In the two decades since *Curses* first hit the shelves River at Night cartoonist Kevin Huizenga has taken his rightful place on a short A list of comics experimentalists. Deep research and loopy cartooning serve up philosophical musings while maintaining a classic comic strip devotion to the gag. Huizenga remains one of the funniest and smartest cartoonists working today and now the very book that heralded his arrival as a talent to watch is available once more in deluxe paperback as the early work of a now true genius. The short stories collected herewith confront the textures of mortality in unique and peculiar ways. Central character Glenn Ganges is a seemingly middle class suburbanite whose blank eyed wonderment at the everyday brings together diverse aspects of our world like golf theology late night diners parenthood politics Sudanese refugees and hallucinatory vision into a complete experience as multifaceted as each of our own lives. *Hearings* United States. Committee on Armed Services, 1967 **MotorBoating**, 1970-05 **The Holiness Revival of the Nineteenth Century** Melvin Easterday Dieter, 1996 This new edition expands and updates the only general interpretation of the rise and influence of perfectionist revivalism in America and Europe. Fifteen years of expanding research on the holiness movement reinforce this volume's continuing seminal value to cultural and social research. The new concluding essay describes the history of the revival through the turn of the century. This book expands our understanding of the fragmentation and coalescence of American religion by analyzing the factors which created numerous new holiness denominations. Dieter also outlines the historical and theological factors that separate this largely Wesleyan and Methodist wing of evangelicalism from the fundamentalism of Reformed evangelicals. The identification of such nuances will prove especially helpful to those struggling with the extreme diversity in American religion especially in evangelicalism. For students and scholars of American religious movements as well as students of the feminist temperance abolitionist and populist movements in American society.
