Mrs Lavenders Herbal:

The History of Domestic Plant Medicine Gabrielle Hatfield, 1999-09-10 The debt medicine owes to botany is not commonly appreciated In the past medicine relied almost entirely on plants and even today many western medicines are plant derived Despite this historians have largely neglected the study of domestic medicine practised by the ordinary person and passed down through generations in favour of official medicine The History of Domestic Plant Medicine brings together manuscripts letters diaries personal oral interviews and other primary evidence to produce a detailed picture of the medicinal use of native plants in Britain from 1700 to the present day Recording for posterity this neglected aspect of our heritage it is a valuable contribution to the study of the folklore of modern Britain and a fascinating piece of social history

Herbal Supplements and the Brain S.J. Enna, Stata Norton, 2012-05-07 Today many manufacturers of plant based neuroceuticals claim their products can offer powerful benefits in brain function However the US government does not require these manufacturers to demonstrate their products effectiveness leaving it difficult for consumers and health professionals to make decisions about the benefits and risks In *Herbal Supplements and the Brain Understanding their Health Benefits and Hazards* two leading researchers provide this crucial information in clear language any intelligent reader can understand and use They begin by introducing the fundamental principles of pharmacology explaining how drugs and natural products can affect the body's organs and organ systems Using examples they show how to determine whether an ingested substance can enter the bloodstream and reach its target at a concentration sufficient to have an effect They also explain how natural products may influence blood levels of other substances and discuss whether such interactions may diminish the effectiveness of prescription medications or alter normal body chemistry Throughout the authors emphasize factors relating especially to neuroceuticals and the brain Individual chapters are devoted to nutritional supplements which promise to enhance memory relieve pain safely promote sleep and aid in the treatment of depression or anxiety Specifically readers will find research based coverage of Ginkgo biloba St John's Wort Valerian Lemon Balm Kava Lavender Kudzu Daffodil Passion Flower and Camellia Tea and other caffeinated beverages
