Mr Siggie Morrison With His Comb And Paper:

Mr Siggie Morrison with his Comb and Paper Bill Reed, 2015-06-07 Blurb Act I PARSONS I m beginning to feel what his friends must have gone through when they were really seeing him off The longer they wait the more improbably it is that the bloody plane will ever leave They mouth platitudes to each other about every man having the unimpeachable right to die at home They don t look into each other s eyes knowing that not one of them has even bothered to tell the old boy about pipe dreams tobacco smoke delusions What they mean really is that they can t wait any longer to get him off their hands Blurb Act 2 SURROUND MONOLOGUE I didn t care I had my ticket in my hand in the plane I would have had my ticket in my hand if they hadn t taken it off me before I got on That s not the point It s as good as having your ticket in your hand when you re sitting in the plane and they haven t turfed you off because if they haven t turfed you off then that means you must have had a ticket in your hand to be able to be there on the plane And what I ve got a right to expect is a bit of help from someone coming up and saying Siggie Someone to come up and say my name It s a tremendous bit of help when someone remembers your name when they come up and say Siggie It s terrible when someone comes up and opens his mouth to speak but says nothing Blurb Act 3 As a director I was immediately impressed by the inherent theatricality of the play of what constitutes a theatrical event In this work that gives us not just a play but an experience of the struggle for creation Peter Batey Artistic Director **Bullsh** Bill Reed, Ron Edwards, 2015-06-02 A humorous narrative writtenn for nthe stage around Ron Edwards best selling book Australian Yarns Living on Mars Bill Reed, 2016-01-16 A harvesting of 6 full length plays by Bill Reed which have not been published in book or ebook form before yet were performed by professional companies **Tasker** **Tusker Tasker** Bill Reed, 2015-01-14 John Tasker is a divided but enjoined man Physically he is running from the law while hunting down his own father just as his father used to track down the wild tuskers in Sri Lanka At the same time mentally he is tracking down his murderous brother s enemies imaginably or not with a deadly efficiency Adding to his confusion is how his indolent lawyer s job in the Attorney General s Department has itself suddenly become fraught with danger for his own personal safety The resultant clash that erupts between his fervently adopted Australia and his fervently rejected Sri Lanka isn t helping the mental chaos he is thrown into on an otherwise perfectly acceptable day One trouble is his state of being so enjoined Through his own mind s eye he sees how his own milieu has been drawing him inevitably towards the cliff s edge Also through his and his brother s mind s eye he sees too much of the terrorizing worldwide Tamil organizations and from a close up much too gory And through his and his father s mind s eye he sees no good nurture purpose to his existence except the sighing and dying and the leavings from him He can see how it s all so willfully like his father s wild snared tuskers endeavouring to escape trying to drag the lines dragging the antler d sambhur s skulls through the hopelessly impossible bush On top of all this he has the living scaffold of the Sri Lankan Inspector Ekanayake now and ever looming over him The Inspector doesn t care a hoot about any mind s eye or mind s eyes bloody ing hell sorry He only cares for the hunt s

conclusion and how John Tasker should know it What is the Inspector doing in Canberra and asking so many pointed questions What might he know about the shadowy and murderous Tasker twin brother with apparently the justified alias of Tusker All John Tasker can now see is how his world and the manic world of his fearsome brother are being forced to converge so suddenly and so bizarrely This is the first title in the ongoing Inspector Ekanayake series **The Wild Waves Whist** Bill Reed,2018-01-26 Come unto these yellow sands And then take hands Curtsied when you have and kiss d The wild waves whist He was so good at Serious Matters but the trouble was people never took him seriously let alone kept dying around him Nor did it help that he was the wrong person in his body such that the precocious girl child who claimed to be the better fit kept nagging him while they bobbed along the shipping lanes of the Indian Ocean He shouldn t have shouted Left when it should have been Right to send his Humvee into an Afghani roadside bomb He shouldn t have left his darling wife and bubba to be alone in their Queenslander while he dabbled in giving witness to the whole of Sydney s woes He should have honoured his Sri Lankan heritage and his becoming Australian more He should have popped some pill or whatever to get rid of the Bard He shouldn t have married himself to the problem of the Australian Aborigines in its sexier form and its sweeter siren songs only to find there are no words left only the shuffle within the dandruff drifts of falling cigarette ash His Petey the clown s plaffy shoes didn t help his image either In fact he wasn t embedded in anything at all He was merely bobbing along with the washes And concerning calm surfaces very sloppily too Plus there were too many snakes in the world

The Shadow Teller's Plays Bill Reed,2017-12-13 In a volume containing 14 original plays including three shadow play adaptations of Gogol Morton and Runyon classics the author resurrects a sadly neglected theatre genre the shadow play combining traditional shadow techniques with normal acting to create full bodied mainstream plays These plays do not use shadow puppetry type techniques that need people contorting themselves however wonderfully to form shapes but rather normal acting prowess together and usual props of mainstream theatre with the new back lighting technologies The result is plays which are realistic and yet overlain with the imaginative fantasies that figure theatre can bring in a fallow area lying between mime and conventional stage plays a rediscovered form of a modern staging that crosses between live and shadow effect whether in workshopping for all ages and group size or for professional productions Shadow plays comprise the theatre landscape for live actors re skilled to jump from behind the screen one dimensional acting to front of the screen three dimensional acting at any moment of the play They allow a new and exciting way of presenting the combination of the real and the surreal in ways that offer broadened audience and student experiences under the master of storytelling of a shadow teller together with the master of pacing of a mobile light spotter Throw Her Back Bill Reed,2018-01-10 Smith and then his son Terry found they were just as snagged on Hindu s damning wheel as their forebears had been for over 170 years until the family finally managed to carry on to Australia The two of them thought they could ride belatedly to the rescue of Terry s once little she twin who was simply never handed over at the adoption ceremony those years before especially since they

discovered she had escaped being returned to sender at birth as some sort of yoni assembled piece of mis s manufacture But they found themselves caught in the spokes of child rackets caste delusions and probes into the country s female gender issues that are only attached by wires to ultrasound machines Nandi Baba the Kapalika priest with his best brandy Tantra practices gave them hope of saying enough s enough until his conjured Hag goddess a quiver sexually came down upon them The book is set in Australia India and Sri Lanka and is fictionally based on real events and most devastatingly on even Indian Government statistics showing in many places mathematically impossible discrepancies between official birth rates of boys over girls

The Rhyming Cutlets of Pirip Bill Reed,2021-03-24 We cannot blame Charles Dickens for not meeting our national Arts treasure Philip P Pirip but go blame yr rottern Fate whos flushs beat yr faces straights It could be said though Dickens did lend his major characters to Philip P Pirip although lend might not be the best word rather freedom opened the door to its wide open spaces to allow them to escape and give vent to their grievances with their famous author seeing as to how he never once mentioned the fabulous Surnev diamonds that they once had their hands on and now wanted back at whatever cost to literature Fabulous royalties might have been Charles Dickens s lot but the diamonds were the only avenue for riches beyond creative writing for Miss Haversham Estella Mister Jaggers Compeyson Orlick Bidly and a whole cast of actors and naked actresses who now demanded their jewel dues and were willing to kill for them That escape fell to them after Great Expectations found its way onto one of the heaps in the rubbish tip that was beloved of Pirip and in fact the location of his Tiphome a dump in itself From that fact it was only a short fictional distance for the Dickens s characters to land on Pirip s lap with a vengeance They came to lap but I stukk out tongue take thapt How our hero struggles with them might not be in any universal history books but in artistic circles it set the standard for the license to cull Wi Bill

Reed,2017-08-28 In Lanka the Australian Wi becomes the world champion in the number of kidnaps he suffers while being hired out by his nabbers to anyone who wants to use a foreigner to do what he or she has always wanted to do and never been game to

The Wolfman of Oz Bill Reed,2020-06-04 Y ou could say man into wolf and wolf into man got blasted into existence You could also say the Tasmanian Aborigines and the Tasmanian Wolf got blasted out of existence It s called extinction and it lasts forever and when Ihe the wolfman did the sums of early Tasmania it all added up This was except for one thing the existence of the truly last Thylacine Wolf hiding out somewhere life giving and life preserving from the ever hunters and the always killers This made it all the more urgent for Ihe to find the great beast first in order to brace up its unique animal kind courage before they tracked it down They are always tracking it down But Ihe was Man and also Wolf as one and he was on the scent too that for every eye done to extinction was a human hunter s eye and for every done in eye tooth was a human hunter s tooth And for flesh what better than human flesh But first there was his famous arch enemy to hunt down and run from both It was bad enough when he planted his foot in the wrong place and the Army s report about it concluding In any hairy situations this will undoubtedly change how he gets a lot of looks But what would the Army know

about the trauma that transmogrifies It's always been nits or nothing with him anyhow It's just that I he the wolfman didn't want to end up like the presumed last Tasmanian Wolf hanging from a rafter That great shame
