The Redneck Bride John Fergus Ryan,1982 *The Redneck Bride* John Fergus Ryan,1991-01-01 **The Redneck Bride** John F. Ryan,1982-09-01 Wife, Inc. Suzanne Leonard,2020-05-01 A fascinating look at the changing role of wives in modern America After a half century of battling for gender equality women have been freed from the necessity of securing a husband for economic stability sexual fulfillment or procreation Marriage is a choice and increasingly women and men are opting out Yet despite these changes the cultural power of marriage has burgeoned What was once an obligation has become an exclusive club into which heterosexual women with the right amount of self discipline may win entry The newly exalted professionalized wife is no longer reliant on her husband s status or money instead she can wield her own power provided she can successfully manage the business of being a wife *Wife Inc* tells a fiercely contemporary story revealing that today s wives do not labor in kitchens or even homes Instead the work of wifedom occurs in online dating sites on reality television in social media and on the campaign trail Dating marital commitment and married life have been reconfigured No longer the stuff of marriage vows these realms are now controlled by brand management and marketability To prosper women must appear confident empowered and sexually savvy Guiding readers through the stages of the wife cycle Suzanne Leonard follows women as they date prepare to wed and toil as wives using examples from popular television film and literature as well as mass market news women s magazines new media and advice culture The first major study to focus on this new definition of working wives *Wife Inc* reveals how marriage occupies a newly professionalized role in the lives of American women Being a wife is a business that takes a lot more than a vow to maintain this book tells that story **Happily Never After** Lynn Painter,2024-03-12 Their name The objectors Their job To break off weddings as hired Their dilemma They might just be in love with each other When Sophie Steinbeck finds out just before her nuptials that her fianc has cheated yet again she desperately wants to call it off But because her future father in law is her dad s cutthroat boss she doesn t want to be the one to do it Her savior comes in the form of a professional objector whose purpose is to show up at weddings and proclaim the words no couple usually wants to hear at their ceremony I object During anti wedding festivities that night Sophie learns more about Max the Objector s job It makes perfect sense to her he saves people from wasting their lives from hurting each other He s a modern day hero And Sophie wants in The two love cynics start working together going from wedding to wedding and Sophie s having more fun than she s had in ages She looks forward to every nerve racking ceremony saving the lovesick souls of the betrothed masses As Sophie and Max spend more time together however they realize that their physical chemistry is off the charts leading them to dabble in a little hookup session or two but it s totally fine because they definitely do not have feelings for each other Love doesn t exist after all And then everything changes A groom to be hires Sophie to object but his fianc e is the woman who broke Max s heart As Max wrestles with whether he can be a party to his ex s getting hurt Sophie grapples with the sudden realization that she may have fallen hard for her partner in crime **Life Has Just**
