The Best is Yet to Come Franklin Murdock, 2014-04-22 This saga is a life alert when heeded it will inform the reader to be prepared to recognize the delusional events predicted as this world experiences a radical change in preparation of a one world government Remember that only you can establish priorities in your family life Spend time with your loved ones because they are not going to be around forever Say a kind word to someone who looks up to you in awe because that little person soon will grow up and leave your side Give a warm hug to the one next to you because that is the only treasure you can give with your heart and it doesn't cost a cent Say I love you to your partner and your loved ones but most of all mean it A kiss and an embrace will mend hurt when it comes from deep inside you Hold hands and cherish the moment for some day that person will not be there again Make it a priority to set aside time to study God's word and pray
