

I don't have to try too hard to please you or impress you.

You have accepted my flaws with open arms and still think I am imperfectly perfect.

I skip a heart beat every time I look at you.

Even a simple 'I Love You' sounds so good coming out of your mouth.

You are always quick to make up after fights, and genuinely put in efforts.

You always know how to make me laugh even in the most serious of situations.

We both tend to act super crazy and weird at times without judging each other.

You fill me up with positivity when I am feeling down.

You have great respect and patience for people around you.

The way you talk about me to your friends.

You just don't make me, but also my heart smile.

You have always believed in me, even when nobody else did.

You are the first person I want to share good news with and turn to when times are bad.

Your voice is like music to my ears.
