Roman Eloquence Rhetoric In Society And Literature

William J. Dominik

Roman Eloquence Rhetoric In Society And Literature:

Roman Eloquence William J. Dominik, 1997 Rhetoric is once again becoming valued as an essential element in the exploration of the ancient world This volume is part of a general renaissance in the study of rhetoric and draws together established and newer scholars in the field to produce a probing and innovative analysis of the role played by rhetoric in Roman culture Utilizing a variety of critical approaches and methodologies the contributors examine not only the role of rhetoric in Roman society but also the relationship between rhetoric and Rome's major literary genres Roman Eloquence emphasizes the theory and practice of rhetoric in a variety of social political and literary contexts and reveals the important role played by rhetoric in the formation of the various genres of literatures *Roman Eloquence* William J. Dominik, 1997 This accessible and critically up to date volume will be of interest to Classicists literary theorists and anyone concerned with the origins development and influence of Roman rhetorical theory and practice **The ^AOxford Handbook of Rhetorical Studies** Michael J. MacDonald, 2017-09-20 Featuring roughly sixty specially commissioned essays by an international cast of leading rhetoric experts from North America Europe and Great Britain the Handbook will offer readers a comprehensive topical and historical survey of the theory and practice of rhetoric from ancient Greece and Rome through the Middle Ages and Enlightenment up to the present day *The Cambridge Companion to Ovid* Philip R. Hardie, 2002-05-02 Ovid was one of the greatest writers of classical antiquity and arguably the single most influential ancient poet for post classical literature and culture In this Cambridge Companion chapters by leading authorities from Europe and North America discuss the backgrounds and contexts for Ovid the individual works and his influence on later literature and art Coverage of essential information is combined with exciting critical approaches This Companion is designed both as an accessible handbook for the general reader who wishes to learn about Ovid and as a series of stimulating essays for students of Latin poetry and of the classical tradition *Cicero, Philippic 2, 44-50, 78-92, 100-119* Ingo Gildenhard, 2018-09-03 Cicero composed his incendiary Philippics only a few months after Rome was rocked by the brutal assassination of Julius Caesar In the tumultuous aftermath of Caesar's death Cicero and Mark Antony found themselves on opposing sides of an increasingly bitter and dangerous battle for control Philippic 2 was a weapon in that war Conceived as Cicero's response to a verbal attack from Antony in the Senate Philippic 2 is a rhetorical firework that ranges from abusive references to Antony's supposedly sordid sex life to a sustained critique of what Cicero saw as Antony's tyrannical ambitions Vituperatively brilliant and politically committed it is both a carefully crafted literary artefact and an explosive example of crisis rhetoric It ultimately led to Cicero's own gruesome death This course book offers a portion of the original Latin text vocabulary aids study questions and an extensive commentary Designed to stretch and stimulate readers Ingo Gildenhard's volume will be of particular interest to students of Latin studying for A Level or on undergraduate courses It extends beyond detailed linguistic analysis to encourage critical engagement with Cicero his oratory the politics of late republican Rome and the transhistorical

import of Cicero's politics of verbal and physical violence **The World of Tacitus' *Dialogus de Oratoribus*** Christopher S. van den Berg, 2014-09-11 Coming to terms with the rhetorical arts of antiquity necessarily illuminates our own ideas of public discourse and the habits of speech to which they have led Tacitus wrote the *Dialogus* at a time ca 100 CE when intense scrutiny of the history the definitions and the immediate relevance of public speech were all being challenged and refashioned by a host of vibrant intellects and ambitious practitioners This book challenges the notion that Tacitus sought to explain the decline of oratory under the Principate Rather from examination of the dynamics of argument in the dialogue and the underlying literary traditions there emerges a sophisticated consideration of eloquentia in the Roman Empire Tacitus emulates Cicero's legacy and challenges his position at the top of Rome's oratorical canon He further shows that eloquentia is a means by which to compete with the power of the Principate **Poet and Orator** Andreas Markantonatos, Eleni Volonaki, 2019-04-01 This multiauthored volume as well as bringing into clearer focus the notion of drama and oratory as important media of public inquiry and critique aims to generate significant attention to the unified intentions of the dramatist and the orator to establish favourable conditions of internal stability in democratic Athens We hope that readers both enjoy and find valuable their engagement with these ideas and beliefs regarding the indissoluble bond between oratorical expertise and dramatic artistry This exciting collection of studies by worldwide acclaimed classicists and acute younger Hellenists is envisaged as part of the general effort almost unanimously acknowledged as valid and productive to explore the impact of formalized speech in particular and craftsmanship rhetoric in general upon Attic drama as a moral and educational force in the Athenian city state Both poet and orator seek to deepen the central tensions of their work and to enlarge the main themes of their texts to even broader terms by investing in the art of rhetoric whilst at the same time through a skillful handling of events evaluating the past and establishing standards or ideology *Juvenal and the Satiric Emotions* Catherine Keane, 2015-02-23 This text reveals Juvenal's creative exploitation of Greco Roman ideas about the emotions in this new analysis of his Satires and their arrangement *The SAGE Handbook of Gender and Communication* Bonnie J. Dow, Julia T. Wood, 2006-07-19 Publisher Description *The Rhetorical Arts in Late Antique and Early Medieval Ireland* Brian James Stone, 2025-10-01 The *Rhetorical Arts in Late Antique and Early Medieval Ireland* represents the first study of the art of rhetoric in medieval Ireland a culture often neglected by medieval rhetorical studies In a series of three case studies Brian James Stone traces the textual transmission of rhetorical theories and practices from the late Roman period to those early Irish monastic communities who would not only preserve and pass on the light of learning but adapt an ancient tradition to their own cultural needs contributing to the history of rhetoric in important ways The manuscript tradition of early Ireland which gave us the largest body of vernacular literature in the medieval period and is already appreciated for its literary contributions is also a site of rhetorical innovation and creative practice **Flavian Rome** Anthony Boyle, William J. Dominik, 2002-10-31 The politics literature and culture of ancient Rome during the Flavian principate 69-96 CE have recently

been the subject of intense investigation In this volume of new specially commissioned studies twenty five scholars from five countries have combined to produce a critical survey of the period which underscores and re evaluates its foundational importance Most of the authors are established international figures but a feature of the volume is the presence of young emerging scholars at the cutting edge of the discipline The studies attend to a diversity of topics including the new political settlement the role of the army change and continuity in Rome s social structures cultural festivals architecture sculpture religion coinage imperial discourse epistemology and political control rhetoric philosophy Greek intellectual life drama poetry patronage Flavian historians amphitheatrical Rome All Greek and Latin text is translated **Ancient Rome** Matthew Dillon, Lynda Garland, 2013-10-28 A companion volume to the highly successful and widely used Ancient Greece this Sourcebook is a valuable resource for students at all levels studying ancient Rome Lynda Garland and Matthew Dillon present an extensive range of material from the early Republic to the assassination of Julius Caesar Providing a comprehensive coverage of all important documents pertaining to the Roman Republic Ancient Rome includes source material on political developments in the Roman Republic 509 44 BC detailed chapters on social phenomena such as Roman religion slavery and freedmen women and the family and the public face of Rome clear precise translations of documents taken not only from historical sources but also from inscriptions laws and decrees epitaphs graffiti public speeches poetry private letters and drama concise up to date bibliographies and commentaries for each document and chapter a definitive collection of source material on the Roman Republic All students of ancient Rome and classical studies will find this textbook invaluable at all levels of study **Reading Acts** William Shiell, 2021-11-15 William Shiell proposes that the book of Acts was performed orally by a lector in the early church following Greco Roman rhetorical conventions for recitation and delivery rather than directly read by an audience that was minimally literate Shiell s study outlines the function of the lector in Greco Roman times as a filter through which an audience would receive a text He describes the conventions for performers gestures facial expressions and vocal inflections found in material from Greco Roman literature and art that are mirrored in the book of Acts He examines how a reading of Acts in this light can fill interpretive gaps left by literary and rhetorical critical studies that focus on the reading rather than the hearing of biblical texts **Classical Rhetoric and Its Christian and Secular Tradition from Ancient to Modern Times** George A. Kennedy, 2003-07-11 Since its original publication by UNC Press in 1980 this book has provided thousands of students with a concise introduction and guide to the history of the classical tradition in rhetoric the ancient but ever vital art of persuasion Now George Kennedy offers a thoroughly revised and updated edition of Classical Rhetoric and Its Christian and Secular Tradition From its development in ancient Greece and Rome through its continuation and adaptation in Europe and America through the Middle Ages and Renaissance to its enduring significance in the twentieth century he traces the theory and practice of classical rhetoric through history At each stage of the way he demonstrates how new societies modified classical rhetoric to fit their needs For this edition Kennedy has

updated the text and the bibliography to incorporate new scholarship added sections relating to women orators and rhetoricians throughout history and enlarged the discussion of rhetoric in America Germany and Spain He has also included more information about historical and intellectual contexts to assist the reader in understanding the tradition of classical rhetoric

Writing Politics in Imperial Rome W.J. Dominik, J. Garthwaite, P.A. Roche, 2009-05-15 Roman literature is inherently political in the varied contexts of its production and the abiding concerns of its subject matter This collection examines the strategies and techniques of political writing at Rome in a broad range of literature spanning almost two centuries differing political systems climates and contexts It applies a definition of politics that is more in keeping with modern critical approaches than has often been the case in studies of the political literature of classical antiquity By applying a wide variety of critically informed viewpoints this volume offers the reader not only a long view of the abiding techniques strategies and concerns of political expression at Rome but also many new perspectives on individual authors of the early empire and their republican precursors

A Companion to Plautus Dorota Dutsch, George Fredric Franko, 2020-03-24 An important addition to contemporary scholarship on Plautus and Plautine comedy provides new essays and fresh insights from leading scholars A Companion to Plautus is a collection of original essays on the celebrated Old Latin period playwright A brilliant comic poet Plautus moved beyond writing Latin versions of Greek plays to create a uniquely Roman cultural experience worthy of contemporary scholarship Contributions by a team of international scholars explore the theatrical background of Roman comedy the theory and practice of Plautus dramatic composition the relation of Plautus works to Roman social history and his influence on later dramatists through the centuries Responding to renewed modern interest in Plautine studies the Companion reassesses Plautus works plays that are meant to be viewed and experienced to reveal new meaning and contemporary relevance Chapters organized thematically offer multiple perspectives on individual plays and enable readers to gain a deeper understanding of Plautus reflection of and influence on Roman society Topics include metatheater and improvisation in Plautus the textual tradition of Plautus trends in Plautus Translation and modern reception in theater and movies Exploring the place of Plautus and Plautine comedy in the Western comic tradition the Companion Addresses the most recent trends in the study of Roman comedy Features discussions on religion imperialism slavery war class gender and sexuality in Plautus work Highlights recent scholarship on representation of socially vulnerable characters Discusses Plautus work in relation to Roman stages actors audience and culture Examines the plot construction characterization and comic techniques in Plautus scripts Part of the acclaimed Blackwell Companions to the Ancient World series A Companion to Plautus is an important resource for scholars instructors and students of both ancient and modern drama comparative literature classics and history particularly Roman history

An Exemplary Man Bonnie J. Flessen, 2011-09-08 While most scholars focus on the character of Cornelius as a model Gentile Bonnie Flessen argues that Cornelius is also a model male figure for Luke's audience When analyzed closely the characterization of Cornelius reveals a

multifaceted rhetorical strategy regarding both gender and empire This strategy lifts up a rather surprising portrait of an exemplary man who represents the Roman Empire and yet nevertheless manifests the virtues of submission piety and generosity Flessen also proposes a hermeneutic of masculinity as a means to exegete Acts and other New Testament texts This critical lens provides interpreters with a way of thinking about gender when female characters are absent or sparse Although constructs of gender are embedded in texts interpreters can use recent scholarship on masculinity along with extrabiblical evidence as tools to excavate the contours of the male figure in antiquity

Rhetoric of InSecurity Victoria Baines, 2021-07-13 This book demands that we question what we are told about security using tools we have had for thousands of years The work considers the history of security rhetoric in a number of distinct but related contexts including the United States security strategy the war on Big Tech and current concerns such as cybersecurity Focusing on the language of security discourse it draws common threads from the ancient world to the present day and the near future The book grounds recent comparisons of Donald Trump to the Emperor Nero in a linguistic evidence base It examines the potential impact on society of policy makers emphasis on the novelty of cybercrime their likening of the internet to the Wild West and their claims that criminals have gone dark It questions governments descriptions of technology companies in words normally reserved for terrorists and asks who might benefit Interdisciplinary in approach the book builds on existing literature in the Humanities and Social Sciences most notably studies on rhetoric in Greco Roman texts and on the articulation of security concerns in law international relations and public policy contexts It adds value to this body of research by offering new points of comparison and a fresh but tried and tested way of looking at problems that are often presented as unprecedented It will be essential to legal and policy practitioners students of Law Politics Media and Classics and all those interested in employing critical thinking

Daily Life of Women in Ancient Rome Sara Elise Phang, 2022-03-22 This book provides an invaluable introduction to the social economic and legal status of women in ancient Rome Daily Life of Women in Ancient Rome is an invaluable introduction to the lives of women in the late Roman Republic and first three centuries of the Roman Empire Arranged chronologically and thematically it examines how Roman women were born educated married and active in economic social public and religious life as well as how they were commemorated and honored after death Though they were excluded from formal public and military offices wealthy Roman women participated in public life as benefactors and in religious life as priestesses The book also acknowledges the status and occupations of women taking part in public life as textile producers retail workers and agricultural laborers as well as enslaved women The book provides a thorough introduction to the social history of women in the Roman world and gives students and aspiring scholars references to current scholarship and to primary literary and documentary sources including collected sources in translation

In Praise of Christian Origins Todd Penner, 2004-06-18 Almost all scholars look to Acts 6 1 8 3 as providing the bedrock of early Christian tradition The incident between the Hebrews and the Hellenists are understood to reflect real

historical and theological problems in the early Jerusalem community demonstrating the Hellenist role as a historical bridge between Jesus and Paul Penner's study challenges the fundamental assumptions of this approach Penner emphasizes the rhetorical and moral dimensions of ancient historiographical theory especially the centrality of narrative and plot the use of vivid description the application of comparison using various type scenes and the role of speeches in terms of characterization and the presentation of narrative style Todd Penner is the Assistant Professor of Religion at Austin College and the co editor with Caroline Vander Stichele of Contextualizing Acts Lukan Narrative and Greco Roman Discourse

Reviewing **Roman Eloquence Rhetoric In Society And Literature**: Unlocking the Spellbinding Force of Linguistics

Roman Eloquence Rhetoric In Society And Literature Introduction

In the digital age, access to information has become easier than ever before. The ability to download Roman Eloquence Rhetoric In Society And Literature has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Roman Eloquence Rhetoric In Society And Literature has opened up a world of possibilities. Downloading Roman Eloquence Rhetoric In Society And Literature provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Roman Eloquence Rhetoric In Society And Literature has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Roman Eloquence Rhetoric In Society And Literature. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Roman Eloquence Rhetoric In Society And Literature. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Roman Eloquence Rhetoric In Society And Literature, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected

websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Roman Eloquence Rhetoric In Society And Literature has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Roman Eloquence Rhetoric In Society And Literature Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Roman Eloquence Rhetoric In Society And Literature is one of the best book in our library for free trial. We provide copy of Roman Eloquence Rhetoric In Society And Literature in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Roman Eloquence Rhetoric In Society And Literature. Where to download Roman Eloquence Rhetoric In Society And Literature online for free? Are you looking for Roman Eloquence Rhetoric In Society And Literature PDF? This is definitely going to save you time and cash in something you should think about.
