The Wizard of Us Volume I Michel Labrèche,2017-04-12 Life is an experience where we must emerge victorious over what prevents us from manifesting our reality In this collection of eight volumes the author defines us as human beings our psyche and the connection that exists between our body soul and Mind He answers fundamental questions that trouble us

deep down inside Who are we Where do we come from Where are we going He shows us how to remain objective about our subjective experience The author covers the origin of creation of the universe the emergence of man and the end of our world that progressively fades away He goes beyond the limits of psychology which restrain our attempt to grasp our real consciousness He shows us that the imperfection of our ego is at the origin of the wide array of emotions that afflicts us and enslaves humanity He explains the phenomenon of the degeneration of our physical body leading to death He shows us how to slow it down to finally reveal how to overcome it His research helps us understand our presence in the universe He demystifies the process of reincarnation and lifts the veil from the reality of paranormal phenomena He teaches us how to wake up the wizard that sleeps within us and how to set him free The author's vision constitutes an overview of the human adventure and of our destiny if we have the power and we manifest the Will to triumph from the burden which was imposed on us The only limits that we possess are the one which we cannot refute The author explores the scenarios of the end of this world in relation to the law of cycles which will lead to the birth of a new civilization where science will amaze and assist us into our exploration of life He shares his personal experiences with us as well as his comprehension of the lessons learned from them He gives us all the necessary tools that will finally enable us to deliver ourselves from the forces of decay in order to be able to escape from our terrestrial prison The first page of this collection opens the door to infinity and to our inner wizard
