Princess Secret Diary 2006 Jarrold,2006-01-01 *Doctor Who-Guide 2/3* Compiled from Wikipedia pages and published by Dr Googelberg,2012-08-07 Almost everything about the good doctor his companions and travels his enemies and friends Additionally the actors etc Part three contains all summaries of all TV episodes Compiled from Wikipedia pages and published by Dr Googelberg *Reading Like a Girl* Sara K. Day,2013-07 By examining the novels of critically and commercially successful authors such as Sarah Dessen Someone Like You Stephenie Meyer the Twilight series and Laurie Halse Anderson *Speak* *Reading Like a Girl* Narrative Intimacy in Contemporary American Young Adult Literature explores the use of narrative intimacy as a means of reflecting and reinforcing larger often contradictory cultural expectations regarding adolescent women interpersonal relationships and intimacy *Reading Like a Girl* explains the construction of narrator reader relationships in recent American novels written about adolescent women and marketed to adolescent women Sara K Day explains though that such levels of imagined friendship lead to contradictory cultural expectations for the young women so deeply obsessed with reading these novels Day coins the term narrative intimacy to refer to the implicit relationship between narrator and reader that depends on an imaginary disclosure and trust between the story's narrator and the reader Through critical examination the inherent contradictions between this enclosed imagined relationship and the real expectations for adolescent women's relations prove to be problematic In many novels for young women adolescent female narrators construct conceptions of the adolescent woman reader constructions that allow the narrator to understand the reader as a confidant a safe and appropriate location for disclosure At the same time such novels offer frequent warnings against the sort of unfettered confession the narrators perform Friendships are marked as potential sites of betrayal and rejection Romantic relationships are presented as inherently threatening to physical and emotional health And so the narrator turns to the reader for an ally who cannot judge The reader in turn may come to depend upon narrative intimacy in order to vicariously explore her own understanding of human expression and bonds **Books for the Teen Age** New York Public Library,2006 *Terrifying Texts* Cynthia J. Miller,A. Bowdoin Van Riper,2018-08-28 From Faust 1926 to The Babadook 2014 books have been featured in horror films as warnings gateways prisons and manifestations of the monstrous Ancient grimoires such as the Necronomicon serve as timeless vessels of knowledge beyond human comprehension while runes summoning diaries and spell books offer their readers access to the powers of the supernatural but at what cost This collection of new essays examines nearly a century of genre horror in which on screen texts drive and shape their narratives sometimes unnoticed The contributors explore American films like The Evil Dead 1981 The Prophecy 1995 and It Follows 2014 as well as such international films as Eric Valette's Malefique 2002 Paco Cabeza's The Appeared 2007 and Lucio Fulci's The Beyond 1981 *Encyclopedia of Tudor England* John A. Wagner,Susan Walters Schmid Ph.D.,2011-12-09 Authority and accessibility combine to bring the history and the drama of Tudor England to life Almost 900 engaging entries cover the life

and times of Henry VIII Mary I Elizabeth I William Shakespeare and much much more Written for high school students college undergraduates and public library patrons indeed for anyone interested in this important and colorful period the three volume Encyclopedia of Tudor England illuminates the era s most important people events ideas movements institutions and publications Concise yet in depth entries offer comprehensive coverage and an engaging mix of accessibility and authority Chronologically the encyclopedia spans the period from the accession of Henry VII in 1485 to the death of Elizabeth I in 1603 It also examines pre Tudor people and topics that shaped the Tudor period as well as individuals and events whose influence extended into the Jacobean period after 1603 Geographically the encyclopedia covers England Scotland Wales and Ireland and also Russia Asia America and important states in continental Europe Topics include the English Reformation the development of Parliament the expansion of foreign trade the beginnings of American exploration the evolution of the nuclear family and the flowering of English theater and poetry culminating in the works of William Shakespeare

The Last Secrets of Anne Frank Joop van Wijk-Voskuil, Jeroen De Bruyn, 2024-05-14 A historical investigation and family memoir intertwines the narrative of Anne Frank with the untold story of Bep Voskuil her protector and closest confidante in the Annex who risked her life to protect the Franks and formed a deep friendship with Anne

Queen Elizabeth II and the Africans Raphael Chijioke Njoku, 2024-09-05 The road to Queen Elizabeth II s implementation of African reforms was rough especially in the first two decades following her ascension to the throne In this book Raphael Chijioke Njoku examines Queen Elizabeth II s role in the African decolonization trajectories and the postcolonial state s quest for genuine political and economic liberation since 1947 By locating Elizabeth at the center of Anglophone Africa s independence agitations the account harnesses the African interests to tease out the monarch s dilemma of complying with Whitehall s decolonization schemes while building an inclusive and unified Commonwealth in which Africans could play a vital role Njoku argues that to gratify British lawmakers in her complex and marginal place within the British parliamentary system of conservative versus reformist Elizabeth s contribution fell short of African nationalists expectations on account of her silence and inaction during the African decolonization raptures Yet ultimately the author concludes she helped build an inclusive and unified organization in which Africans could assert and appropriate political and economic autarky

The Last Secret of the Secret Annex Joop van Wijk-Voskuil, Joop van Wijk, Jeroen De Bruyn, 2023-05-16 A riveting historical investigation and family memoir that reveals the untold story of Bep Voskuil the young Dutch woman who was Anne Frank s closest confidante during the time she spent in the Secret Annex

the cast as well as the key principles involved in production from the director to the hair stylist Especially unique to this book is a rating system that helps parents determine whether or not a film is appropriate for their children Unlike the industry rating system which can be influenced by studio lobbying Nash objectively evaluates each film and confers upon it one of four recommendations for viewing recommended acceptable cautionary and unacceptable Backmatter includes a list of top films by genre i e animated drama sports mystery adventure etc as well as an annotated name index listing all persons mentioned along with their dates of birth and death Rounding out this essential volume for the film buff are over 500 still photos from the author s private collection Children's Books in Print, 2007 ,2006 **Hitler's British Nazis** Norman

Ridley,2024-05-30 Following the end of the First World War many countries experienced economic decline Unemployment high inflation low wages and poor working conditions led to widespread unrest This manifested itself in the rise of powerful militaristic leaders first in Italy where fascism was born and then in Germany and elsewhere The policies of the likes of Mussolini and Hitler were hugely popular and fascism was seen by many as a viable political alternative to democracy To some degree these ideals also gained traction in the UK where some individuals in and among the elite of British society believed fascism was the way forward for the country This is fully explored in Hitler s British Nazis which traces the evolution of extreme right wing opinion from the turn of the century right through to the end of the Second World War In particular it looks at the way British fascism developed its own character due to Britain having been on the winning side during the First World War Early fascist movements of the 1920s are analyzed including the fascist tendencies of the Suffragette Movement The book then traces the way in which domestic politics and the dire economic situation of the early 1930s created a political vacuum that was filled by Oswald Mosley and his Blackshirt Movement Throughout the 1930s right wing sympathisers looked to Hitler s Germany rather than to Mussolini s Italy for inspiration Some members of aristocratic and political elites many with virulent anti Semitic views saw in German fascism a template for Britain to build on but remained wilfully blind to the excesses of the Nazi regime that were getting worse by the day The book looks at the way in which Nazi Germany was depicted in the press and how powerful press barons many of whom were pro German and supported Chamberlain s appeasement policies were able to influence public opinion The role of the Mitford sisters Unity in particular is explored in detail as is the influence of the Cliveden Set under the leadership of the Astors and perhaps most interesting of all is the role played by King Edward VIII and Wallis Simpson as they flirted unashamedly with fascism and threatened to take Britain down a very different path to that which it took after the abdication **The Pope at War** David I. Kertzer,2022-11-03 Filled with discoveries this is the dramatic story of Pope Pius XII s struggle to respond to the Second World War the Holocaust and the Nazi domination of Europe The Pope at War is the third in a trilogy of books about the papacy s response to the rise of Fascism and Nazism It tells the dramatic story of Pope Pius XII s struggle to respond to the Second World War the Holocaust and the ongoing Nazi attempts to exterminate the Jews of Europe It is the first book dealing

with the war to make extensive use of the newly opened Vatican archives for the war years It is based as well on thousands of documents from the Italian German French British and American archives Among the many new discoveries brought to light is the discovery that within weeks of becoming pope in 1939 Pius XII entered into secret negotiations with Hitler through Hitler's emissary a Nazi Prince who was married to the daughter of the King of Italy and who was very close to Hitler The negotiations were kept so secret that not even the German ambassador to the Holy See was informed of them The book also offers new insight into the thinking behind Pius XII's decision to maintain good relations with the German government during the war including keeping the Germans happy while they occupied Rome in 1943 1944 And throughout David I Kertzer shows the active role of the Italian Church hierarchy in promoting the Axis war while the pope who as bishop of Rome was responsible for the Italian hierarchy offered his silent blessings and cast his public speeches in such a way that both sides could claim support for their cause

The Femme Fatale Julie Grossman, 2020-09-18
Ostensibly the villain but also a model of female power poise and intelligence the femme fatale embodies Hollywood's contradictory attitudes toward ambitious women But how has the figure of the femme fatale evolved over time and to what extent have these changes reflected shifting cultural attitudes toward female independence and sexuality This book offers readers a concise look at over a century of femmes fatales on both the silver screen and the TV screen Starting with ethnically exoticized silent film vamps like Theda Bara and Pola Negri it examines classic film noir femmes fatales like Barbara Stanwyck in *Double Indemnity* as well as postmodern revisions of the archetype in films like *Basic Instinct* and *Memento* Finally it explores how contemporary film and television creators like *Fleabag* and *Killing Eve*'s Phoebe Waller Bridge have appropriated the femme fatale in sympathetic and surprising ways Analyzing not only the films themselves but also studio press kits and reviews *The Femme Fatale* considers how discourses about the pleasures and dangers of female performance are projected onto the figure of the femme fatale Ultimately it is a celebration of how bad girl roles have provided some of Hollywood's most talented actresses opportunities to fully express their on-screen charisma
