

Montgomery And Alamein The Definitive History Of The Desert War

Simon Ball

Montgomery And Alamein The Definitive History Of The Desert War:

Combat and Morale in the North African Campaign Jonathan Fennell, 2011-02-17 Military professionals and theorists have long understood the relevance of morale in war Montgomery the victor at El Alamein said following the battle that the more fighting I see the more I am convinced that the big thing in war is morale Jonathan Fennell in examining the North African campaign through the lens of morale challenges conventional explanations for Allied success in one of the most important and controversial campaigns in British and Commonwealth history He introduces new sources notably censorship summaries of soldiers mail and an innovative methodology that assesses troop morale not only on the evidence of personal observations and official reports but also on contemporaneously recorded rates of psychological breakdown sickness desertion and surrender He shows for the first time that a major morale crisis and stunning recovery decisively affected Eighth Army's performance during the critical battles on the Gazala and El Alamein lines in 1942 Montgomery and Alamein Barrie Pitt, 2020-10-21 The Crucible of War Book 3 Masterly and lucid in its descriptions not only of the fighting and strategy but of the political machinations Sunday Telegraph Throughout the first half of the Second World War control of the inhospitable North African desert was strategically vital for the Allies In the middle of 1942 the outcome hung in the balance Rommel and his Afrika Korps had been fought to a standstill at the first battle of Alamein and were desperately short of fuel and equipment But the British and Commonwealth forces were in little better shape The next encounter between the two armies would however be decisive Montgomery the new Allied commander set about rebuilding his weary army and establishing an overwhelming superiority in both men and material The scene was set for a second and bludgeoning encounter at El Alamein in October It was to prove Britain's first decisive victory of the war Montgomery and Alamein is the third volume of Barrie Pitt's definitive history of the Desert War The first and second volumes Wavell's Command and Auchinleck's Command are also published by Sharpe Books Barrie Pitt is also the author of Zeebrugge Coronel Falkland the history of the Special Boat Squadron Praise for the Crucible of War Trilogy Barrie Pitt tells this exciting history well He has assembled a mass of information and organised it with admirable clarity His narrative is scrupulously accurate in detail The whole work will have great appeal for the general reader Times Literary Supplement The definitive work on the Desert War Manchester Evening News A magnificent book Barrie Pitt has almost a novelist's skill and perception of character Daily Telegraph Totally readable Mr Pitt's study depicts equally well the broad outlines of strategy the confusions and hazards of the battlefield and the personalities of the generals or private soldiers fighting there Oxford Times *Operation Crusader and the Desert War in British History and Memory* Alexander Joffe, 2020-09-03 Shortlisted for the 2021 Society for Army Historical Research's Templer Medal Operation Crusader launched in November 1941 was the third and final British attempt to relieve the siege of Tobruk and break the German and Italian forces in North Africa After tough initial fighting the British made important gains only to be countered by a stunning breakthrough overseen personally by Lt General Erwin Rommel As

the British situation teetered the commander of the 8th Army Lt General Alan Cunningham was relieved of duty by his superior General Claude Auchinleck This decision changed the direction of the battle and perhaps the war itself Why and how Cunningham was relieved has been the subject of commentary and speculation since it occurred Using newly discovered evidence Alexander Joffe rethinks the events that brought about the sudden relief of the operation s commanding officer including insubordination The book then discusses how narratives regarding the operation were created were incorporated into British and Commonwealth official and unofficial historical writing about the war and contributed to British historical memory Based on a decade of archival work the book presents a new and detailed analysis of a consequential battle and importantly of how its history was written and received in the context of post war Britain

World War II in Literature for Youth Patricia Hachten Wee,Robert James Wee,2004-11-10 This comprehensive volume provides a wealth of information with annotated listings of more than 3 500 titles a broad sampling of books on the war years 1939 1945 Includes both fiction and nonfiction works about all aspects of the war Professional resources for educators aligned to the educational standards for social studies technical references periodicals and electronic resources a directory of WWII museums memorials and other institutions and topics for exploration complement this excellent library and classroom resource

The War in North Africa, 1940-1943 Colin F. Baxter,1996-03-30 Few of the major campaigns of World War II aroused as much controversy as the War in North Africa 1940 1943 Figures such as Rommel Montgomery and Eisenhower would become world famous because of the fighting in North Africa This book opens with seven historiographical essays that evaluate and critically assess the major contributions to the literature on the War in North Africa It then includes an alphabetically arranged bibliography of the 504 entries cited in the essays The material is easily accessible with cross references between the text and the bibliography and a full index The volume includes chapters on the Desert War 1940 42 the Axis Powers in North Africa Montgomery Alam Halfa and El Alamein TORCH the Landings in French North Africa and the Tunisian Campaign Full attention is given to questions and issues historians have raised on such controversies as the Auchinleck Montgomery dispute the debate over Operation TORCH and the Darlan affair Emphasis is on English language works but the most significant Italian German and French works are cited and assessed The book has been written for use in public college university and institutional libraries and to serve general readers and military historians

Reader's Guide to Military History Charles Messenger,2013-10-31 This book contains some 600 entries on a range of topics from ancient Chinese warfare to late 20th century intervention operations Designed for a wide variety of users it encompasses general reviews of aspects of military organization and science as well as specific wars and conflicts The book examines naval and air warfare as well as significant individuals including commanders theorists and war leaders Each entry includes a listing of additional publications on the topic accompanied by an article discussing these publications with reference to their particular emphases strengths and limitations

Books In Print 2004-2005 Ed Bowker Staff,Staff Bowker, Ed,2004

El Alamein 1942 Richard

Doherty,2018-08-30 The Battle of El Alamein is well established as a pivotal moment of the Second World War Following the wildly fluctuating fortunes of the opposing sides there was a real risk that Rommels Afrika Korps and his Italian allies would break through and seize Cairo with catastrophic strategic and political implications for the Allies That this never happened is of course well known but as this highly readable yet authoritative work reveals there were moments of extreme peril and anxiety Churchills bold nay desperate decisions concerning key appointments Montgomerys stubborn refusal to be rushed Rommels chronic logistic problems and critical air superiority are all examined in expert detail The authors description of the actual fighting is brought to life by personal accounts as well as his complete grasp of the plan and tactics involved The result seventy five years on is a delightfully fresh and fascinating account of one of the iconic battles not just of the War but in military history

A Guide to British Military History Ian F. W. Beckett,2016-06-30 What exactly is military history Forty years ago it meant battles campaigns great commanders drums and trumpets It was largely the preserve of military professionals and was used to support national history and nationalism Now though the study of war has been transformed by the war and society approach by the examination of identity memory and gender and a less Euro centric and more global perspective Generally it is recognised that war and conflict must be integrated into the wider narrative of historical development and this is why Ian Becketts research guide is such a useful tool for anyone working in this growing field It introduces students to all the key debates issues and resources While European and global perspectives are not neglected there is an emphasis on the British experience of war since 1500 This survey of British military history will be essential reading and reference for anyone who has a professional or amateur interest in the subject and it will be a valuable introduction for newcomers to it

The Desert War Jean Paul Pallud,2022-09-21 Following Mussolini s declaration of war in June 1940 initially Italy faced only those British troops based in the Middle East but as the armed confrontation in the Western Desert of North Africa escalated other nations were drawn in Germany Australia India South Africa New Zealand France and finally the United States to wage the first major tank versus tank battles of the Second World War First tracing the history of the very early beginnings of civilization in North Africa and on through the period of Italian colonization Jean Paul Pallud begins his account when the initial shots were fired at the 11th Hussars as they approached Italian outposts near Sidi Omar in Libya It proved to be the opening move of a campaign which was to last for three years When the Afrikakorps led by Rommel joined the battle in February 1941 the Germans soon gained the upper hand and recovered the whole of Cyrenaica minus Tobruk in the summer The campaign then swung back and forth across the desert for another year until Rommel finally captured Tobruk in June 1942 and then moved eastwards into Egypt With British fortunes at their lowest ebb changes in command led to Montgomery launching his offensive at El Alamein the following November This began the advance of the Eighth Army over a thousand miles to Tunisia resulting in the final round up of the German and Italian forces in May 1943 Jean Paul and his camera retraced the route just prior to the recent civil war in Libya and the uprisings in

Tunisia and Egypt in 1943 so he was fortunate to capture the locations before yet another war left its trail of death and destruction. Although the campaign in 1940-43 was dominated largely by armor, nevertheless the Allies lost over 250,000 men killed, wounded, missing, and captured, and the Axis 620,000. Those that never came home lie in cemeteries scattered across the barren landscape of a battlefield that has changed little in over 70 years. **West Point History of World War II, Vol. 2**

The United States Military Academy, 2016-11-08. The definitive must-have military history of World War II spanning 1942 until the end of the war, packed with the same expert analysis, exclusive tactical maps, unique graphics, and historical images used by The United States Military Academy at West Point to teach the art of war to its own cadets. Since its founding, West Point has taught its cadets the history of warfare, and since 1847 it has done so through a singular text, *The West Point History of Warfare*. That text has been updated repeatedly and now, through a unique partnership with West Point graduates, *The West Point History of Warfare* has been completely rewritten. Volume 1 concluded with the midpoint of World War II in 1942, which is where this latest edition begins, covering all aspects of the war in chapters such as *Strategic Seapower and Airpower* by Richard J. Overy, *The Defeat of Japan* by Robert W. Love Jr., *The Allies Turn the Tide* by Robert M. Citino, and *Occupation, Demobilization, and Assessing Victory* by Steve R. Waddell. As with previous volumes, *The West Point History of World War II*, Volume 2 boasts rich, full-color illustrations with unique tactical maps created by expert cartographers in collaboration with West Point's military historians, as well as dozens of graphics uniquely created for this volume and hundreds of historical images, many of which are from the West Point archives. Authoritative, compelling, a goldmine for history lovers, this essential resource belongs in the library of every serious student of World War II. [Armoured Warfare](#)

Alaric Searle, 2017-02-09. This book charts the history of armoured warfare from the first use of the tank in 1916 right through to the 21st century, adopting military, political, and global perspectives. Alaric Searle explores the origins of the tank, the part it played in the First World War, and its contribution to the outcome of the war. He considers its role as a tool of propaganda, the military controversies of the interwar period, and the employment of armoured forces in all the major theatres in the Second World War. Since the First World War, major and medium-sized powers have invested heavily in armoured forces. Searle looks at the conduct of mechanised warfare in Korea, Indo-China, and Vietnam, and during conflicts such as the Arab-Israeli Wars and the Gulf Wars. *Armoured Warfare* adopts a global perspective, providing the most comprehensive survey of the history of the subject currently available. With a detailed bibliography of both primary and secondary sources, it is an ideal companion for those studying armoured warfare, modern military history, and war studies.

[West Point History of World War II](#) United States Military Academy, 2016-11-08. Reader's Digest Endowed Book Fund

Death of the Wehrmacht Robert Michael Citino, 2007. A deft, lively, and highly readable history of the demise of the German way of war. As the Allies found an antidote to the shock and awe approach of the Wehrmacht, the once mighty German army underwent an epic fall from remarkable operational victories to crushing operational defeats, forced to take on

a defensive stance in a war it could never win **Field Marshal Bernard Law Montgomery, 1887-1976** Colin F. Baxter,1999-10-30 In the desperate summer of 1942 Hitler seemed to be on the verge of victory in Russia and the Middle East With Rommel nearing Cairo a little known lieutenant general Bernard Montgomery took charge of what Churchill called a baffled and bewildered British 8th Army Assuming command Montgomery issued his famous order Here we will stand and fight If we can t stay here alive then let us stay here dead and led the Army to one of the Allies greatest victories El Alamein Monty became an instantly recognizable Allied leader but as a man with strong views unbending principles and outspoken frankness he was both loved and disliked praised and criticized This bibliography presents and evaluates the extensive body of literature that has grown up around the controversial Field Marshal Any serious study of World War II military campaigns must confront Field Marshal Bernard Montgomery an individualist with both admirers and detractors This book provides an extensive historiographical overview of the literature in Part I and a bibliography of significant works in Part II It is a basic reference and research guide for the student scholar and general reader The Complete Idiot's Guide to 20th-century History Alan Axelrod,1999 Provides an overview of the people events and ideas that shaped the twentieth century covering wars and political conflicts innovations in technology and the contributions of such great minds as Sigmund Freud and Albert Einstein **Alamein** Simon Ball,2016-08-17 El Alamein was one of the pivotal battles of the Second World War fought by armies and air forces on the cutting edge of military technology Yet Alamein has always had a patchy reputation with many commentators willing to knock its importance This book explains just why El Alamein is such a controversial battle Based on an intensive reading of the contemporary sources in particular the extensive and recently declassified British bugging of Axis prisoners of war military historian Simon Ball turns Alamein on its head explaining it as a cultural defeat for Britain Alamein is a military history of the battle showing how different it looks stripped of later cultural excrescences But it also shows how Alamein culture saturated the post war world when archival sources mingled with film novels magazines popular histories and the rest of Alamein s footprint Whether you are interested in the battle itself or its cultural afterlife if you have an opinion about Alamein you ll question it after reading this book **Brief History** William E. Burns,2009 A Brief History of Great Britain narrates the history of Great Britain from the earliest times to the 21st century covering the entire island England Wales and Scotland as well as associated archipelagos such as the Channel Islands the Orkneys and Ireland as they have influenced British history The central story of this volume is the development of the British kingdom including its rise and decline on the world stage The book is built around a clear chronological political narrative while incorporating treatment of social economic and religious issues Coverage includes Early Settlements Celts and Romans Anglo Saxons Scots and Vikings Scotland England and Wales Britain in the Late Middle Ages The Making of Protestant Britain Industry and Conquest Britain in the Age of Empire An Age of Crisis The Age of Consensus A House Divided **Desert War** Alan Moorehead,2001 North Africa was the site of some of the most volatile battles of World War II For journalist Alan Moorehead

it was war in its purest form a knight s tournament in empty space In Desert War which includes the complete texts of The Mediterranean Front A Year of Battle and The End of Africa Moorehead writes about what he saw He recounts with dazzling prose and intimate detail the heroes and legends the soldiers and prisoners the military strategies the strengths and weaknesses of those involved and portraits of generals Rommel Montgomery and Patton Woven throughout are observations on the landscape the Mediterranean shores and the vast desert which inevitably played a role in shaping the battles For Moorehead desert warfare resembled war at sea Men moved by compass No position was static Each truck or tank was as individual as a destroyer Written by a man who lived and breathed the conflict in North Africa during World War II Desert War is a eyewitness account and an inspired piece of writing by a master of his craft BOOK JACKET Title Summary field provided by Blackwell North America Inc All Rights Reserved Journal of the United Service Institution of India United Service Institution of India,1973

Montgomery And Alamein The Definitive History Of The Desert War Introduction

In the digital age, access to information has become easier than ever before. The ability to download Montgomery And Alamein The Definitive History Of The Desert War has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Montgomery And Alamein The Definitive History Of The Desert War has opened up a world of possibilities. Downloading Montgomery And Alamein The Definitive History Of The Desert War provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Montgomery And Alamein The Definitive History Of The Desert War has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Montgomery And Alamein The Definitive History Of The Desert War. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Montgomery And Alamein The Definitive History Of The Desert War. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Montgomery And Alamein The Definitive History Of The Desert War, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware.

or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Montgomery And Alamein The Definitive History Of The Desert War has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Montgomery And Alamein The Definitive History Of The Desert War Books

1. Where can I buy Montgomery And Alamein The Definitive History Of The Desert War books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores.
