Nuggets Recipes Good As Gold:

Nuggets, Recipes Good as Gold ,1983-01-01 Baking Across America Arthur L. Meyer,John A. Wilson,1998 Baked goods have always been a popular comfort food for Americans and this compilation of more than three hundred recipes culled from regional cookbooks dating from 1890 to the present celebrates the history and warmth of bread baking UP

Nuggets of Gold Patrick Dixon,2024-10 For McDonald s the Chicken McNugget the flagship product of further processed chicken represented a once in a generation innovation a snack item that quickly evolved into a meal spawned a legion of imitators and gained a large share of the global poultry market Yet almost as soon as the McNugget made its North American debut it quickly became the subject of opprobrium and ridicule taking on a symbolic status among serious food connoisseurs as an indication of Americans culinary decline and a growing disconnection between diners and the origins of the food that they ate During a time of rising beef prices and growing health concerns regarding red meats the Chicken McNugget was received as a lighter alternative to traditional burger meals clean and easy to consume popular with children and adaptable to busy on the go lifestyles of working parents Consumers understood that they were not purchasing a premium product made from the finest cuts but selected the McNugget as a rational economic purchase that represented a new way of dining In reassembling the rise of poultry in the United States *Nuggets of Gold* presents a multilayered approach connecting the entwined stories of workers and industrialists with restaurateurs and consumers the former geographically moored within the South the latter diverse and nationwide Patrick Dixon centers further processed chicken within an analysis of the U S food system that demonstrates that consumers did not unwittingly succumb to a junk food diet but made deliberate and aspirational decisions based on conceptions of leisure lifestyle and bodily needs **Publishers Directory** ,1998 **Paleo**

Animal Crossing: New Horizons Noah Wardrip-Fruin,2025-10-09 Can a game take care of us And do we want it to Animal Crossing New Horizons was released on March 20 2020 just as a pandemic kept many from family work restaurants and the rest of their regularly scheduled lives At its height the game averaged one million copies sold per day as players sought comfort escape and a virtual means of connection In this book game scholar Noah Wardrip Fruin isolated with his family by both lockdown and disability explores the power of this game and the mixed emotions of a player and a parent trying to make it from one day to the next while his kids obsession with Animal Crossing creates conflicts between them and pushback against family rules Wardrip Fruin helps both Animal Crossing fans and newcomers understand the unexpected beneath the game s surface like

the story of the first Animal Crossing codesigned by an absent father seeking connection like the hallmarks of video game manipulation from streak bonuses to game determined playtimes like the appeal of endless shopping in a kind of safe capitalism and of course like the character quirks of a raccoon dog Tom Nook who provides a world of both safety and strange paternalism For many this blockbuster game offered a comforting world compared to a reality of danger In this first entry in the Replay series Wardrip Fruin offers an absorbing investigation of a game s role in contemporary social life and a book that belongs on the shelf of anyone who loves or is puzzled by this Nintendo sensation **The Ladies' Home Journal**
