From New York's hottest and fastest growing chain of gourmet food stores, a cookbook bursting with new flavors. Founded in 1992 as a supplier of fresh and exotic ingredients to the chefs and restaurateurs of New York, the Gourmet Garage became a retailing leg when it opened its doors to the public a few years later. Now award winning cookbook authors Sheryl and Mel London and the experts of the Gourmet Garage show you how to select from the dizzying array of both everyday and sometimes unfamiliar ingredients, transforming them into simple wonderful meals in your own kitchen. Unlike other cookbooks, *The Gourmet Garage Cookbook* is organized by ingredient and takes you through every section of a specialty food store that is just one step away from the farmer. From the fruit section, papaya and lime combine in a relish for grilled shrimp. Gourmet yams are accompanied by pears, crystallized ginger and distilled figs. This book tells the story of how Suzanne, a young Waldorf teacher, struggles with the changes her class is going through. The problems she and parents must deal with are familiar to all parents: drug use, smoking, lack of responsiveness, rebelliousness and moodiness. In this compassionate and wise guidebook, we accompany Suzanne in her sincere efforts to help her students as she talks to other faculty members and to parents, gradually adapting her teaching to the students' changing needs. She learns from an older mentor whose guidance is based on the educational methods and spiritual insights presented by Rudolf Steiner, whose perspective gives adolescence a new, more meaningful face. Understanding adolescent changes as part of our human destiny and our development toward individuality helps us guide
