The Alternative Sherlock Holmes Peter Ridgway Watt, Joseph Green, 2017-03-02 Between 1887 and 1927 Sir Arthur Conan Doyle wrote sixty Sherlock Holmes stories and his great Canon has become the most praised most studied and best known chapter in the history of detective fiction Over twenty thousand publications pertaining to the Sherlock Holmes phenomenon are known to have been published most of them historical and critical studies In addition however almost since the first stories appeared such was their uniqueness and extraordinary attraction that other authors began writing stories based on or derived from them A new genre had appeared pastiches parodies burlesques and stories that attempted to copy or rival the great detective himself As

the field widened there was hardly a year in the twentieth century in which new short stories or novels did not appear Many hundreds are now known to have been published some of them written by authors well known for their work in other literary fields The non canonical Sherlock Holmes literature not only constitutes a literary field of considerable historical interest but includes many stories that are both enjoyable and fascinating in their own right Although a large bibliography on these stories exists and a few limited anthologies have been published no attempt has previously been made to collect them all and discuss them comprehensively The Alternative Sherlock Holmes does so it provides a new and valuable approach to the Sherlock Holmes literature as well as making available many works that have for years remained forgotten Presented as an entertaining narrative of interest to both the aficionado and the scholar it provides full bibliographic data on virtually all the known stories in the field *The Big Book of Sherlock Holmes Stories* Otto Penzler, 2015 Here Otto Penzler collects eighty three wonderful stories about Sherlock Holmes and Dr John Watson published over a span of more than a hundred years

The Complete Lyrics of Johnny Mercer Johnny Mercer, Robert Kimball, Barry Day, Miles Kreuger, Eric Davis, 2009-10-20 The seventh volume in Knopf's critically acclaimed Complete Lyrics series published in Johnny Mercer's centennial year contains the texts to more than 1 200 of his lyrics several hundred of them published here for the first time Johnny Mercer's early songs became staples of the big band era and were regularly featured in the musicals of early Hollywood With his collaborators who included Richard A Whiting Harry Warren Hoagy Carmichael Jerome Kern and Harold Arlen he wrote the lyrics to some of the most famous standards among them Too Marvelous for Words Jeepers Creepers Skylark I'm Old Fashioned and That Old Black Magic During a career of more than four decades Mercer was nominated for the Academy Award for Best Song an astonishing eighteen times and won four for his lyrics to On the Atchison Topeka and the Santa Fe music by Warren In the Cool Cool Cool of the Evening music by Carmichael and Moon River and Days of Wine and Roses music for both by Henry Mancini You've probably fallen in love with more than a few of Mercer's songs his words have never gone out of fashion and with this superb collection it's easy to see that his lyrics elevated popular song into art *Sherlock Holmes. Inglese* Daniele Della Rocca, 2022-12-20 Una guida al celebre personaggio illustrata con numerose fotografie e poster Il libro comprende cast trame e commenti di film adattamenti teatrali romanzi e fumetti in un arco di oltre 130 anni An a z guide to the famous detective illustrated with numerous photographs and posters The book includes cast storylines and film comments theatrical adaptations novels and comics in over 100 years *The World of Raymond Chandler* Raymond Chandler, 2015-11-10 The World of Raymond Chandler shows how Chandler precariously balanced the values of a classical English education against those of a fast evolving America during the years before the Great War how he adopted Los Angeles as his home after WWI with Hollywood in turn adopting him and adapting his works how his detective hero and alter ego Philip Marlowe evolved over the years and above all what it is to be a writer and in particular one writing in the other language of hardboiled fiction Acclaimed biographer and historian Barry Day deftly interweaves images and text using
