Mozart Tonight

John Rosselli

Mozart Tonight:

Mozart's Last Words Roy Ziegler, 2022-10-25 At the 1958 Brussels World's Fair the Austrian government exhibited the original autograph manuscript of Wolfgang Amadeus Mozart's Requiem Mass in D Minor. During the exhibition a corner of a page of that precious manuscript was torn off and stolen. According to many musicologists that missing fragment contains the last four words ever written by Mozart. Mozart's Last Words is a compelling story about a recently retired chief inspector of the Brussels Police Department who teams up with MI6 agents from London on a frantic chase across Europe trying to recapture the Mozart fragment from a group of Neo-Nazi terrorists. **New York Magazine**, 1995-08-07 New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country. With award-winning writing and photography covering everything from politics and food to theater and fashion, the magazine's consistent mission has been to reflect back to its audience the energy and excitement of the city itself while celebrating New York as both a place and an idea. *Mozart's Death* William Stafford, 1991-10-23 There is a macabre fascination in the spectacle of one so brilliant dying so young in such tragic circumstances. Was Mozart poisoned? Was he irresponsible and childish, dying from debauchery and dissipation? Did his wife contribute to his downfall? Was he driven to destruction by being ostracised as a rebel? Did his genius render him incapable of normal human contact and worldly prudence? Did he die because he had accomplished his mission as an artist and burnt himself out? Was he the victim of a run of bad luck? From 1791 to the present, such stories have flourished. This book examines their development and the evidence for them. **Music through Children's Literature** Donna Levene, 1993-05-15 Develop music appreciation among your students with folk songs, rhythmic poems, stories with musical themes, and picture books with strong musical links. Designed for teaching flexibility, these lessons can be adapted according to a teacher's level of musical proficiency and time limitations. Sections cover rhythm, melody, form, instruments, music history, and dance forms with lively activities that involve singing, playing instruments, chanting, and movement. These are perfect for the nonmusician who is teaching music as well as the seasoned music specialist. **New York Magazine**, 1994-08-08 New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country. With award-winning writing and photography covering everything from politics and food to theater and fashion, the magazine's consistent mission has been to reflect back to its audience the energy and excitement of the city itself while celebrating New York as both a place and an idea. **The Life of Mozart** John Rosselli, 1998-04-28 Mozart was not only an extraordinary musical genius but a man who lived through the great change from the old society to the modern one in which we still live when people began to move from accepting the Christian scheme of things to standing alone from letting themselves be ruled by parents and superiors to rebelling against them. He was himself one of the new men of the age; his music gives voice to anxieties and consolations that are still ours. This book, first published in 1998, sets

Mozart's life within the history of an age plunging into revolution and European war. It probes his crucial relationships with his father and his wife but avoids guesswork. It studies in depth though in non-technical language characteristic examples of his music and asks what they can tell us about their author and ourselves. *The Mostly Mozart Guide to Mozart* Carl Vigeland, 2009-07-08 A fresh accessible guide to Mozart's life and works. Over a period of roughly twenty years Wolfgang Amadeus Mozart composed more than 600 finished pieces of music. If you were the director of a major symphony orchestra you could program only works by Mozart for an entire year and still you would barely have scratched the surface of the composer's immense and immensely moving body of work. The Mostly Mozart Guide to Mozart is an accessible insightful and entertaining resource for music lovers looking for a deeper understanding of the genius of Mozart. It combines a brief and revealing account of his life and times with a comprehensive survey of his major compositions. You'll also discover accounts of major performances, fascinating anecdotes about Mozart and his works, comments from artists past and present and tips on what to listen for when you listen to Mozart. And a selected discography will help you develop a fantastic collection of recordings by the finest modern musicians playing Mozart's greatest music. Filled with insightful quotes from fellow composers, critics and Mozart admirers as well as informative illustrations. The Mostly Mozart Guide to Mozart answers all of your questions about this transcendent genius and his music and probably some you never thought to ask. [Mozart's Blood](#) Louise Marley, 2010-07-01 Award-winning author Louise Marley's compelling intricately layered story of a beautiful soprano who shares an everlasting bond with the world's most notorious musical genius. Mozart's Blood. Octavia Voss is an ethereal singer whose poise and talent belie her young age. In truth she is a centuries-old vampire who once shared the tooth with Mozart himself. To protect her secret Octavia's even more ancient friend Ugo stalks the streets to find the elixir that feeds his muse's soul. With Mozart's musical prowess coursing through her veins the ageless Octavia reinvents herself with each new generation. But just as she prepares to take the stage at La Scala Ugo inexplicably disappears leaving Octavia alone and dangerously unprotected. Octavia vows to find Ugo but his fate is in the hands of forces much darker than she could ever imagine. And when she learns the truth behind his disappearance Octavia realizes too late that the life hanging most in the balance is her own. Riveting original filled with the emotional power and intricate twists and turns of a Mozart opera. Tracy Grant author of *Beneath a Silent Moon*. [Mozart's Letters, Mozart's Life](#) Robert Spaethling, 2014-10-27 A wonderful collection that gives Mozart a voice as a son, husband, brother and friend. New York Times Book Review. Mozart's honesty, his awareness of his own genius and his contempt for authority all shine out from these letters. Sunday Times London. In Mozart's Letters. Mozart's Life. Robert Spaethling presents Mozart in all the rawness of his driving energies. Spectator. preserved in the zany often angry effervescence of his writing. Observer. Where other translators have ignored Mozart's atrocious spelling and tempered his foul language Robert Spaethling's new translations are lively and racy and do justice to Mozart's restlessly inventive mind. Daily Mail. Carefully selected and meticulously annotated this collection of letters should be on the shelves of

every music lover BBC Music Magazine *Wolfgang Amadeus Mozart* Laura Loria, 2015-01-01 Introduce young readers to one of history's greatest composers They will enjoy tracing Mozart's life from his childhood touring Europe as a musical prodigy through his years in Italy Salzburg and Vienna They'll learn about his struggles for independence and his musical innovation The title touches on the composition of operas liturgical music symphonies concertos and more Mozart's enduring popularity and the significant influence he had on the composers who followed him are also discussed A timeline helps readers understand the chronology of events discussed in the book
