gender relations as well as a recognition that to think theoretically is not to detach concerns from lived experience but to extend the possibilities of understanding With this focus on theory and theorizing about the world in which we live this Handbook asks us across all disciplines and situations to abandon our taken for granted assumptions about the world and interrogate both the origin and the implications of our ideas about gender relations and feminism It is an essential reference work for advanced students and academics not only of feminist theory but of gender and sexuality across the humanities and social sciences

Why Feminism? Lynne Segal, 2015-03-30 This major new book explores the peculiar place of feminism in contemporary culture

Christina Reid's Theatre of Memory and Identity Rachel Tracie, 2018-10-05 This book is a study of the plays performances and writings of Christina Reid It explores Reid's work through her own words both in interviews and writings through theoretical engagements in other disciplines such as psychology and geography and through responses to her plays in production It is a compilation of sorts gathering together interviews critical material unpublished works and theatrical reviews to reflect the breadth and depth of Reid's contribution to the theatrical culture of Northern Ireland during the Troubles and beyond

Developments Erica Burman, 2008-02-19 How does developmental psychology connect with the developing world What do cultural representations tell us about the contemporary politics of childhood What is the political economy of childhood This companion volume to Burman's *Deconstructing Developmental Psychology* helps us to explain why questions around children and childhood their safety their sexuality their interests and abilities their violence have so preoccupied the late twentieth and twenty first centuries In this increasingly post industrial post colonial and multicultural world this book identifies analytical and practical strategies for improving how we think about and work with children Drawing in particular on feminist and postdevelopment literatures the book illustrates how and why reconceptualising our notions of individual and human development including those informing models of children's rights and interests will foster more just and equitable forms of professional practice with children and their families The book brings together completely new previously unpublished material alongside revised and updated papers to present a cutting edge and integrated perspective to the field Burman offers a key contribution to a set of urgent debates engaging theory and method policy and practice across all the disciplines that work with or lay claim to children's interests *Developments* presents a coherent and persuasive set of arguments about childhood culture and professional practice so that the sustained focus across a range of disciplinary arenas psychology education cultural studies child rights gender studies development policy and practice social policy strengthens the overall argument of each chapter It will be invaluable to teachers and students in psychology childhood studies and education as well as researchers in gender studies It will also be a must read for professionals working with children and adolescents

No More Secrets Janice Lynn Ristock, 2002 Violence is a male biological trait When women fight no one gets seriously hurt Lesbians don't abuse their spouses The truth revealed in Janice Ristock's groundbreaking book is that lesbian relationships sometimes do turn violent

Based on interviews with more than one hundred lesbians who have suffered abuse and seventy five case workers *No More Secrets* is the first in depth account of this startling phenomenon Although one in four gay and lesbian couples are affected by domestic violence the problem has remained hidden for several reasons By giving voice to the victims Ristock helps women to address violence by breaking silences sharing secrets and naming the forms of abuse The Cambridge Handbook of Situated Cognition Philip Robbins,Murat Aydede,2009 This book is a guide to a movement in cognitive science showing how environmental and bodily structure shapes cognition **Tortilleras** Lourdes Torres,Inmaculada

Pertusa,2003-02-21 The first anthology to focus exclusively on queer readings of Spanish Latin American and US Latina lesbian literature and culture *Tortilleras* interrogates issues of gender national identity race ethnicity and class to show the impossibility of projecting a singular Hispanic or Latina Lesbian Examining carefully the works of a range of lesbian writers and performance artists including Carmelita Tropicana and Christina Peri Rossi among others the contributors create a picture of the complicated and multi textured contributions of Latina and Hispanic lesbians to literature and culture More than simply describing this sphere of creativity the contributors also recover from history the long veiled existence of this world exposing its roots its impact on lesbian culture and making the power of lesbian performance and literature visible
