Researching Writing And Publishing Local History:

Researching, Writing, and Publishing Local History Thomas Edward Felt, 1976 The book provides practical guidelines for the layman who is interested in researching writing and publishing local history Two standards considered to be essential to the writing of local history are ethics and competence The three aspects of competence which are discussed focus on researching writing and publishing Chapter I identifies three questions to help the researcher keep the topic narrow specific and simple 1 how does one choose between conflicting statements in different sources 2 how does one prove that something happened according to the best evidence And 3 how does an author deal with motivation A variety of information sources are identified including libraries pictures maps physical remains and records of churches governments and organizations Chapter ii contains suggestions for the writing of history including use of quotations books periodicals documentation footnotes references abbreviations editing and translations Draft writing re writing and editing for publication are discussed Chapter iii focuses on private publication possibilities Topics include design considerations display types typeface paper illustrations choosing a printer refining specifications composition proofreading promoting and marketing the book and pricing A bibliography is included Db

On Doing Local History Carol Kammen, 2003 Completely revised and updated edition of the guide for local historians

Writing Local History Today Thomas A. Mason, J. Kent Calder, 2024-06-02 Writing Local History Today guides local historians through the process of researching writing and publishing their work Thomas A Mason and J Kent Calder present step by step advice to guide aspiring authors to a successful publication and focus not only on how to write well but also how to market and sell their work Highlights include Discussion of how to identify an audience for your writing project Tips for effective research and planning Sample documents such as contracts and requests for proposals Tips and guidance for working with publishers Discussion of how to use social media to leverage your publication Discussion of the benefits and drawbacks to self publishing The second edition updates literature databases and websites in the field This guide is useful for first time authors who need help with this sometimes daunting process or for previously published historians who need a quick reference or timely tips

Researching, Writing, and Publishing Local History Thomas Edward Felt, 1981

Local History Gavin McLean, 1992 The author is the historian for the Historic Places Trust This guide is designed to point people in the right direction as an introduction to a vast subject It is also intended to provide some guidance to local historians The bulk of the book contains three chapters briefly covering research writing and publishing of local histories Publisher s description

The Princeton Guide to Historical Research Zachary Schrag, 2021-04-27 The essential handbook for doing historical research in the twenty first century The Princeton Guide to Historical Research provides students scholars and professionals with the skills they need to practice the historian s craft in the digital age while never losing sight of the fundamental values and techniques that have defined historical scholarship for centuries Zachary Schrag begins by explaining how to ask good questions and then guides readers step by step through all

phases of historical research from narrowing a topic and locating sources to taking notes crafting a narrative and connecting one's work to existing scholarship He shows how researchers extract knowledge from the widest range of sources such as government documents newspapers unpublished manuscripts images interviews and datasets He demonstrates how to use archives and libraries read sources critically present claims supported by evidence tell compelling stories and much more Featuring a wealth of examples that illustrate the methods used by seasoned experts The Princeton Guide to Historical Research reveals that however varied the subject matter and sources historians share basic tools in the quest to understand people and the choices they made Offers practical step by step guidance on how to do historical research taking readers from initial questions to final publication Connects new digital technologies to the traditional skills of the historian Draws on hundreds of examples from a broad range of historical topics and approaches Shares tips for researchers at every skill level

The Pursuit of Local History Carol Kammen, American Association for State and Local History, 1996 In this work readers can discover the role local historians play find out what the experts see as the values of the local history while exploring their theories and see how local history has been practised by those who have dedicated their lives to it A Guide to the Study of Manitoba Local History Gerald Friesen, Barry Potyondi, 1981-01-01 Local history buffs students teachers and armchair historians will find a wealth of information and practical advice in this guide to the study of local history The authors explore some of the most fruitful areas of research in such themes as the environment population transportation and communication agriculture politics social and family life In five appendices they provide more detailed information for the determined researcher Specific advice is given on compiling a community archive or data base and on publishing a local history An extensive bibliography and a guide to local archives complete the book Social History, Local History, and Historiography Roger C. Richardson, 2011-09-22 This wide ranging volume collects together twelve of the author's longer essays mainly drawn from those first published in the last two decades Chiefly consisting of micro studies of a variety of different aspects of early modern English history the book concerns itself with social and economic change the period of the English Revolution and its long lasting impact with Puritanism with the family as a social institution and with historical consciousness and different forms of historical writing Some of the essays focus on a particular individual not all well known William Camden John Milner and Ralph Dutton to open up a broader theme One boldly attempts a comparison over three centuries of the evolution of local history as a subject on both sides of the Atlantic Two other essays reach out into the nineteenth and twentieth centuries but do so with echoes of the subject matter of some of those dealing with the early modern period The inter connectedness of social history local history and historiography is stressed and illustrated throughout Both specialists and non specialists will find much to interest them in this varied and rewarding volume
