Uncross Your Legs Stan Herman, 2025-07-01 In *Uncross Your Legs A Life in Fashion* learn the story behind the man whose vision over 60 years has dramatically helped forge and transform American style On any given day more people will be wearing Stan Herman than any other American fashion designer As he continues to work and thrive in his 95th year Herman is the most acclaimed uniform designer of our time But that is just part of a life well lived and well loved In *Uncross Your Legs A Life in Fashion* Herman reflects on a remarkable life and career from his childhood in Brooklyn NY and Passaic NJ to WWII Army service in Europe and back to NYC as a young freelance designer in the fashion hothouse of the Garment District Next up 16 years as head of the Council of Fashion Designers of America where he was instrumental in bringing New York Fashion Week to Bryant Park all the while continuing his thriving uniform and leisurewear design business It s also a deeply moving and insightful memoir following personal triumphs and tragedies including his nearly 40 year relationship with novelist Gene Horowitz who suffered a heart attack and passed away in 1992 Together they lived their lives in the shadow of the AIDS crisis that decimated their personal and professional worlds They also shared a beloved poodle named Mozart who helped fill the void when Herman found himself suddenly alone With equal aplomb Herman writes with good humor and compassion recalling the cruel and casual racism he witnessed in the military his focus on animal rights in the fashion industry as well as encountering the indignities of one s aging anatomy Learn the story behind the man whose vision over 60 years has dramatically helped forge and transform American style
