Mr President A Spiritual Journey:

Mr. President Colin D. Mallard, 1995-08-01 MR PRESIDENT is a story of wisdom courage love Someone called it a political spiritual thriller An honest man a sage assumes the highest office in the land He deals with events before him while amongst his fellow citizens is a deep cynicism toward the political process A conflict erupts in the Middle East a lovely tale unfolds of a Sufi shepherd in the mountains of south Lebanon A modern master he interacts with his disciples while around him guerrilla warfare unfolds These men the shepherd the president come from vastly different cultures yet interact in harmony with the events taking place They are lovers of life for in them the ultimate realization has occurred MR PRESIDENT is a modern parable which speaks to us of ourselves One man who read it said Although it was a page turner I felt afterwards a sense of ease I could relax again enjoy the great drama of life as it unfolds Ordering Wild Duck Publishing P O Box 909 Kapaau HI 96755 Tel FAX 808 889 5086 E Mail cmallard ilhawaii net The President's Angel Sophy Burnham, 2016-03-08 The angel appeared in the White House without warning no blowing of trumpets or rushing of wings It stood by the President's bed radiant white Its eyes were pools of love Its light flooded the bedroom surrounding and engulfing the President The angel faded without saying a word but its appearance forever changed the fate of the world Millions of readers have come to cherish Burnham's glorious A Book of Angels and Angel Letters Now in her deeply moving novel The President's Angel Burnham weaves the divine grace of angelic apparition into a compelling tale of politics passion a spiritual awakening and the world on the brink of annihilation Matthew Adams is the popular vital President of the United States Wars rage Drought and famine spawn violence and migrations Weapons of mass destruction tempt mad generals Fear and despair clamp a stranglehold on the spiritual life in America In a world gone mad the human race sullenly awaits its doom And then an angel appears to the President This is the story of what happens when the most powerful man on earth experiences a spiritual enlightenment His colleagues think he has gone crazy Some plan a coup Woven throughout the book are what Burnham calls commentaries the world as seen from the point of view of angels Christ or God A novel about the eternal dualities of salvation and despair joy and terror love and brutality It unfolds in a great uplifting rush of inspiration Burnham has heard the laughter of angels and fathomed the dark mysteries of the human heart In The President's Angel she gives a work to treasure and to muse on in our minds and hearts **Lincoln's Secluded Retreat: Unveiling the President's Hidden Haven** Pasquale De Marco, 2025-03-07 Within the tranquil grounds of the Soldiers Home nestled amidst lush greenery stood a hidden haven Lincoln's Cottage This unassuming retreat served as a sanctuary for President Abraham Lincoln a place where he could escape the tumultuous pressures of the White House and the Civil War In this captivating book we journey into the world of Lincoln's Cottage uncovering the stories and secrets held within its walls Through the eyes of Lincoln and those who surrounded him we witness the transformation of a humble cottage into a presidential sanctuary We explore Lincoln's daily routine at the cottage from managing the affairs of state to receiving visitors and advisors We

delve into his relationships with family friends and political allies witnessing the evolution of his image from a lanky politician to an iconic leader The cottage also played a pivotal role in the Lincoln marriage Mary Lincoln struggling with depression and ill health found solace and support within its walls Despite their challenges the couple shared moments of joy and companionship finding a measure of peace amidst the turmoil of the Civil War Beyond its historical significance Lincoln s Cottage offers lessons in leadership resilience and the importance of seeking respite in times of adversity It is a reminder of the power of solitude reflection and the enduring spirit of one of America s greatest presidents Join us on this journey through Lincoln s Cottage a place where history unfolded and a president found renewal and strength Discover the hidden stories explore the evolving legacy of Abraham Lincoln and gain a deeper understanding of the man who steered the nation through its darkest hour If you like this book write a review

Wayward Christian Soldiers Charles Marsh,2008-10-27 In Wayward Christian Soldiers leading evangelical theologian Charles Marsh offers a powerful indictment of the political activism of evangelical Christian leaders and churches in the United States With emphasis on repentance and renewal this important work advises Christians how to understand past mistakes and to avoid making them in the future Over the past several years Marsh observes American evangelicals have achieved more political power than at any time in their history But access and influence have come at a cost to their witness in the world and the integrity of their message The author offers a sobering contrast between the contemporary evangelical elite which forms the core of the Republican Party and the historic Christian tradition of respect for the mystery of God and appreciation for human fallibility The author shows that the most prominent voices in American evangelicalism have arrogantly redefined Christianity on the basis of partisan politics rather than scripture and tradition The role of politics in distorting the Christian message can be seen most dramatically in the invasion of Iraq he argues Some 87% of American evangelicals supported going to war while every single evangelical church outside the United States opposed it The Jesus who storms into Baghdad behind the wheel of a Humvee Marsh points out is not the Jesus of the Gospel Indeed not since the nazification of the German church under Hitler has the political misuse of Christianity led to such catastrophic global consequences Is there an alternative This book proposes that the renewal of American churches requires a season of concentrated attention to faith s essential affirmations a time of hospitality peacemaking and contemplative prayer Offering an authentic Christian alternative to the narcissistic piety of popular evangelicalism Wayward Christian Soldiers represents a unique entry into the increasingly pivotal debate over the role of faith in American politics With Wayward Christian Soldiers Charles Marsh again shows that he is one of the most astute observers of evangelicalism today Jim Wallis author of God s Politics

,1969 *Transformational Leadership and the Modern Presidency* Andrzej Demczuk,2023-06-15 This book seeks to analyze the leadership of three presidents Bill Clinton George W Bush and Barack Obama as well as to examine the impact of the presidents leadership had on the leadership of the advisers they worked with during their presidencies Transformational

leadership a term first introduced by James MacGregor Burns describes a process in which leaders and followers help each other to advance to a higher level of morale and motivation In order to measure transformational leadership Bernard M Bass s model which includes four elements an idealized influence inspiring motivation intellectual stimulation and individual treatment is applied throughout It is crucial to conduct an analysis of the relationships between the examined three presidents and their advisers in order to demonstrate if the subordinates excelled in leadership because of the presidents leadership skill

American Presidents, Religion, and Israel Paul Merkley, 2004-07-30 Shortly after the end of the Second World War President Harry S Truman declared his support for the creation and maintenance of the modern state of Israel basing that support on religious and theological grounds This is the first book to explore the connection between the religious backgrounds and beliefs of U S presidents in relation to their policies toward Israel From Truman to Ford U S presidents relied in part on their religious and moral commitments to support their policies and views toward Israel Beginning with Carter however presidents have abandoned the role of champions of Israel to become champion of the Peace Process stressing peace and a secular approach that rises above the religious and theological fray And yet even in the context of this attempted fair mindedness U S presidents reveal their personal religious and moral beliefs in their responses to the issue of Israel Today George W Bush one of the most vocally religious presidents seems poised to take up the tradition once again of relying on his religious convictions to justify his positions toward the Arab Israeli conflict Here Merkley argues that while faith alone does not determine action or that it even has a controlling influence religious belief does play a role in the policies that U S presidents and the nation adopt toward Israel When Truman declared I am Cyrus he was emphatically grounding his support of the modern state of Israel in his belief in the Bible Referring to the Persian king who allowed the Jews to return to Israel and to build the Second Temple Truman revealed his religious commitments and supported his policies on biblical grounds Bringing to the fore neglected evidence of the role of religious belief in policies toward Israel Merkley explores an overlooked aspect of presidential decision making suggesting that religion while not the only factor is at least among the influences that determine a president s view of the Arab Israeli conflict From Truman to Ford policies often reflected the Evangelical traditions that dictated unyielding support of Israel but with Carter s commitment to the peace process above all else the trend turned toward moral absolutes and more general religious beliefs that could sustain arguments for a negotiated peace George W Bush thus far however has clearly demonstrated his personal religious beliefs and may in the end reclaim the mantle of Cyrus

Politics is often referred to as a battle of thrones As life in the spirit politics also has its roots in the spirit Spiritual
intelligence is essential in politics as it is a battle of souls that determines who gains control over state resources The number
of voters plays a crucial role in elections but the spiritual intelligence of leaders and organizations is often overlooked
Governing positions are considered spiritual with thrones traditionally inherited by kings The book emphasizes how applying
spiritual intelligence derived from the Bible will bring order justice righteousness prophetic instructions and welfare to the
political system All believers should be united to choose righteous leaders to rule over them across all nations politically
Ultimately the call is for every citizen and leader in organizations and societies to return to godly principles and values to
gain peace prosperity and justice This is how we can hand over a Godly nation to the next generation that loves and honor
God in all their deeds Recapturing the Oval Office Brian Balogh, Bruce J. Schulman, 2015-09-04 Several generations of
historians figuratively abandoned the Oval Office as the bastion of out of fashion stories of great men And now decades later
the historical analysis of the American presidency remains on the outskirts of historical scholarship even as policy and
political history have rebounded within the academy In Recapturing the Oval Office leading historians and social scientists
forge an agenda for returning the study of the presidency to the mainstream practice of history and they chart how the study
of the presidency can be integrated into historical narratives that combine rich analyses of political social and cultural history
The authors demonstrate how bringing the presidency back in can deepen understanding of crucial questions regarding race
relations religion and political economy The contributors illuminate the conditions that have both empowered and limited
past presidents and thus show how social cultural and political contexts matter By making the history of the presidency a
serious part of the scholarly agenda in the future historians have the opportunity to influence debates about the proper role
of the president today Contributors Brian Balogh University of Virginia Michael A Bernstein Tulane University Kathryn
