Mortimer, Michael J. Shanahan, 2007-12-14 This comprehensive handbook provides an overview of key theoretical perspectives concepts and methodological approaches that while applied to diverse phenomena are united in their general

approach to the study of lives across age phases In surveying the wide terrain of life course studies with dual emphases on theory and empirical research this important reference work presents probative concepts and methods and identifies **Library Journal**, 2003 Includes beginning Sept 15 1954 and on the 15th of each promising avenues for future research month Sept May a special section School library journal ISSN 0000 0035 called Junior libraries 1954 May 1961 Also issued Changing Gear Jan Hall, Jon Stokes, 2021-02-25 Changes occur all the time They can be identifiable and dramatic or they can emerge imperceptibly creeping up on you until one day you realise your foundations are less solid than you imagined At this point in your life you need to find a new path Coping with transition can be hard at every stage of life but it presents unique challenges as we come to the time of our lives when we are facing the end of full on full time work Changing Gear looks at why work is such an important part of a person s identity and how challenging it can be when it s time to change gear whether that s to explore a new path or take a step back from our careers entirely Offering insight advice and practical exercises to help you make the right decisions this valuable guide gives you the tools to navigate complicated situations identify what s most important and develop the skills you need to cope with change **Personal Finance** ,2001-08 The most trustworthy source of information available today on savings and investments taxes money management home ownership and many other personal finance topics Population Ageing from a Lifecourse <u>Perspective</u> Kathrin Komp, Stina Johansson, 2016-06-01 Populations around the globe are ageing rapidly This demographic shift affects families market structures and social provisions This timely volume part of the Ageing and the Lifecourse series argues that the lifecourse perspective helps us understand the causes and effects of population ageing The lifecourse perspective suggests that individuals experiences at an early age can influence their decisions and behaviour at a later age This much needed volume combines insights from different disciplines and real life experiences to describe the theories and practices behind this idea It therefore caters to the needs of scholars practitioners and policy makers in a range of areas including sociology and political science **Getting It Right the First Time** Barry McCarthy, Emily J. McCarthy, 2005-10-05 A healthy marriage is the result of much more than a stroke of good fortune the accidental meeting of two soul mates or a conscious commitment to stay together no matter what Studies have found that romantic passionate love is often just a memory by the wedding or within the first year of marriage Creating an intimate satisfying and stable marriage is by no means easy or guaranteed it requires thought communication planning and true commitment to each other though luck and compatibility never hurt The window of opportunity in which to build the foundation for such a relationship is narrow and does not often last too long after the first two years of a marriage Getting it Right the First Time provides the information every couple needs to know to understand what really makes a marriage work Husband and wife team Barry and Emily McCarthy share clear helpful quidelines for creating a healthy marriage and reveal the strategies skills and attitudes that can help prevent disappointment resentment and alienation from entering the relationship Ask any happily married

couple whether the time and effort spent in creating a healthy marriage has been worth it and you should get a universal answer Getting it Right the FirstTime can make getting there a little easier Midlife Journeys Richard P. Olson, 1996 With common sense and good humor Richard Olsen examines both the outer journeys and the inner journeys making clear throughout that the middle third of peoples lives the thirties forties and fifties is not the time to bemoan the past but rather to celebrate all that is around us Olsen points out how readers can use the maturity of midlife to strengthen their personal relationships maintain and increase their health and reevaluate their vocational and career goals Burns, 2006-09-30 A comprehensive and holistic guide to dispelling aging concerns by empowering yourself spiritually emotionally professionally financially and physically Ken Dychtwald Ph D author of Radical Curiosity Coming from a baby boomer who has packed more highs and lows into his first forty eight years than most people dare to dream Tim Burns common sense lifestyle recommendations drawn from his own varied experiences and observations offer sturdy clear advice for adults at every age Follow his proven framework apply your own discipline focus and courage Whether you re at the top of your game or dismayed by your current direction you can benefit from his experiences observations and research and dramatically improve your life Approached with insight zeal and redirection if necessary a midlife tune up can be the catalyst for a more meaningful satisfying and rewarding life This guidepost illuminates personal passion purpose power planning perspective and perseverance Building on these six empowering elements Burns offers solid concrete steps to design your own midlife direction in seven key areas emotional financial career and relationship opportunities and physical mental and spiritual well being Rousing inspirational quotes and real life examples spirit you to higher levels as you make these practical steps work for you A practical comprehensive well written guide for anyone wishing to improve the quality of their life in every major dimension If you want to make the second half of your life much better than the first this guide points you in the right direction Bravo Tim Burns Michael LeBoeuf author of The Greatest Management Principle in the World Reference Men in Search of Work and the Women Who Love Them Diane Eble,1994 When & User Services Quarterly ,2007 Eble and her husband were going through his career crisis they found plenty of books on how to find a job but none that expressed what they were feeling the questions the doubts the tensions in their marriage This book offers strategies to help families cope emotionally and spiritually with this situation and includes true stories of people who have faced unemployment

Encore Adulthood Phyllis Moen,2016-04-06 In Encore Adulthood Phyllis Moen presents the realities of the encore life stage the years between traditional careers and childraising and old age Drawing on large scale data sets and interviews with Boomers HR personnel and policymakers this book illuminates the challenges that Boomers encounter as they transition from traditional careers into retirement **The Not-So-Silent Passage** Cheryl Solimini,1998 A guide to male menopause for women who want to understand their man's midlife crisis *It's about Time* Phyllis Moen,2018-08-06 How do two career couples manage in a one career world It's about Time examines this mismatch between outdated scripts and the experiences

of dual earner couples It broadens our understanding of occupational and family career strategies couples use in light of the widening gap between their real lives and the outdated work hour and career path roles rules and regulations they confront It s about Time draws on the data from the Cornell Couples and Careers Study to demonstrate that Regardless of income time is a scarce commodity in dual earner households With two jobs two commutes often long work hours high job demands business travel several cars children ailing relatives and or pets time is always an issue Time is built into jobs and career paths in ways that make continuous full time 40 or typically more hours a week paid work a fact of life in American society The multiple strands of life career family and personal unfold over time Spouses move through their life courses in tandem with early choices to have children or not to work long hours or not to switch jobs or not to relocate for his or her career or not all having long term consequences for life quality and for gender inequality The evidence from this book suggests that it is about time for the United States to confront the realities and needs of contemporary working couples and indeed all members of the new workforce To do so requires more than Band Aid short term and often short sighted policy remedies It s about Time argues that it is essential to re imagine and reconfigure work hours workweeks and occupational career paths in ways that address the widening gaps between the time needs and goals of workers and their families at all ages and stages of the life course
