Sustainable Development: National Aspirations, Local Implementation Alan Terry, 2016-04-01 Using case studies from Africa South America Asia and the Caribbean this book examines the progress made in uniting national aspirations of sustainable development strategies with their local implementation Comparing the situation on the ground with formal national environmental action plans the book compares progress or the lack of progress between different sectors cultures regions and resources throughout the developing world It examines whether local knowledge and actions are undermining national aspirations or whether they are being ignored at the national level with detrimental consequences to sustainable development The measurement of sustainable development the role of formal and informal education in sustainable development and the significance of diverse voices in the practice of sustainable development are considered The book draws lessons from those cases which appear to be experiencing positive moves towards sustainability and examines whether common frameworks exist which suggest that good practice may be transferable from one milieu to another

Gender in Agriculture Agnes R. Quisumbing, Ruth Meinzen-Dick, Terri L. Raney, André Croppenstedt, Julia A. Behrman, Amber Peterman, 2014-04-29 The Food and Agriculture Organization of the United Nations FAO produced a 2011 report on women in agriculture with a clear and urgent message agriculture underperforms because half of all farmers women lack equal access to the resources and opportunities they need to be more

productive This book builds on the report s conclusions by providing for a non specialist audience a compendium of what we know now about gender gaps in agriculture **The British National Bibliography** Arthur James Wells,2005 *L'état des ressources zoogénétiques pour l'alimentation et l'agriculture dans le monde* Food and Agriculture Organization of the United Nations,2008 La gestion durable de la diversité des animaux d'élevage dans le monde est d'une importance vitale pour l'agriculture la production alimentaire le développement rural et l'environnement Base sur 169 rapports nationaux sur des contributions de plusieurs organisations internationales et sur 12 études thématiques spécialement mandatées ce rapport est la première évaluation de l'état des ressources zoogénétiques dans le monde et de leur évolution ainsi que de l'état des capacités institutionnelles et technologiques de gestion de ces ressources Un document technique de référence Publié également en anglais en arabe en espagnol et en russe
