Health Solution Nadia Yacoub Cavallini, 2014-03-10 Inherent in human nature is a universal desire to be healthy and fit. People everywhere love to talk it up, professing they want to lose weight and get in shape. That sounds impressive except for one problem: the greater majority don't actually do anything about it. High pressures of life get in the way: work, family obligations, financial hardship, mental stress, depression, addictions, and more. In her all-encompassing guidebook, Nadia Yacoub Cavallini shares an educational roadmap of five building blocks and fundamental principles that teach us how to honor our body, nurture well-being, and embrace healthy habits. Cavallini dissects diet myths, examines health education reform, and encourages you to proactively take control of your health, ultimately creating a balanced, happier life. *The Proactive Health Solution* is a comprehensive, practical resource that empowers you to set priorities to enrich the quality of your lifestyle. Build a foundation of healthy habits for yourself and your family. Maintain motivation to reach your fitness goals. Eat right and enjoy exercise to achieve the best results. Develop a healthy self-image and emotional intelligence. Renew your inner spirit and relationship with God. Discover your optimal health in mind, body, and spirit. **Babylon 20-20** Debbie Hightower, 2020-12-04 No drill or emergency simulation could prepare Blake County and the tri-county area for the scope of the darkness that would soon overshadow them. Oblivious of the coming biblical plague-level event, they went about eating and drinking, singing, dancing, and otherwise reveling in the birth of their nation. The zoom lens of a camera provides Jeremiah McKay an up-close perspective of people and events in his small town community, ranging from the heartwarming to the repulsive. As a Blake Sentinel reporter and lifelong member of the community, Jerry has gained the friendship and trust of the people he sees on a day-to-day basis. A key event will test the strength of the newspaper's operations, the community's cohesiveness, and the character of its inhabitants. Trials will separate the snowflakes from those who prove to be tough as nails. Both the events witnessed by the journalist and the ensuing tragedy have the potential to happen in Anytown, USA. This post-zombie apocalypse thriller provides a patriotic look into not only the resources that Americans now have but also how quickly they could lose it all. **Small Press Review**, 1989 *Hunting the Snark* Robert Peters, 1989 Entries on homophobic poetry and homosexual poetry pp 180-185 Lesbian poems pp 206-211 Also see index for homosexual poetry *Precursory Tales* Garie McIntosh, 2024-05-15 *Hotel Goodbye* Cinder Beginning with a foreword that draws attention to the Finnish word *sisu*, this publication carries an important message about grief. It features two short stories that will be a part of a future collection called *The Bendiness of Rivers*. This work is precursory to that collection. Norma West, a grieving thirty-year-old woman, finds herself in 2020 in a Toronto hotel room during the coronavirus pandemic in a no-way-out type of situation. It has cost her more than losing her shoes. She feels duped by death. Through the stories *Hotel Goodbye* and *Cinder*, Garie McIntosh takes us on a journey of grief, memories, and restoration that leads us to finding out what grief has to do with love. Grief can be that emotion that helps you face reality and say goodbye, especially when it is necessary. That process can also ground you.
