those things on a HUGE scale and still wasn't content. In fact chasing those ideas and getting what he wanted actually made him more depressed. So what are we supposed to do if the wisest man in history couldn't make those things work? Thankfully Solomon left us a whole book of his trials and errors. Maybe you've looked at other people's lives and thought, "If only I had that my life would be perfect." The problem is those same people are asking the same question when they come across someone else. Even the wisest man in the world, Solomon, struggled with it. In *Living a Life that Matters*, author and wisdom expert Mark Matlock unpacks Solomon's big "If only" questions on happiness in the book of Ecclesiastes to connect his timeless questions to yours and explores what really makes a perfect life. *Living a Life That Matters* lets you gaze over Solomon's shoulder as he indulges every pleasure, exercises every power, and emerges with a radical conclusion about how to live. You'll also find ways that his search for meaning connects with yours today and how your story can connect with your friends as they seek meaning in the world. *Living a Life that Matters* makes the book of Ecclesiastes relevant to teens' lives and also easy to understand, contains contemporary examples from pop culture and everyday life, explores what it means to live in the world today as well as the real issue of depression and its effects. **Chiseled** Shaun Blakeney, Marcus

Brotherton, 2008-09-02. *Chiseled* encourages, inspires, and challenges young men to integrate into their lives the components of what it means to become a real man. Those components comprise a code that all men need to learn, which includes chivalry, integrity, and honor, self-control, financial stewardship, a strong work ethic, and more. This book is filled with practical wisdom for young men who want to live meaningful lives. Readers will discover the balance between liberty and responsibility and will learn the durable truths that will impact them for a lifetime. Blakeney and Brotherton invite young men to take a step forward to maturity and then continue to step forward for a lifetime of purpose and direction that will positively impact all around them. This is a respectful and direct call for male maturity. *NLT Life Application Study Bible, Third Edition, Personal Size* Tyndale, 2020-04-07.
