Mr Price, Or Tropical Madness and Metaphysics of a Two- Headed Calf Stanislaw Ignacy Witkiewicz, 2003-09-02 This volume contains two of Witkacy's tropical plays inspired by the playwright's trip to Ceylon and Australia in 1914 with anthropologist Bronislaw Malinowski

Mr Price, or Tropical Madness and Metaphysics of a Two- Headed Calf Stanislaw Ignacy Witkiewicz, 2003-09-02 The Polish playwright and artist Stanislaw Ignacy Witkiewicz known as Witkacy is now recognized as Poland's leading theatrical innovator of the interwar years and one of the outstanding creative personalities of the European avant garde This volume contains two of Witkacy's tropical plays inspired by the playwright's trip to Ceylon and Australia in 1914 with his close friend the anthropologist Bronislaw Malinowski Mr Price or Tropical Madness is a drama of heightened passion and greed among British colonists in Rangoon who seem to have stepped out of Joseph Conrad's tales of the South Seas Metaphysics of a Two headed Calf set in New Guinea and Australia pits savage European imperialists against a native tribal Australia and pits savage European imperialists against a native tribal chieftain whose fetish of a great golden frog offers greater insight into the mystery of existence than the Westerners shallow rationalism Both plays puncture the white rulers poses of superiority and parody their images of the tropical Other Also included in the volume are Witkacy's Foreword to Metaphysics of a Two Headed Calf in which the playwright defends his concept of theatre as an autonomous art with a scenic language of its own and an appendix containing a documentary itinerary of Witkacy's journey to Ceylon

The Theatre of the Absurd Martin Esslin, 2009-04-02 In 1953 Samuel Beckett's *Waiting for Godot* premiered at a tiny avant garde theatre in Paris within five years it had been translated into more than twenty languages and seen by more than a million spectators Its startling popularity marked the emergence of a new type of theatre whose proponents Beckett Ionesco Genet Pinter and others shattered dramatic conventions and paid scant attention to psychological realism while highlighting their characters inability to understand one another In 1961 Martin Esslin gave a name to the phenomenon in his groundbreaking study of these playwrights who dramatized the absurdity at the core of the human condition Over four decades after its initial publication Esslin's landmark book has lost none of its freshness The questions these dramatists raise about the struggle for meaning in a purposeless world are still as incisive and necessary today as they were when Beckett's tramps first waited beneath a dying tree on a lonely country road for a mysterious benefactor who would never show Authoritative engaging and eminently readable *The Theatre of the Absurd* is nothing short of a classic vital reading for anyone with an interest in the theatre

Intertextual Loops in Modern Drama Christine Olga Kiebuszinska, 2001 Kiebuszinska who teaches modern drama comparative literature and film at Virginia Tech considers intertextuality in modern drama In nine essays she examines the connections between the works of modern playwrights such as Kundera Jelinek and Hampton and the texts of earlier writers such as Did

Przekładaniec, 2 (2010) vol 24 - English Version , Ireneusz Iredynski Kevin Windle, 2014-03-05 This vibrant anthology of radio plays features works by one of Poland's angry young men playwrights

Ireneusz Iredynski made his debut in literature as a Polish angry young man in the late 1950s. He moved with great versatility from verse to stage plays, film scripts and plays for radio. While some of the plays in this collection seem to present a bleak view of life, they show a gentler side of Iredynski. Here it is people's dreams rather than their worst nightmares that are explored. In these plays situations are kept simple and the theatrical technique is spare and economical, but yet the playwright demonstrates an unflinching theatrical flair and shows himself a master of dramatic tension and the final unexpected twist.

The Conspiracy of Feelings and The Little Theatre of the Green Goose Daniel Gerould, 2014-04-04 Two outstanding examples of socialist-themed plays are combined in this remarkable volume. *The Conspiracy of Feelings* by Yurii Olesha, 1899-1960, is based on his highly respected short novel *Envy* about the struggle between the old and new in Soviet society. The play called *The Conspiracy of Feelings* is not a simple adaptation but an original work that reconceived the novel. The play explores the precarious position of the intelligentsia in the new collective state. *The Little Theatre of the Green Goose* was written by Konstanty Ildefons Gałczyński, 1905-53, who was one of Poland's most beloved poets. After World War II he began work as a playwright, inventing a colorful theatre troupe of performers, animal and human, and contributing a new instalment of *The Little Theatre of the Green Goose* each week to *Przekrój*, the Cracow literary magazine. Intended for reading only, *The Green Goose* went unperformed in Gałczyński's life and was finally staged in 1955 and gained a permanent place in the theatre and became a force for the creation of the new Polish drama that flourished in the 1960s. *A Dream* Felicja Kruszevska, 2014-04-04 The translation of Felicja Kruszevska's *A Dream* introduces a major play by a twentieth-century female playwright to the English-speaking world. On March 7, 1927, *A Dream*, a large-scale expressionistic drama by an unknown poet, burst on the Polish theatrical scene in a dazzling debut production by the young actor Edmund Wierciński, who would become one of the outstanding directors of his time. The play's hallucinatory visions of the rise of fascism and the heroine's longing for a providential savior on a white horse spoke directly to Polish audiences about their deepest anxieties. During the next two years, *A Dream* received three additional stagings and became the subject of lively debate and controversy. The play, which has been successfully revived in 1974, is an outstanding example of European expressionism. The volume also contains *An Excursion to the Museum* by the contemporary Polish poet, playwright and short story writer Tadeusz Różewicz. A disturbing account of an utterly mundane visit to Auschwitz, the tale is a brilliant example of the playwright's technique of poetic collage. *The Mother & Other Unsavory Plays* Stanisław Ignacy Witkiewicz, 1993 Edited and translated by Daniel Gerould and C. S. Durer. Foreword by Jan Kott. Painter, playwright, novelist, aesthete, philosopher and expert on drugs, Stanisław Ignacy Witkiewicz, or Witkacy as he called himself, remains Poland's outstanding figure in the arts between the two world wars. This volume brings together three of Witkiewicz's best works for the stage as well as a selection from his critical writing. The plays deal with the author's principal themes and obsessions: the dilemma of the artist in the twentieth century, the revolutions in science and politics and the bankruptcy of all ideology, the decline of western

civilization and the coming of totalitarianism Yet far from being solemn or even serious in tone these apocalyptic dramas are permeated with grotesque humor and characterized by a wild theatricality that particularly appeals to contemporary sensibility **Mr. Price, Or, Tropical Madness** Stanisław Ignacy Witkiewicz, Daniel Charles Gerould, 2002
