Resource Manual For Legal Writing For Paralegals:

Resource Manual for Legal Writing for Paralegals Barber, Steve Barber, 1993-10 *Social Order through Contracts* Jian Qu, 2021-02-04 This book is the first Western language monograph on the study of the Qingshui River manuscripts By examining over 3 000 contracts and other manuscripts this book offers constructive insights into the long standing question of how and why a society in late imperial China could maintain a well functioning social system with few laws but many contracts i e Hobbesian words without sword Three interrelated questions what contracts were how and why they worked are explained successively Thus this book presents a non stereotypical contract society in southwest China arguing that the social order which provides predictability and regularity for economic prosperity could be formed and maintained through contracts even under the condition of relatively weak influence of governmental and legal authorities This book benefits readers who are interested in law society and history While presenting the socio legal landscape of a frontier area in late imperial China for historians this book provides a novel and empirical interpretation of the supposedly well known contract device for legal researchers thereby proposing materials for an integrated theoretical explanatory framework of contracts in general By employing the innovative theory of blockchain in its key argumentation the book offers a creative interpretation of historical and social phenomena **Resources in Education** ,1977 Legal Information Buyer's Guide and Reference Manual Kendall F.
