Mrs. Hornsdecker Shawn Frohmuth,2005-09 In the living room Bessi sits on the couch and begins to explain her dreams I first remember being in a tall pine tree with a warm breeze teasing the needles Then I realized that I was hanging from a branch by my hands and a green pig suddenly appeared introducing himself as your father He asked me to lift up my feet and he would swing me out into the soft pine needles I don t know why I trusted him but I did I lifted up my legs and he clamped onto my ankles He told me to let go of the branch and I did As I fell backward the warm air soothed me and for a moment I felt light and free Then suddenly the green pig let go of my feet and I began to fall I kept falling through the branches until I woke Bessi says shrugging her shoulders and looking at Lewis who just stared at her I wish I had dreams like that Mom Lewis says Mrs Hornsdecker s strange dreams are beginning to interfere with her life She wants to understand them but her husband can t comprehend her obsession and doesn t think she needs to waste her time worrying Will Mrs Hornsdecker find out the real cause of her dreams or will she forever remain in the dark *Amy's Dreams* Wes E. Her Dream Come True Donna Clayton,2011-07-15 IF WISHES WERE WEDDINGS Her dreams had been simple when she left for Little Haven A reunion with her long lost sister and then a return to city life and her stellar career But when Hannah Cavanaugh stepped foot in her small hometown once again she discovered she needed more And from the moment she set eyes on ruggedly handsome Adam Roth she knew what she needed was him Something about Adam had Hannah yearning for a home filled with happiness and children and love But now that she d discovered what she wanted in his strong and loving arms did she have the courage to win this eligible bachelor s heart Living IN A Supernatural Dream The story Krystal Joan Marie Duhart,2024-03-24 Hello my name is Krystal Duhart and based upon a set of very unique dreams I had in 2020

when I lived in Atlanta Ga I decided to write a book about them These dreams were so real that at times it was very difficult to tell when I was dreaming and when I wasn't But that wasn't the weirdest part by a long shot The weirdest part was that I could literally feel things in my dreams as though they were happening in real life During the day I would be living my regular life but at night when I fell asleep and began dreaming it was like I would travel to another world During that time I would interact with a couple of handsome young men who called themselves Supernatural hunters During the course of my dreams I ended up forming a relationship with one of them and we fell desperately in love However because I knew that I was dreaming I could not in all honesty continue the relationship because I knew it wasn't real Nevertheless as I said before our relationship didn't feel like it was a dream it felt like it was real life What was I to do throw away the most beautiful thing that ever happened to me because it was just a dream What would you do continue hoping things might change or because you know it's only a dream permanently end things The choice at least for me wasn't very easy Getting back to my dreams I ended up not only becoming involved with this man Jason I ended up becoming involved in the man's professional work as well However because I couldn't control when I'd wake up and re-enter my dreams I had to deal with time loss and that threw a crimp in our relationship But according to Jason when I supposedly woke up apparently I never left my dream world When I confronted my lover about this he was extremely confused and said that's impossible baby you've been with me the whole time This completely baffled me and I literally tried to seek professional help concerning the matter but they said they couldn't see me for a full 2 months I am still unsure of why I had these dreams I don't know if God was trying to show me something in them or if I may have eaten too much pizza before bedtime Lol Because I often had these dreams on consecutive nights and the characters in them never changed I felt that maybe God was trying to convey an important message to me Perhaps you can help me discern the true reason for my dreams Thank you God bless

Dream Family J.J. DiBenedetto, 2014-03-20 Dr Sara Alderson didn't think she had a problem in the world when she walked into the office for her first day as a partner in her own medical practice And then the police showed up and arrested her for a crime she couldn't possibly have committed Twenty four hours later after a horrifying day and night in jail Sara comes home a different and completely broken woman Clearing her name is her first challenge but that's nothing compared to the task of rebuilding her shattered psyche And the only way she can do that is with the help of the supernatural dreams the same dreams that have nearly cost Sara her sanity and almost got her killed in the past Dream Family is the third book of the Dream Doctor Mysteries
