Rethinking Political Theory

Kimberly Hutchings

Rethinking Political Theory :

Rethinking Political Thinkers Manjeet Ramgotra, Simon Choat, 2023 The first textbook to challenge and expand the canon of political thinkers Rethinking Political Thinkers presents political thought in a new light invites debate and brings diverse perspectives to the fore giving students the tools to think about political concepts theories and arguments critically and analytically

Classical Debates for the 21st Century Thomas Hueglin, 2008-02-01 Classical Debates for the 21st Century distinctively reconsiders the canon of political thought in the context of current world events by presenting debates between the ideas of classical theorists It is through these debates that Thomas O Hueglin argues that exclusive state sovereignty individual citizenship and majority rule have become questionable categories of political theory and practice in a globalizing world To a large extent the classical canon of political thought has been constructed in order to give legitimacy to these categories but it is time to rethink the validity of that canon and to search for alternative voices and traditions that emphasize plurality shared sovereignty and complex patterns of representation and decision making This does not mean that the familiar names in the classical canon have to disappear But they should be examined more critically for their continued importance and additional theorists thus far neglected should complement them Each chapter is organized as a debate between two theorists with contrasting views and approaches At the end of each chapter there is a critical evaluation of these political theorists continued or renewed relevance

Rethinking Political Theory Hwa Yol Jung, 1993 Ten essays previously published in such journals as The Review of Politics and Human Studies contemplate the contributions of phenomenology to the philosophy of political science and offer a critique of the two other major paradigms in political thought behavioralism and essentialism

Annotatio **Rethinking Political Judgement** Masa Mrovlje, 2018-11-23 The first book length study to provide a detailed examination of a distinctive crossroads in the history of the left

International Political Theory Kimberly Hutchings, 1999-11-03 A lucid comprehensive analysis of normative approaches to international relations and an original contribution to critical theory Andrew Linklater University of Keele Hutchings combines a valuable account of the current state of the art with a lucid exposition of her own highly distinctive position This will be required reading for students in international political theory and indeed anyone interested in normative issues in international relations Chris Brown London School of Economics and Political Science Providing an invaluable overview of the competing schools of thought in traditional and contemporary international theory this book seeks to path the way forward for new ways of thinking about international political morality First the role and place of normative theory in the study of international politics is explained before a discussion of mainstream approaches within international relations and applied ethics Here the student is introduced to the central debates between realists and idealists and cosmopolitans and communitarians Second the conceptual challenges of contemporary approaches in critical theory postmodernism and feminism are outlined and then used as a platform to develop the author s own Hegelian Foucauldian approach for doing normative international theory

Third the insights drawn from each approach are applied to the study of two key topics in contemporary theoretical debate the right to self determination and the idea of cosmopolitan democracy and conclusions drawn for transcending the theoretical deadlock in international relations Accessibly written and wide ranging this text will quickly become essential reading for all students and academics of politics and international relations seeking a deeper understanding of the underlying tensions and future potential of international theory today

Rethinking Political Institutions Ian Shapiro, Stephen Skowronek, Daniel Galvin, 2006 Institutions shape every dimension of politics This volume collects original essays on how such institutions are formed operated and changed both in theory and in practice Ranging across formal institutions of government such as legislatures courts and bureaucracies and intermediary institutions such as labor unions and party systems the contributors show how these instruments of control give shape to the state articulate its relationships and express its legitimacy Rethinking Political Institutions captures the state of the art in the study of the art of the state Drawing on some of the leading scholars in the field this volume includes essays on issues of social power public policy and programs judicial review and cross national institutions Rethinking Political Institutions is an essential addition to the debate on the significance of political institutions in light of democracy social change and power Contributors Elisabeth S Clemens Jon Elster John Ferejohn Terry M Moe Claus Offe Paul Pierson Ulrich K Preuss Rogers M Smith Kathleen Thelen Mark Tushnet R Kent Weaver Margaret Weir Keith E Whittington

Rethinking Political Obligation D. Mokrosinska, Dorota Mokrosińska, 2012-07-31 What are the grounds for and limits to obedience to the state This book offers a fresh analysis of the debate concerning the moral obligation to obey the state develops a novel account of political obligation and provides the first detailed argument of how a theory of political obligation can apply to subjects of an unjust state

Political Theory Evangelia Sembou, 2013-08-19 Political theory draws on a number of different disciplines such as political science philosophy history and law It is a broad subfield its practitioners depending on their background bring different perspectives and approaches to the study of political thought which range from historical to normative Moreover political theory often draws on the insights of as well as engages in a dialogue with social theory ethics and the philosophy of law In addition nowadays political theory has expanded to include the study of the international international political theory For all these reasons political theory is a core subject taught in a variety of academic departments Yet paradoxically there has been an increasing tendency in the past few years for political theory to be marginalized in the academy This is because so much academic policy concentrates on the main branches of the disciplines within which political theory falls Even worse for political theory social theory and the philosophy of law or legal philosophy with which it enters into fruitful dialogue are themselves weak areas within sociology and law respectively The aim of this volume is to address this situation What are the problems and challenges that political theory faces today What is its importance as a distinctive branch of enquiry What are its main concerns The fact that political thought operates across disciplinary boundaries and often challenges the boundaries of the

aforesaid disciplines is one of its greatest strengths Comparative Political Theory and Cross-Cultural Philosophy Jin Y. Park, 2009-06-16 *Comparative Political Theory and Cross Cultural Philosophy Essays in Honor of Hwa Yol Jung* explores new forms of philosophizing in the age of globalization by challenging the conventional border between the East and the West as well as the traditional boundaries among different academic disciplines The essays in this volume examine diverse issues encompassing globalization cosmopolitanism public philosophy political ecology ecocriticism ethics of encounter and aesthetics of caring They examine the philosophical traditions of phenomenology of Husserl Merleau Ponty and Heidegger the dialogism of Mikhail Bakhtin the philosophy of mestizaje literature and Asian philosophical traditions This rich comparative and cross cultural investigation of philosophy and political theory demonstrates the importance of cultural and cross cultural understanding in our reading of philosophical texts exploring how cross cultural thinking transforms our understanding of the traditional philosophical paradigm and political theory This volume honors the scholarship and philosophy of Hwa Yol Jung who has been a pioneer in the field of comparative political theory cross cultural philosophy and interdisciplinary scholarship In one of his earliest publications *The Crisis of Political Understanding* 1979 Jung described the urgency and necessity of breakthrough in political thinking as a crisis and he followed up on this issue for his half century of scholarship by introducing Asian philosophy and political thought to Western scholarship demonstrating the possibility of cross cultural philosophical thinking In his most recent publications Jung refers to this possibility as transversality or transuniversality a concept which should replace the outmoded Eurocentric universality of modernist philosophy Jung expounds that in transversality differences are negotiated and compromised rather than effaced and absorbed into sameness This volume is a testimony to the very possibility of **Rethinking Hobbes and Kant** Chia-Yu Chou, 2016-07-15 *Rethinking Hobbes and Kant* argues that predominant approaches to the theoretical relationship between Hobbes and Kant have reached conclusions that were pre digested in assumptions about the isms which these two writers are propounding Chou shows how these assumptions have inhibited commentators from recognising the affinities between Hobbes's and Kant's political philosophies or if they have prevented them from providing a plausible explanation of those affinities To provide a fresh understanding of the relation between Hobbes and Kant this book examines and compares what they actually wrote about some central conceptions in political theory as it becomes visible once the assumptions out of which they are formed are set aside Chou argues that what matters is that that we reflect upon our own assumptions and that we have at least some conscious awareness that the assumptions of our day were not held all the time and everywhere and that we do not reify them into crude models which distort the thought of the past and the present in equal measure This book therefore seeks to bring into the arena of conscious thought assumptions which are deeply rooted in many modern minds and which work to distort many current studies of the relationship between Hobbes and Kant's political philosophies with negative consequences for the understanding of Hobbes of Kant and of politics itself Providing a fresh understanding of the relation

between Hobbes and Kant this book will be of great use for graduates and scholars of Political Theory Philosophy and Political Sociology

This is likewise one of the factors by obtaining the soft documents of this **Rethinking Political Theory** by online. You might not require more get older to spend to go to the books launch as capably as search for them. Rethinking Political Theory Introduction

In today's digital age, the availability of Rethinking Political Theory books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Rethinking Political Theory books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Rethinking Political Theory books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Rethinking Political Theory versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Rethinking Political Theory books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Rethinking Political Theory books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Rethinking Political Theory books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-

profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Rethinking Political Theory books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Rethinking Political Theory books and manuals for download and embark on your journey of knowledge?

FAQs About Rethinking Political Theory Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer webbased readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Rethinking Political Theory is one of the best book in our library for free trial. We provide copy of Rethinking Political Theory in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Rethinking Political Theory . Where to download Rethinking Political Theory online for free? Are you looking for Rethinking Political Theory PDF? This is definitely going to save you time and cash in something you should think about. If you trying to find then search around for online. Without a

doubt there are numerous these available and many of them have the freedom. However without doubt you receive whatever you purchase. An alternate way to get ideas is always to check another Rethinking Political Theory . This method for see exactly what may be included and adopt these ideas to your book.
