Turned Inside Out Steven Shankman, 2017-05-15 In *Turned Inside Out* Reading the Russian Novel in Prison Steven Shankman reflects on his remarkable experience teaching texts by Fyodor Dostoevsky Vasily Grossman and Emmanuel Levinas in prison to a mix of university students and inmates These persecuted writers Shankman argues that Dostoevsky's and Levinas's experiences of incarceration were formative describe ethical obligation as an experience of being turned inside out by the face to face encounter Shankman relates this experience of being turned inside out to the very significance of the word God to Dostoevsky's tormented struggles with religious faith to Vasily Grossman's understanding of his Jewishness in his great novel *Life and Fate* and to the interpersonal encounters the author has witnessed reading these texts with his students in the prison environment *Turned Inside Out* will appeal to readers with interests in the classic novels of Russian literature in prisons and pedagogy or in Levinas and phenomenology At a time when the humanities are struggling to justify the centrality of their mission in today's colleges and universities Steven Shankman by example makes an undeniably powerful case for the transformative power of reading great texts

Tree Of Life, Tree Of Knowledge Michael Rosenak, 2019-03-22 From the Preface THE IDEA OF THIS BOOK came to my mind many years ago after several conversations with my friend and colleague in Jewish educational studies Joseph Lukins professor at the Jewish Theological Seminary in New York He had suggested that an educated Jew is among other things one who lives in some spiritual and cognitive proximity to the weekly Torah reading the parashat hashavua portion of the week He insisted that issues in the philosophy of education might be in the liturgy's scriptural readings that even the way messages of tradition divided the Torah into portions reflected discrete modes of teaching Torah In this book theoretical conceptions garnered from many places even if they do not precede reading of Torah are certainly prisms through which I can read it

The Book of the Covenant Martin Sicker, 2010-03-25 According to the biblical narrative in addition to the Ten Commandments Moses received a series of supplementary instructions to guide the people as they set about establishing a society in conformity with the covenant that are to be found in the so called the Book of the Covenant The book which is imbedded in the biblical book of Exodus essentially contains addenda or amendments to longstanding customary laws with which the children of Israel were already familiar and for this reason its various components vary widely in scope depending on the extent of differentiation from customary law that they entail This study of the ordinances in the Book of the Covenant focuses not only on what they meant for the ancient Israelites but also how those laws rules instructions and admonitions were treated and in some instances modified as they were incorporated into the huge corpus of Jewish Law as it emerged over a period of some two and a half millennia

The Stranger in Early Modern and Modern Jewish Tradition Catherine Bartlett, Joachim Schlör, 2021-07-15 Throughout history Jews have often been regarded and treated as strangers In *The Stranger in Early Modern and Modern Jewish Tradition* authors from a wide variety of disciplines discuss how the notion of the stranger can

offer an integrative perspective on Jewish identities on the non Jewish perceptions of Jews and on the relations between Jews and non Jews in an innovative way Contributions from history philosophy religion sociology literature and the arts offer a new perspective on the Jewish experience in early modern and modern times in contact and conflict in processes of attribution and allegation but also self reflection and negotiation focused on the figure of the stranger *Ich bin nicht gekommen, Frieden zu bringen, sondern das Schwert* Jochen Flebbe, G rge K. Hasselhoff, 2017-05-15 Die Frage nach Religion und Gewalt wird zur komplexen Herausforderung wie dieser Band mit der ungew hnlichen Vielfalt seiner Beitr ge zeigt Er befasst sich mit Gewalt in den Heiligen Texten der drei gro en Buchreligionen Mit den mittelalterlichen Judenprozessen und den Bauernkriegen wird sowohl die historische als auch die rechtliche Dimension des Themas ber hrt Grundlegende philosophische und theologische Reflexionen schlie en sich an und der Blick auf den westlichen Konsumismus enth llt weniger sichtbare strukturelle und gesellschaftliche Gewalt Dem wird die exemplarische Sicht auf Indien gegen bergestellt die zeigt dass das Problem mit einem rein westlich europ ischen Blick vollkommen unterbestimmt ist Damit regt der Band zum Weiterdenken dieses ebenso aktuellen wie grundlegenden Menschheitsproblems an The question of religion and violence becomes a complex challenge as is proven by the unusual diversity of the articles in this volume which deals with violence in the sacred writings of the three great book religions Along with medieval Jewish trials and peasant wars both the historical and legal dimensions of this subject are also touched upon Basic philosophical and theological reflections are also considered whilst it is revealed that structural and societal violence is seemingly less visible when looking at Western economism This is contrasted with the exemplary perspective on India illustrating that the issue is consummately ill defined by viewing it from a purely Western European perspective This volume encourages the reader to continue thinking about this current and fundamental problem of mankind Reading Jewish Religious Texts Eliezer Segal, 2012-02-07 Reading Jewish Religious Texts introduces students to a range of significant post biblical Jewish writing It covers diverse genres such as prayer and liturgical poetry biblical interpretation religious law philosophy mysticism and works of ethical instruction Each text is newly translated into English and accompanied by a detailed explanation to help clarify the concepts and arguments The commentary also situates the work within its broader historical and ideological context giving readers an enhanced appreciation of its place in the Jewish religious experience This volume includes a comprehensive timeline glossary and bibliography ** NTRE PESHAT  I SOLA SCRIPTURA  N TRATATUL TEOLOGICO-POLITIC (CAPITOLUL VII). Founding God's Nation Leon R Kass,2021-01-05 In this long awaited follow up to his 2003 book on Genesis humanist scholar Leon Kass explores how Exodus raises and then answers the central political questions of what defines a nation and how a nation should govern itself Considered by some the most important book in the Hebrew Bible Exodus tells the story of the Jewish people from their enslavement in Egypt through their liberation under Moses s leadership to their covenantal founding at Sinai and the building of the Tabernacle In Kass s analysis these events begin the slow process of learning how to stop thinking like slaves and become an independent people The Israelites ultimately found their nation on three elements a shared narrative that instills empathy for the poor and the suffering the uplifting rule of a moral law and devotion to a higher common purpose These elements Kass argues remain the essential principles for any freedom loving nation today

Evil and Exile Michaël de Saint Cheron,Elie Wiesel,2000-03-15 A six day series of interviews between Nobel Peace Prize Laureate Elie Wiesel and French journalist Micha l de Saint Cheron Evil and Exile probes some of the most crucial and pressing issues facing humankind today Having survived the unspeakable evil of the Holocaust Wiesel remained silent for ten years before dedicating his life to the memory of this tragedy witnessing tirelessly to remind an often indifferent world of its potential for self destruction Wiesel offers wise counsel in this volume concerning

evil and suffering life and death chance and circumstance Moreover the dialogue evokes candid and often surprising responses by Wiesel on the Palestinian problem Judeo Christian relations recent changes in the Soviet Union as well as insights into writers such as Kafka Malraux Mauriac and Unamuno *Jews, Bible and Prayer* Stefan C. Reif, 2017-05-08 In his articles Stefan Reif deals with Jewish biblical exegesis and the close analysis of the evolution of Jewish prayer texts Some fourteen of these that appeared in various collective volumes are here made more easily available together with a major new study of Numbers 13 an introduction and extensive indexes Reif attempts to establish whether there is any linguistic literary and exegetical value in the traditional Jewish interpretation of the Hebrew Bible for the modern scientific approach to such texts and whether such an approach itself is always free of theological bias He demonstrates how Jewish liturgical texts may illuminate religious teachings about wisdom history peace forgiveness and divine metaphors Also clarified in these essays are notions of David Greek and Hebrew divine metaphors and the liturgical use of the Hebrew Bible **Studies in Shemot (Exodus): Shemot** Nehama Leibowitz, 1993 *The Lion Cub of Prague* Moshe David Kuhr, 2012 Rabbi Yehuda Loewe 1512 1607 known as the Maharal of Prague was one of the greatest sages of the Jewish people However his profound Torah insights have been inaccessible to the English speaking public until now The second and third volumes of Gur Arye Maharal's commentary on Rashi are for the first time available to English readers complete with source annotations for further in depth study *Studies in Shemot (Exodus)* Nehama Leibowitz, 1981 *Loving Jewish People* Paul O. Bischoff, 2025-08-21 Jewish people are experiencing another Holocaust The only difference between today's catastrophic extermination of Jews and that of Nazi Germany's is technology German efficiency murdered Jewish people and disposed of their bodies in short order Iranian murderous terror toward Jewish people is taking longer Missiles are hit and miss Why does the world hate the Jews It all starts with God An anti God spirit prevails in cultures around the world The Jews are God's first people on earth They are God's method of blessing all families and nations Maybe it's jealousy No matter what you can't love God and hate the Jews Ironically the very religion which owes its existence to Judaism Christianity has historically been the perpetrator of Jewish hatred The church was a bystander while others executed their mission of annihilation The opposite of hate is love To reverse current global anti Jewish feeling requires loving Jewish people as human beings It must start with a repentant church willing to admit confess and plead forgiveness from any Jewish person The church needs to practice what it believes to love God with all its heart body soul and spirit by demonstrating concrete ways to love its neighbor the Jewish people
