goes for late night Chinese with a homicide detective and questions a man whose job it is to make crime scenes disappear Through Campbell s incisive and candid interviews with these people who see death every day she asks Why would someone choose this kind of life Does it change you as a person And are we missing something vital by letting death remain hidden A dazzling work of cultural criticism All the Living and the Dead weaves together reportage with memoir history and philosophy to offer readers a fascinating look into the psychology of Western death Meeting of Minds Irene Bloom,Joshua A. Fogel,1997 In Meeting of Minds eleven prominent scholars explore intellectual and religious interactions among diverse traditions of the East Asian world The authors consider central issues including concepts of religious authority perceptions of the relation between knowledge and action the sense of the sacred within the realm of ordinary human existence and the concern with historical experience and practicality as criteria for evaluating ideas and beliefs **Fragile Lives** Arlette Farge,1993 The rich and complex texture of working class neighborhoods in eighteenth century Paris comes vibrantly alive in this collage of the experiences of ordinary people men and women rich and poor masters and servants neighbors and colleagues Exploring three arenas of conflict and solidarity the home the workplace and the street Arlette Farge offers the reader an intimate social history bringing long dead citizens and vanished social groups back to life with sensitivity and perception The Big Book of Paranormal Tim Rayborn,2021-08-17 Prepare to be baffled with The Big Book of Paranormal Dive deep into urban legends creepy hauntings and tales of the unexplained with the Big Book of Paranormal Featuring over 300 hair raising spine chilling stories around Bigfoot the Loch Ness UFOs aliens curses ghosts and unsolved mysteries Otherworldly illustrations and images bring these mystical and frightening tales to life and make the stories creep off the page This is the perfect gift for the little ghost hunter or paranormal enthusiast in your life *Greatest Mysteries of the Unexplained* Andrew Holland,Lucy Doncaster,2017-12-13 Many strange events defy explanation This book is a compendium of some of the world s most mystifying conundrums which are guaranteed to bewilder and intrigue From the mysterious disappearance of Lord Lucan by way of paranormal powers to bizarre phenomena thrown up by nature this fantastic collection of off the wall investigations also features scary curses uncanny prophecies weird medical marvels alien abductions lost worlds and much more Mysteries and Secrets of Voodoo, Santeria, and Obeah Patricia Fanthorpe,2008-07-28 The secrets of Santeria Voodoo and Obeah are among the oldest enigmas in the world Their roots go back to pre historic Africa perhaps even beyond that From the 16th century onwards the slave trade brought these ancient mysteries to the West where they blended strangely with traditional Christianity the ancient African gods became identified with legendary saints This integration of the two faiths slowly evolved to form the many varieties of Santeria Obeah and Voudoun that are widely practiced throughout the world today Their characteristic dancing and drumming seem able to invoke strange states of mind in which almost anything is possible Even stories of zombies the walking dead still persist Is there a rational explanation for them Contemporary Voudoun priests priestesses magicians and enchanter use rare herbs and spices as well as charms dolls

and talismans to control the natural world in ways that science cannot always explain. Accounts of their inexplicable successes are examined in depth. Most intriguing of all are the claims that are made for their love philtres and aphrodisiacs. What powers do these old religions still possess? *It's the Crude, Dude* Linda McQuaig, 2025-09-23 George W Bush says he invaded Iraq to bring democracy to the Middle East. Some people believe that. But if you have nagging doubts you'll be intrigued by the story unraveled in *It's the Crude Dude*. With all the drama of a thriller, Canadian bestselling author Linda McQuaig probes the mystery of what really lay behind the U.S. invasion of Iraq. She points to Washington's desire to gain control of the most spectacular untapped oil bonanza on Earth, even as rapidly dwindling worldwide oil reserves threaten to turn competition for crude into the major international battleground of the future. That battle has actually been raging for decades. Once tightly controlled by Big Oil, most of the world's oil reserves have been taken over by nationalistic regimes in the Middle East. Ever since those regimes imposed an oil embargo on the United States in the mid 1970s, Washington has been determined to regain control over oil by force, if necessary. With China's recent emergence as a voracious oil consumer, there soon won't be enough oil left to fuel two superpowers. Against this backdrop and the equally urgent problem of global warming, *It's the Crude Dude* reminds us of the enormous consequences of our failure to curb our addiction to oil. [The Evidence for Phantom Hitch-Hikers](#) Michael Goss, 2015-04-01 All over the world, motorists report giving lifts to hitch hikers who then vanish ghostlike into thin air. Phantom Hitch Hikers, as these insubstantial passengers are called, have become classified as an urban legend and have been related to historical tales of supernatural traveling companions. But is there more to such stories than picturesque folklore? Are there genuine paranormal experiences behind the reports? Goss explores the meaning and causes of this phenomenon. In terms of purpose and behavior, the Phantom Hitch Hiker of urban folklore is a thoroughly conventional ghost: one who matches popular expectations of what a ghost is, what it does, and why. He or she is the spirit of a deceased person, the victim of a tragic accident which resulted in the premature termination of earthly existence. It would appear that these ghosts are motivated by especially on the anniversaries of their unfortunate accidents, a desire to complete their unfinished homeward journeys. It would also appear that they do not know that they are dead. This is the most comprehensive study of a peculiar phenomenon that has mystified students of the paranormal for centuries. Goss' study will entertain and inform anyone who enjoys a good ghost story and anyone who is interested in understanding the mysterious and unexplained.
