# Reason Why Personal Promises And Help

**Anna Katharina Schaffner**

## **Reason Why Personal Promises And Help:**

*The Art of Self-Improvement* Anna Katharina Schaffner, 2021-01-01 A brilliant distillation of the key ideas behind successful self improvement practices throughout history showing us how they remain relevant today Schaffner finds more in contemporary self improvement literature to admire than criticize A revelatory book Kathryn Hughes Times Literary Supplement Self help today is a multi billion dollar global industry one often seen as a by product of neoliberalism and capitalism Far from being a recent phenomenon however the practice of self improvement has a long and rich history extending all the way back to ancient China For millennia philosophers sages and theologians have reflected on the good life and devised strategies on how to achieve it Focusing on ten core ideas of self improvement that run through the world s advice literature Anna Katharina Schaffner reveals the ways they have evolved across cultures and historical eras and why they continue to resonate with us today Reminding us that there is much to learn from looking at time honed models Schaffner also examines the ways that self improvement practices provide powerful barometers of the values anxieties and aspirations that preoccupy us at particular moments in time and expose basic assumptions about our purpose and nature

**Natural Reasons** Susan L. Hurley, 1989 This provocative study revives a classical idea about rationality by developing analogies between the structure of personality and the structure of society in the context of contemporary work in the philosophy of mind ethics decision theory and social choice theory *Reasons for Our Faith. Six Lectures on Modern Misrepresentations of the Christian Religion and the Christian Evidences, Etc* William ANDERSON (Minister of the Octagon Chapel, Bath.), 1874 *From Promise to Contract* Dori Kimel, 2003-03-14 Liberal theory of contract is traditionally associated with the view according to which contract law can be explained simply as a mechanism for the enforcement of promises The book bucks this trend by offering a theory of contract law based on a careful philosophical investigation of not only the similarities but also the much overlooked differences between contract and promise Drawing on an analysis of a range of issues pertaining to the moral underpinnings of promissory and contractual obligations the relationships in the context of which they typically feature and the nature of the legal and moral institutions that support them the book argues for the abandonment of the over simplified notion that the law can systematically replicate existing moral or social institutions or simply enforce the rights or the obligations to which they give rise without altering these institutions in the process and while leaving their intrinsic qualities intact In its place the book offers an intriguing thesis concerning not only the relationship between contract and promise but also the distinct functions and values that underlie contract law and explain contractual obligation In turn this thesis is shown to have an important bearing on theoretical and practical issues such as the choice of remedy for breach of contract and broader concerns of political morality such as the appropriate scope of the freedom of contract and the role of the state in shaping and regulating contractual activity The book s arguments on such issues while rooted in distinctly liberal principles of political morality often produce very different conclusions to those

traditionally associated with liberal theory of contract thus lending it a new lease of life in the face of its traditional as well as contemporary critiques      Reasons and Recognition R. Jay Wallace, Rahul Kumar, Samuel Freeman, 2011-09-08 Reasons and Recognition brings together fourteen new papers on an array of topics from the many areas to which philosopher Thomas Scanlon has made path breaking contributions each of which develops a distinctive and independent position while critically engaging with central themes from Scanlon's own work in the area      **Reasons for our faith, 6 lects. on modern misrepresentations of the Christian religion and the Christian evidences, with references and notes** William Anderson, 1874      Practical Reason in Law and Morality Neil MacCormick, 2011-04-28 The concept of practical reason is central to contemporary thought on ethics and the philosophy of law acting well means acting for good reasons Explaining this requires several stages How do reasons relate to actions at all as incentives and in explanations What are values how do they relate to human nature and how do they enter practical reasoning How do the concepts of right and wrong fit in and in what way do they involve questions of mutual trust among human beings How does our moral freedom our freedom to form our own moral commitments relate to our responsibilities to each other How is this final question transposed into law and legal commitments This book explores these questions vital to understanding the nature of law and morality It presents a clear account of practical reason valuable to students of moral philosophy and jurisprudence at undergraduate or postgraduate levels For more advanced scholars it also offers a reinterpretation of Kant's views on moral autonomy and Smith's on self command marrying Smith's moral sentiments to Kant's categorical imperative in a novel way The book concludes and underpins the author's Law State and Practical Reason series Taken together the books offer an overarching theory of the nature of law and legal reason the role of the State and the nature of moral reason and judgement      **Love, Reason and Morality** Katrien Schaubroeck, Esther Kroeker, 2016-07-28 This book brings together new essays that explore the connection between love and reasons The observation that considerations of love carry significant weight in the deliberative process opens up new perspectives in the classic discussion about practical reasons and gives rise to many interesting questions about the nature of love's reasons about their source and legitimacy about their relation to moral and epistemic reasons and about the extent to which love is sensitive to reasons The contributors to this volume orient questions related to love within the broader context of the contemporary discussion on practical reasons and move forward the conversation about the normative dimensions of love Love Reason and Morality will be of interest to philosophers working on issues of normativity meta ethics and moral psychology and especially those interested in the source of practical reasons and the role of attachments in practical deliberation      *Personal Identity in Moral and Legal Reasoning* Richard Prust, Jeffery Geller, 2019-10-31 Many questions about moral and legal judgments hinge on how we understand the identity of the agents The intractability of many of these questions stems this book argues from ignoring how we actually connect actions with agents When making everyday judgments about the morality or legality of actions we do not use Aristotelian logic but what is

termed character logic The difference is crucial because implicit in character logic is an understanding of personal identity that is both coherent and intuitively familiar A person as we conceptualize him in moral and legal contexts is a character of resolve By unpacking what it means to be a character of resolve this book reveals what underwrites our most fundamental beliefs about a person's rights and responsibilities It also provides a new and useful perspective on a variety of issues about rights and responsibilities that perennially occupy philosophers This book discusses the following How we can make better sense of human rights if we think of them as personal rights How the right to be civilly disobedient in contrast with ordinary law breaking can be justified as a personal right What basis we have for holding that someone's responsibility is diminished How it makes sense to hold someone responsible for acting irresponsibly How it makes sense to distinguish a juvenile offender from someone who should be tried in criminal court What kind of correction we should expect from our correctional institutions and how we should design them to achieve that By making explicit the axioms of character logic and exploring their origins and justification the book provides a conceptually powerful tool for interpreting the protocols of a person respecting society

**Self-Care** Ray S. Anderson, 2010-12-01 Life is not user friendly we all need some instructions along the way But Self Care is not just another self help book This is a book about the self first of all and then how that self endowed by God with a divine image can experience self worth emotional health and a strong and vital faith in the face of life's inevitable and irrational pain and suffering Self Care goes beyond recovery from abuse and dysfunction It is the realization of God's gift of personal empowerment and spiritual healing The most difficult textbook is life itself one that none of us can avoid reading and interpreting This book will serve as a guide to interpret the text of life given to each of us and lead to more effective and creative living

Responsibility and the Demands of Morality Stephen J. White, 2025-01-08 Stephen J White 1983-2021 was developing a comprehensive view of responsibility and its limits when his life was tragically cut short This volume contains his collected papers White's view of responsibility spans across ethics action theory and interpersonal epistemology Its core idea is that to be responsible for doing or believing something is to be answerable for why one has done it or why one believes it and to be responsible for a state of affairs is to be answerable for why things are that way rather than some other way White deploys this conception of responsibility to illuminate the notions of autonomy coercion shared reasoning self prediction doxastic wronging and peer disagreement He also investigates the nature of practical reasoning he argues against a production oriented conception of practical reasoning delineates the scope of transmission principles in means ends reasoning and identifies a limited for self prediction in practical reasoning that is subject to an anti opportunism constraint The papers form the outline of a deep ethical outlook that takes seriously our personal and collective responsibilities and yet leaves room for personal autonomy both in thought and in action

The Rules of Rescue Theron Pummer, 2023 This is an open access title available under the terms of a CC BY NC ND 4.0 International licence It is free to read at Oxford Scholarship Online and offered as a free PDF download from OUP and selected open access locations In The

Rules of Rescue Theron Pummer argues that we are often morally required to engage in effective altruism directing altruistic efforts in ways that help the most Even when the personal sacrifice involved makes it morally permissible not to help at all he contends it often remains wrong to provide less help rather than more He argues that the ubiquity of opportunities to help distant strangers threatens to make morality extremely demanding and that it is only thanks to adequate permissions grounded in considerations of cost and autonomy that we may pursue our own plans and projects He concludes that many of us are required to provide no less help over our lives than we would have done if we were effective altruists **Real**

**Reasons Rulers Resist Replacement** Emmanuel Ogheneborhie, 2011-05-02 This is the first of a two part series which outlines the real reasons rulers would not readily subscribe to giving up their positional power authority and relevance Only those who are honest and had occupied such positions would understand the plight of the acclaimed bad ruler whom citizens insist must quit It is one of the most difficult things for the human nature to comprehend and agree to implement at his expense All those clamouring for the replacement of the ruler know their heart hidden reasons above the tenable reasons they give and defend stoutly for such insistence Rather than rubbish them rulers under pressure to quit or who have even quit should be pitied because they are living a nightmare every minute they spend outside the throne which they once enjoyed Most times ousted rulers feel better dead than alive to adjust to regular lifestyle in the same domain in which they once ruled and reigned Enjoy a happy reading **Ethics in Practice** Hugh LaFollette, 2025-04-29 Enables students to intelligently confront difficult ethical questions in a variety of practical contexts For more than two decades Ethics in Practice has equipped readers with all the tools needed to consider ethical issues and understand the historical basis of key developments in ethical theory Bringing together original essays new perspectives and modern revisions of classic scholarship this field defining textbook integrates theory with practice Rigorous yet accessible chapters organized into thematic sections empower students to think about punishment economic injustice discrimination incarceration genetic modification gun control torture euthanasia hate speech abortion and many other topics The sixth edition of Ethics in Practice is fully revised to reflect the latest empirical evidence and ethical perspectives Expanded sections feature entirely new essays on punishment sentencing assassination the environment epistemic vices pragmatic ethics biomedical technologies abortion post Dobbs New and updated case studies examples data and references are employed throughout Through a rich and wide ranging collection Ethics in Practice Offers incisive discussion of global local and personal ethical issues Explores the connections between ethical theory and practice Features general and section introductions clarifying complex concepts and highlighting the theoretical and practical dimensions of each issue Allow instructors to discuss specific practical issues broader groupings of topics and common themes that connect sections Includes a companion website with introductory essays on reading philosophy theorizing about ethics and writing a philosophy paper Ethics in Practice An Anthology Sixth Edition remains the ideal text for introductory and applied ethics courses as well as an essential resource for

instructors and students in philosophy departments worldwide

**Oxford Studies in Metaethics, Volume 8** Russ Shafer-Landau, 2013-07-11 Oxford Studies in Metaethics is the only publication devoted exclusively to original philosophical work in the foundations of ethics. It provides an annual selection of much of the best new scholarship being done in the field. Its broad purview includes work being done at the intersections of ethical theory with metaphysics, epistemology, philosophy of language and philosophy of mind. The essays included in the series provide an excellent basis for understanding recent developments in the field. Those who would like to acquaint themselves with the current state of play in metaethics would do well to start here.

**Pastoral Superintendence; Its Motive, Its Detail and Its Support** Alexander Robert Charles Dallas, 1841

**The Pulpit Commentary, Volume 8** Spence-Jones, Henry, 2015-08-15 The Pulpit Commentary was first published between 1880 and 1919 and is a highly respected work written by conservative trustworthy men. Containing over 22 000 pages and 95 000 entries, it is one of the largest and best-selling homiletic commentary sets of all time. It was directed by editors Joseph Exell and Henry Donald Maurice Spence Jones and utilized more than 100 authors over a 30-year span. When reading this commentary, it is not difficult to see why it has remained a favorite amongst pastors for more than 100 years. There are three key elements which set this apart from its contemporaries: the first being that it gives an exposition or verse by verse annotation of each verse in the Bible. The second element is that it explores the framework of the text, the homiletics. Finally, it supplies the homilies with multiple model sermons from various authors. Also included is a translation as well as historical and geographical information. The Evangelical Magazine and Missionary Chronicle declared: 'This commentary bids fair to take a conspicuous place among the ever multiplying aids to the study of the Holy Scriptures. It will revive the great work of Lange and will far exceed the Speaker's Commentary in the bulk and fullness of its material. The peculiarity of the Pulpit Commentary is that it offers special assistance to the preacher, first by giving him a critical and exegetical exposition of the text of Scripture and then providing him with succinct and helpful directions as to the preachable aspects of the chapter and paragraph already explained.' The print edition of this set typically retails for more than 1 000, making the current offered price a very good bargain. Due to its size, it has been broken up into nine separate volumes: Volume 1: Genesis to Joshua; Volume 2: Judges to 2 Kings; Volume 3: 1 Chronicles to Job; Volume 4: Psalms to Song of Songs; Volume 5: Isaiah to Daniel; Volume 6: Hosea to Malachi; Volume 7: Matthew to John; Volume 8: Acts to Philippians; Volume 9: Colossians to Revelation. The footnotes have been placed in line with the text, with each footnote number enclosed in red brackets, i.e. [1], and the text in green. There is also a linked table of contents at the beginning of each volume for ease of navigation.

**Key Features:** Over 22 000 pages with more than 95 000 entries. One of the largest and exhaustive commentary sets of its kind. Contributions from over 100 authors. Expositions with thorough verse by verse commentary of each verse of the Bible. Homiletics with the framework or overall look of the text. Homilies: four to six sample sermons from various authors. Detailed information on Biblical customs. Historical and geographical information. Translations of key Hebrew and Greek.

words All 23 Volumes of the printed version are included in these nine volumes 1 Genesis Exodus 2 Leviticus Numbers 3 Deuteronomy Joshua Judges 4 Ruth 1 2 Samuel 5 1 2 Kings 6 1 2 Chronicles 7 Ezra Nehemiah Esther Job 8 Psalms 9 Proverbs Ecclesiastes Song of Solomon 10 Isaiah 11 Jeremiah Lamentations 12 Ezekiel 13 Daniel Hosea Joel 14 Amos Malachi 15 Matthew 16 Mark Luke 17 John 18 Acts Romans 19 1 2 Corinthians 20 Galatians Colossians 21 1 2 Thessalonians James 22 1 2 Peter Revelation

**Practical Contact Center Collaboration** Ken Burnett,2011-05-10

**The Oxford Handbook of Assertion** Sanford C. Goldberg,2020-03-17 Assertions belong to the family of speech acts that make claims regarding how things are They include statements avowals reports expressed judgments and testimonies acts which are relevant across a host of issues not only in philosophy of language and linguistics but also in subdisciplines such as epistemology metaphysics philosophy of mind ethics and social and political philosophy Over the past two decades the amount of scholarship investigating the speech act of assertion has increased dramatically and the scope of such research has also grown The Oxford Handbook of Assertion explores various dimensions of the act of assertion its nature its place in a theory of speech acts and in semantics and meta semantics its role in epistemology and the various social political and ethical dimensions of the act Essays from leading theorists situate assertion in relation to other types of speech acts exploring the connection between assertions and other phenomena of interest not only to philosophers but also to linguists psychologists anthropologists lawyers computer scientists and theorists from communication studies

**Building, Defending, and Regulating the Self** Abraham Tesser,Joanne V. Wood,Diederik A. Stapel,2005-07-05 This volume pulls together research on several aspects of the self One set of chapters deals with the importance of building a self based on authenticity and Who I really am a second group deals with the ways in which we defend views of the self as positive and powerful a third group is concerned with multiple aspects of self regulation Each of the chapters is a well written non technical description of an important currently active research program

When people should go to the book stores, search establishment by shop, shelf by shelf, it is essentially problematic. This is why we present the ebook compilations in this website. It will unquestionably ease you to look guide **Reason Why Personal Promises And Help** as you such as.

By searching the title, publisher, or authors of guide you essentially want, you can discover them rapidly. In the house, workplace, or perhaps in your method can be all best place within net connections. ## Reason Why Personal Promises And Help Introduction

In the digital age, access to information has become easier than ever before. The ability to download Reason Why Personal Promises And Help has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Reason Why Personal Promises And Help has opened up a world of possibilities. Downloading Reason Why Personal Promises And Help provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Reason Why Personal Promises And Help has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Reason Why Personal Promises And Help. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Reason Why Personal Promises And Help. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Reason Why Personal Promises And Help, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites

they are downloading from. In conclusion, the ability to download Reason Why Personal Promises And Help has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

### FAQs About Reason Why Personal Promises And Help Books

1. Where can I buy Reason Why Personal Promises And Help books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
2. What are the different book formats available? Hardcover: Sturdy and durable, usually more expensive. Paperback: Cheaper, lighter, and more portable than hardcovers. E-books: Digital books available for e-readers like Kindle or software like Apple Books, Kindle, and Google Play Books.
3. How do I choose a Reason Why Personal Promises And Help book to read? Genres: Consider the genre you enjoy (fiction, non-fiction, mystery, sci-fi, etc.). Recommendations: Ask friends, join book clubs, or explore online reviews and recommendations. Author: If you like a particular author, you might enjoy more of their work.
