Quantum Leap Thinking An Owners Guide To The Mind:

Quantum Leap Thinking James J Mapes,2003-04-01 Positive change can happen in sudden and profound leaps Quantum Leap Thinking provides the foundation for breakthrough thinking that will trigger astonishing growth in your personal and professional life What if it was possible to break through fear and make positive changes in your life in an instant by a simple shift in your mindset What if you could lower your anxiety in a matter of seconds by changing your perceptions How would your life change if you had unshakable motivation for whatever you chose to do Quantum Leap Thinking is the key to unlocking the door to new found potential and peak performance You ve certainly hit the nail on the head If I had read Quantum Leap Thinking at the age of 20 I could have saved many many mistakes and a helluva lot of wasted effort Clive Cussler bestselling author An extraordinary guide to thinking your way to the next level in your life within your career your relationships or your self Joan Lunden journalist and author Quantum Leap Thinking is an opportunity to get our energy out and target it in the direction of great productivity leaving us with a feeling of accomplishment Leon Tec M D author of The Fear of Success and Targets

Quantum Level Business Model: A New Managerial Perspective Maria Teresa Cuomo,Pantea Foroudi,2025-07-02 Embracing complexity as an opportunity this groundbreaking book introduces Quantum Level Management an agile probabilistic and interconnected approach to business By applying principles from Quantum Science it offers a radically new framework for strategic planning decision making and organizational design A key contribution is its ambidextrous logic the ability to balance structure with flexibility control with creativity and stability with innovation A dedicated section explores real world applications in financial markets a critical arena for testing and advancing Quantum Technologies With critical insights practical tools and compelling case studies this book empowers students scholars executives and entrepreneurs to navigate an uncertain and dynamic quantum environment *Individual Schools, Unique Solutions* Adrian Raynor,2013-04-15 Effective school leadership depends on developing an understanding of people organisational learning and organisational processes However each school has a unique set of circumstances Prescriptions for leadership that apply to one school may well not apply to another Individual Schools Unique Solutions turns away from the highly prescriptive management practices that often fail to provide a workable solution to specific problems in schools Adrian Raynor demonstrates that by understanding the process influencing any situation a creative solution can be achieved The book draws on systems theory and aspects of complexity theory While addressing many of the issues commonly faced by headteachers the principles described are equally important for all levels of school management and the book will be of interest to all those in management positions in schools Ultimately this book is about developing effective leadership through understanding and is a guide to thinking afresh rather than looking for another quick fix prescription **Running from Tenda Gyamar** Lesley Freeman,2013-04-26 Leaving her job in London selling her home leaving family friends Lesley travelled to India to be a volunteer teacher in a vocational training centre in Northern India She learnt of the struggles

Tibetan children endure escaping torture violence and oppression by the Chinese authorities in their homeland Tibet They witnessed the torture and murder of parents brothers and uncles They are educated in Tibetan schools in India many are orphans and destitute For 2 years Lesley lived with the Tibetan community in the VTC and then a mountain village Rajpur undertaking voluntary work and raising sponsorship to support the children s education In this book Lesley describes her own ups and downs of living with both Indian and Tibetan cultures and recounts the poignant stories of the children describing in their own words the suffering they escaped and what their hopes are for the future
