

RETELLING U.S. RELIGIOUS HISTORY

Edited by Thomas A. Tweed

Retelling Us Religious History

David K. Yoo, Eiichiro Azuma

Retelling Us Religious History:

Retelling U.S. Religious History Thomas A. Tweed, 2023-09-01 This collection marks a turning point in the study of the history of American religions In challenging the dominant paradigm Thomas A Tweed and his coauthors propose nothing less than a reshaping of the way that American religious history is understood studied and taught The range of these essays is extraordinary They analyze sexual pleasure colonization gender and interreligious exchange The narrators position themselves in a number of geographical sites including the Canadian border the American West and the Deep South And they discuss a wide range of groups from Pueblo Indians and Russian Orthodox to Japanese Buddhists and Southern Baptists This collection marks a turning point in the study of the history of American religions In challenging the dominant paradigm Thomas A Tweed and his coauthors propose nothing less than a reshaping of the way that American religious history is understood

Retelling U.S. Religious History Thomas A. Tweed, 1997 This collection represents a bold attempt to retell the story of religion in America from the perspectives generated by a younger generation of scholars It is challenging provocative and enlightening and demands the careful attention of everyone interested in the religious history and culture of the nation Al Raboteau author of *A Fire in the Bones* Thomas Tweed's book is an important cutting edge endeavor bound to advance debate and attract considerable attention Amanda Porterfield author of *Female Piety in Puritan New England* Tweed and his colleagues challenge as well they should the belief that any single narrative can succeed in telling the story of American religion Edward T Linenthal author of *Preserving Memory* The old ways of telling the story of American religions as the unfolding of the Puritan or evangelical or liberal impulse from sea to shining sea or as the interplay of mainstream and marginal religious idioms will not work anymore Tom Tweed has assembled an extraordinary group of scholars to consider alternative tellings of American religious histories Robert Orsi author of *The Madonna of One Hundred Fifteenth Street* Provocative and compelling the contributors do a superb job of incorporating innovative monographic literature into coherent narratives The result is an engaging book that will enrich our understanding of religion in America Colleen McDannell author of *Material Christianity*

Retelling U.S. Religious History Thomas A. Tweed, 1997-01-05 This collection represents a bold attempt to retell the story of religion in America from the perspectives generated by a younger generation of scholars It is challenging provocative and enlightening and demands the careful attention of everyone interested in the religious history and culture of the nation Al Raboteau author of *A Fire in the Bones* Thomas Tweed's book is an important cutting edge endeavor bound to advance debate and attract considerable attention Amanda Porterfield author of *Female Piety in Puritan New England* Tweed and his colleagues challenge as well they should the belief that any single narrative can succeed in telling the story of American religion Edward T Linenthal author of *Preserving Memory* The old ways of telling the story of American religions as the unfolding of the Puritan or evangelical or liberal impulse from sea to shining sea or as the interplay of mainstream and marginal religious idioms will not work anymore Tom Tweed has assembled an extraordinary group of

scholars to consider alternative tellings of American religious histories Robert Orsi author of *The Madonna of One Hundred Fifteenth Street* Provocative and compelling the contributors do a superb job of incorporating innovative monographic literature into coherent narratives The result is an engaging book that will enrich our understanding of religion in America Colleen McDannell author of *Material Christianity*

American Religious History Gary Scott Smith, 2020-12-07 A mix of thematic essays reference entries and primary source documents covering the role of religion in American history and life from the colonial era to the present Often controversial religion has been an important force in shaping American culture Religious convictions strongly influenced colonial and state governments as well as the United States as a new republic Religious teachings values and practices deeply affected political structures and policies economic ideology and practice educational institutions and instruction social norms and customs marriage and family life By analyzing religion's interaction with American culture and prominent religious leaders and ideologies this reference helps readers to better understand many fascinating often controversial religious leaders ideas events and topics The work is organized in three volumes devoted to particular periods Volume one includes a chronology highlighting key events related to religion in American history and an introduction that overviews religion in America during the period covered by the volume and roughly 10 essays that explore significant themes These essays are followed by approximately 120 alphabetically arranged reference entries providing objective fundamental information about topics related to religion in America Each volume presents nearly 50 primary source documents each introduced by a contextualizing headnote A selected general bibliography closes volume three

The Oxford Handbook of Religion and Race in American History Kathryn Gin Lum, Paul Harvey, 2018 The Oxford Handbook of Religion and Race in American History brings together a number of established scholars as well as younger scholars on the rise to provide a scholarly overview for those interested in the role of religion and race in American history Thirty four scholars from the fields of History Religious Studies Sociology Anthropology and more investigate the complex interdependencies of religion and race from pre Columbian origins to the present The volume addresses the religious experience social realities theologies and sociologies of racialized groups in American religious history as well as the ways that religious myths institutions and practices contributed to their racialization Part One begins with a broad introductory survey outlining some of the major terms and explaining the intersections of race and religions in various traditions and cultures across time Part Two provides chronologically arranged accounts of specific historical periods that follow a narrative of religion and race through four plus centuries Taken together The Oxford Handbook of Religion and Race in American History provides a reliable scholarly text and resource to summarize and guide work in this subject and to help make sense of contemporary issues and dilemmas

Encyclopedia of Women in American History Joyce Appleby, Eileen Chang, Joanne Goodwin, 2015-07-17 This illustrated encyclopedia examines the unique influence and contributions of women in every era of American history from the colonial period to the present It not only covers the issues that have had an impact

on women but also traces the influence of women's achievements on society as a whole. Divided into three chronologically arranged volumes, the set includes historical surveys and thematic essays on central issues and political changes affecting women's lives during each period. These are followed by A-Z entries on significant events and social movements, laws, court cases, and more, as well as profiles of notable American women from all walks of life and all fields of endeavor. Primary sources and original documents are included throughout.

The Religious History of American Women Catherine A. Brekus, 2009-11-13 More than a generation after the rise of women's history alongside the feminist movement, it is still difficult, observes Catherine Brekus, to locate women in histories of American religion. Mary Dyer, a Quaker who was hanged for heresy; Lizzie Robinson, a former slave and laundress who sold Bibles door to door; Sally Priesand, a Reform rabbi; Estela Ruiz, who saw a vision of the Virgin Mary: how do these women's stories change our understanding of American religious history and American women's history? In this provocative collection of twelve essays, contributors explore how considering the religious history of American women can transform our dominant historical narratives. Covering a variety of topics, including Mormonism, the women's rights movement, Judaism, witchcraft trials, the civil rights movement, Catholicism, everyday religious life, Puritanism, African American women's activism, and the Enlightenment, the volume enhances our understanding of both religious history and women's history. Taken together, these essays sound the call for a new, more inclusive history.

Contributors: Ann Braude, Harvard Divinity School; Catherine A. Brekus, University of Chicago Divinity School; Anthea D. Butler, University of Rochester; Emily Clark, Tulane University; Kathleen Sprows Cummings, University of Notre Dame; Amy Koehlinger, Florida State University; Janet Moore Lindman, Rowan University; Susanna Morrill, Lewis and Clark College; Kristy Nabhan, Warren Augustana College; Pamela S. Nadell, American University; Elizabeth Reis, University of Oregon; Marilyn J. Westerkamp, University of California, Santa Cruz.

The Columbia Guide to Religion in American History Paul Harvey, Edward J. Blum, 2012-02-14 The first guide to American religious history from colonial times to the present, this anthology features twenty-two leading scholars speaking on major themes and topics in the development of the diverse religious traditions of the United States. These include the growth and spread of evangelical culture, the mutual influence of religion and politics, the rise of fundamentalism, the role of gender and popular culture, and the problems and possibilities of pluralism. Geared toward general readers, students, researchers, and scholars, *The Columbia Guide to Religion in American History* provides concise yet broad surveys of specific fields, with an extensive glossary and bibliographies listing relevant books, films, articles, music, and media resources for navigating different streams of religious thought and culture. The collection opens with a thematic exploration of American religious history and culture and follows with twenty topical chapters, each of which illuminates the dominant questions and lines of inquiry that have determined scholarship within that chapter's chosen theme. Contributors also outline areas in need of further, more sophisticated study and identify critical resources for additional research. The glossary, *American Religious History A-Z*, lists crucial people, movements, groups, concepts, and historical events, enhanced by

extensive statistical data **Faith in the Market** John Michael Giggie, Diane H. Winston, 2002 Reveals the many ways in which religious groups actually embraced commercial culture to establish an urban presence back cover The ^AOxford Handbook of Asian American History David K. Yoo, Eiichiro Azuma, 2016-02-01 The Oxford Handbook of Asian American History brings together 27 essays that engage the state of the field with historiographically informed but creative approaches to this diverse and vibrant area The chapters trace Asian American history from the beginning of the migration flows toward the Pacific Islands and the American continent to Japanese American incarceration and Asian American participation in World War II from the experience of exclusion violence and racism to the social and political activism of the late twentieth century The authors explore many of the key aspects of the Asian American experience including politics economy intellectual life the arts education religion labor gender family urban development and legal history
