Raskolnikov And Others:

Raskolnikov and Others Edward Sagarin,1981-01-01 **Raskolnikov's Rebirth** İlham Dilman,2000 Author İlham Dilman explains why a thoughtful psychology encompassing the varied modes of being experienced by humans is the best tool for investigating the nature of good and evil To illustrate he employs Raskolnikov Dostoyevsky's axe murdering protagonist in *Crime and Punishment* following his alienation from goodness his return to it and finally his ethical rebirth

Approaches to Teaching Dostoevsky's *Crime and Punishment* Michael R. Katz,Alexander Burry,2022-04-05 Offers techniques for teaching Dostoevsky's *Crime and Punishment* in undergraduate graduate and high school classrooms Topics include ethics gender money Orthodox Christianity psychoanalysis social justice teaching in prison and the use of digital media and film adaptations

Staging and Stage Décor: Perspectives on European Theater 1500-1950 Bárbara Mujica,2023-05-09 *Staging and Stage Décor Perspectives on European Theater 1500-1950* is a compendium of essays by an international array of theater specialists The Introduction provides an overview of theater décor and architecture from ancient Greece through the Renaissance and beyond while the articles that follow explore a variety of topics such as the development of lighting techniques in early modern Italy the staging of convent theater in Portugal performance spaces at Versailles the reconstruction of the Globe theater and Shrovetide plays in Germany This volume also offers insight into little studied subjects such as the early productions of Brecht and the spread of Russian theater to Japan The focus on performance and performance space across centuries and continents makes this a truly unique volume

Dostoevsky's "Crime and Punishment" Deborah A. Martinsen,2022-02-22 *Crime and Punishment A Reader's Guide* focuses on narrative strategy psychology and ideology Martinsen demonstrates how Dostoevsky first plunges the reader into Raskolnikov's fevered brain creating sympathy for him and she explains why most readers root for him to get away from the scene of the crime Dostoevsky subsequently provides outsider perspectives on Raskolnikov's thinking effecting a conversion in reader sympathy By examining the multiple justifications for murder Raskolnikov gives as he confesses to Sonya Dostoevsky debunks rationality based theories Finally the question of why Raskolnikov and others including the reader focus on the murder of the pawnbroker and forget the unintended murder of Lizaveta reveals a narrative strategy based on shame and guilt

Yuri Lyubimov: Thirty Years at the Taganka Theatre B. Beumers,2003-09-02 A study of Yuri Lyubimov's tempestuous career and his style of theatre This work traces the development of his ideas from his arrival at the Taganka Theatre in 1964 through to his expulsion in 1984 and his period of exile in the West until his return in 1989 to a much changed Russia

Dostoevsky Joseph Frank,2009-10-19 A magnificent one volume abridgement of one of the greatest literary biographies of our time Joseph Frank's award winning five volume *Dostoevsky* is widely recognized as the best biography of the writer in any language and one of the greatest literary biographies of the past half century Now Frank's monumental 2 500 page work has been skillfully abridged and condensed in this single highly readable volume with a new

preface by the author Carefully preserving the original work s acclaimed narrative style and combination of biography intellectual history and literary criticism Dostoevsky A Writer in His Time illuminates the writer s works from his first novel Poor Folk to Crime and Punishment and The Brothers Karamazov by setting them in their personal historical and above all ideological context More than a biography in the usual sense this is a cultural history of nineteenth century Russia providing both a rich picture of the world in which Dostoevsky lived and a major reinterpretation of his life and work Portrait of the Psychiatrist as a Young Man Allan Beveridge,2011-08-25 RD Laing remains one of the most famous psychiatrists of the last 50 years In the 1960s he enjoyed enormous popularity and received much publicity for his controversial views challenging the psychiatric orthodoxy He championed the rights of the patient and challenged the often inhumane methods of treating the mentally ill Based on a wealth of previously unexamined archives relating to his private papers and clinical notes Portrait of the Psychiatrist as a Young Man sheds new light on RD Laing and in particular his early formative years a crucial but largely overlooked period in his life The first half of the book considers Laing s intellectual journey through the world of ideas and his development as a psychiatric theorist An analysis of his notebooks and personal library reveals Laing s engagement not only with psychiatric theory but also with a wide range of other disciplines such as philosophy literature and religion This part of the book considers how this shaped Laing s writing about madness and his evolution as a clinician The second half draws on a rich and completely unexplored collection of Laing s clinical notes which detail his encounters with patients in his early years as a psychiatrist firstly in the British Army subsequently in the psychiatric hospitals of Glasgow and finally in the Tavistock Clinic in London These notes reveal what Laing was actually doing in clinical practice and how theory interacted with therapy The majority of patients who were to appear in Laing s first two books The Divided Self and The Self and Others have been identified from these records and this volume provides a fascinating account of how the published case histories compare to the original notes There is a considerable mythology surrounding Laing partly created by himself and partly by subsequent commentators By a careful examination of primary sources Allan Beveridge both a psychiatrist and an historian examines the many mythological narratives about Laing and provide a critical but not unsympathetic account of this colourful and contradictory thinker who addressed questions about the nature of madness which are still being asked today This book will be of interest to mental health workers and social historians alike as well as anybody interested in the philosophy of psychiatry Past and Present Political Theology Dennis Vanden Auweele,Miklos Vassányi,2020-04-02 This book demonstrates how discussions of Political Theology have been a constant feature throughout philosophical modernity and that they continue to impact contemporary political debates By tracing the historical roots and detailing the contemporary outworking of Political Theology in Europe it contends that this growing field requires a broader canon in order for it to mature Political Theology is shown here to be about the diversity of relationships between religious beliefs and political orientations First engaging with historical debates chapters re examine the relationship between personal conviction and

societal orientation on such topics as the will to believe evil individualism the relationship between church and state and the relationship between belief and natural science The volume then establishes the relevance of these debates for the present day As such it invites engagement on the back and forth between religion and politics in a liberal democracy and a communist state on how communitarianism relates to religious language on the diversity of Christian and Jewish political theology and the politics of toleration By broadening out the field of Political Theology this book offers the reader a more nuanced understanding of its sustained influence on public life As such it will be of interest to academics working in Political Theology but also Theology Philosophy and Political Science more generally

Faith Through the Prism of Psychology

Eugene Subbotsky, 2021-12-28 Faith Through the Prism of Psychology introduces readers to the structure and function of the inherent ability of our Self to invest objects with reality existentialization EXON The author moves away from traditional ideas of existence and faith arguing that it is an inherent ability of an individual mind to invest entities both objective and subjective with reality The book treats faith as a psychological ability of the mind to upgrade the existential statuses of imaginary entities such as ghosts or gods the working of faith is operationalized and analyzed in empirical psychological studies It presents a new model of investing objects with existence with such structural elements as the belief in object permanence BOP magic ordinary distinguisher MOD magic trick distinguisher MTD imaginary perceived distinguisher IPD BOP defense mechanism BOP DM and realities distinguisher RD It will be essential reading for anyone interested in existence from psychology philosophy art theology or psychotherapy backgrounds
