**How Children Raise Parents** Dan B. Allender,2005-02-15 Parenting with Humility We often realize that we learn as much from our children as they learn from us So why don t parents approach the task of child rearing as a learning experience rather than a mandate to make sure their kids succeed in life To reduce the pressure and enjoy greater closeness in your family turn your

parenting upside down by allowing God to use your children to help you grow up Imagine what would happen if you began to prize what you re being taught by your children s quirks failures and normal childhood dilemmas rather than worrying about whether you re doing everything right as a parent Now you can let go of the pressure to make sure your children succeed and instead learn to grow into spiritual maturity by listening to your children **Library Journal** ,2002 **Feminist**
