Price Winning Horse Maybe:

How to Own Winning Standardbred Racehorses Paul D. Siegel, 2002 **The Dying Breed** Declan Hughes, 2009-04-02
Even the best private eye needs more than a name to find a missing person but that's all that Father Vincent Tyrrell the brother of prominent racehorse trainer FX Tyrrell will offer Loy when he comes to him for help. A dwindling bank account convinces Loy to delve into the deadly underworld of horse racing but fortune soon smiles on him while working another case he discovers a phone number linked to FX on a badly beaten body left at an illegal dump. Loy's been around long enough to know that there's more to the Tyrrell family than meets the eye and then a third body appears. At Christmastime on the eve of one of Ireland's most anticipated racing events the intrepid investigator bets his life on a longshot finding answers in a shady network of trading and dealing gambling and breeding.

Handicapping for Bettor Or Worse John Lindley, 2004 This bettor's guide to handicapping racehorses teaches horse players how to use all the available information to form their own system. Explains the advantages and drawbacks in current popular handicapping methods.

Horseplayers Ted McClelland, 2007-05 This fun and witty exposé of horse racing in America goes behind the scenes at the track providing a serious gambler's eye view of the action. Ted McClelland spent a year at tracks and off track betting facilities in Chicago and across the country profiling the people who make a career of gambling on horses. This account follows his personal journey of what it means to be a horseplayer as he gambles with his book advance using various betting and handicapping strategies along the way. A colourful cast of characters is introduced including the intensely disciplined Scott McMannis The Professor a one time college instructor who now teaches a course in handicapping and Mary Schoenfeldt a former nun and gifted handicapper who donates all of her winnings to charity. This moving account of wins losses and personal turmoil provides a realistic look at gamblers gambling and life at the track.

Riding the Outlaw Trail Simon Casson, Richard Adamson, Sir Ranulph Fiennes, 2011-04-15 Two men retrace the notorious pair's footsteps covering thousands of miles of hazardous country on horseback and discovering how little has changed from the saddle in the last 100 years. Butch Cassidy and the Sundance Kid the last of the legendary outlaws were captured on daguerreotype romanced in fiction and immortalized on film by Paul Newman and Robert Redford. Simon Casson sets out on horseback to retrace the real life footsteps of his boyhood heroes covering 2 000 miles of the country's toughest and most treacherous terrain. Steeped in the lore of the Old West but lacking desert and mountain survival skills Simon recruits ex marine commando Richard Adamson. Together they grapple with hostile landscape climatic extremes vital supply shortages and enormous personality clashes. Battling from one outlaw hideout to another and following trails sometimes only accessible by horseback they are constantly taxed to the limit. In this dramatic account of their adventure Simon and Richard also encapsulate the exciting and violent lives of the Wild Bunch 100 years ago and providing an intimate and heartwarming picture of the rancher families who live and work this demanding land today.
