Mr Spock Do You Read Me:

Do You Read Me? J.F. Miller, 2018-05-11 A fascinating and compelling exploration of the learning process for parents teachers and anyone with an interest in education Reading and writing are fundamentally about the communication of meaning Yet when a child has difficulty in learning to read and write the one area that is never seen as having any relevance is the child s life experiences The author s contention is that the concept of dyslexia is something that has been invented rather than discovered in order to evade the question of meaning and the understanding of the individual Based on the author s thirty years experience of both educational psychology and analytical therapy the book sets out a radical approach to learning difficulties in which the primary assumption is that there will usually be underlying emotional conflicts tensions and anxieties Any learning disability is thus more likely to be the symptom of less evident personal difficulties rather than a problem in itself The book examines with examples typical patterns of personal and emotional difficulty that give rise to learning problems

Mr Spock, Do You Read Me? Mary Horodyski, 1986 Gentle humorous poems from a consciously feminist point of view Erotic and introspective with a light but sure handed approach to serious contemporary issues

Decca Jessica Mitford, 2025-08-26 Born into the British aristocracy as one of the famous and sometimes infamous larger than life Mitford sisters, Jessica Decca Mitford ran away first to Spain during the Spanish Civil War and then to America. She became a tireless political activist and a member of the Communist Party, then embarked on a brilliant career as a memoirist and muckraking journalist. She was a celebrated wit, a charmer, and throughout her life a prolific and passionate writer of letters, now gathered here. Decca's correspondence crackles with irreverent humor and mischief and with acute insight into human behavior that attests to her extensive experience in the worlds of politics, the arts, journalism, publishing, and high and low society. Here is correspondence with everyone from Katharine Graham and George Jackson, Betty Friedan, Miss Manners, Julie Andrews, Maya Angelou, Harry Truman, and Hillary Rodham Clinton to Decca's sisters, the Duchess of Devonshire, and the novelist Nancy Mitford, her parents, her husbands, her children, and her grandchildren. Edited by Peter Y. Sussman.
