Religious Vegetarianism From Hesiod To The Dalai Lama Paperback By Kerry:

Religious Vegetarianism Kerry S. Walters, Lisa Portmess, 2001-05-31 Stretching back more than two thousand years and spanning diverse traditions religious vegetarianism has an ancient and rich history In this book Kerry S Walters and Lisa Portmess gather writings that reflect devotional as well as more analytical responses to age old questions of animal suffering dietary practice and human responsibility These include writings from ancient Orphic and Pythagorean authors writings that span centuries of Indian and Buddhist thought and writings from the Judaic Christian and Islamic traditions Interesting both to those well versed in the literature of vegetarianism as well as to others encountering it for the first time are tensions within traditions over the use of animals for food whether such use is consonant with fundamental values of the faith whether religious law or tradition requires vegetarian practice and what place animals are thought to hold in the order of nature

Religious Vegetarianism Kerry S. Walters, Lisa Portmess, 2001-05-31 An anthology of writings on vegetarianism from a wide range of religious traditions *Vegetarianism: A Guide for the Perplexed* Kerry Walters, 2012-06-07 Critically examines philosophical ethical and religious arguments for and against vegetarianism **Vegetarianism and Veganism** David E. Newton, 2019-06-24 This detailed and comprehensive overview of meat free diets introduces readers to their long history in human cultures and analyzes some of the important questions and issues surrounding their practice in today s world *Vegetarianism and Veganism A Reference Handbook* provides a history and background of vegetarianism and veganism from prehistorical times to the present day along with detailed discussions of the practice in each historical period since that time The ancillary chapters provide additional information on important individuals and organizations in the field relevant data and documents on the topic an annotated bibliography a chronology of important events and a glossary of terms likely to be encountered in the field Of special interest is the Perspectives chapter in which stakeholders in the topic write about some specific aspect of its importance in their own lives Intended for high school college and general readers the volume covers the field of vegetarianism and veganism in cultures from around the world Some specific topics include ancient views of vegetarianism religious stands on the practice the growth of vegetarian and vegan institutions and current controversies over the practice of meat free diets It also includes a host of resources that readers can use to continue their own research in the field *History of Vegetarianism and Veganism Worldwide (1970-2022)* William Shurtleff; Akiko Aoyagi, 2022-03-10 The world s most comprehensive well documented and well illustrated book on this subject With extensive subject and geographic index 48 photographs and illustrations mostly color Free of charge in digital PDF format *Religion and Environmentalism* Lora Stone, 2020-07-01 A foundational resource for readers investigating religiously motivated environmentalism this book provides both a global overview of the subject and a detailed discussion of key figures concepts organizations events and documents Beginning in the late 1960s a growing number of activists scholars and scientists asserted that traditional religions had been major contributors to the environmental crisis In response theologians religious

organizations and religiously motivated activists became increasingly involved in environmental issues At the same time emerging nature based belief systems emphasized values and lifestyles based in environmentalism More recently religiously motivated environmentalism has become a powerful force in shaping environmental policy and human action globally and has joined with secular environmentalism to address related issues This book explores the background and current state of religious environmentalism The book begins with an overview essay examining the history and context of religious environmentalism and its significance today A chronology then profiles the most important events related to religious environmentalism A section of more than 50 alphabetically arranged reference entries follows with each entry providing objective information about people places events movements works and other topics The entries include cross references and suggestions for further reading and the book closes with a selected annotated bibliography of major works

Vegetarian Christian Saints Holly H. Roberts,2004-09 Roberts shares the life stories of 150 individuals canonized into sainthood who were committed to vegetarianism Each story has a distinct message and the potential to further peace upon the planet

Ahimsa in the Indic Traditions Jeffery D. Long,Steven J. Rosen,2024-09-10 Ahi sa in the Indic Traditions Explorations and Reflections edited by Jeffery D Long and Steven J Rosen examines the diversity of nonviolent ahimsa oriented doctrines originating in the Indic world both in terms of interpersonal relationships and how they apply to the rest of creation including animals This volume engages the voices of scholars from various disciplines and addresses numerous religious doctrines including those of Hinduism Buddhism Jainism and their related sacred texts The book focuses not only on past scholarship and intellectual modes of understanding nonviolence but also on living traditions and the practice of modern and post modern individuals from Vivekananda to Gandhi to Prabhupada and their millions of supporters and followers The volume shows that the implications of ahimsa are staggering with reference to interpersonal exchange vegetarianism animal rights climate change and so on
