Ridge And The River A Taut Account Of Jungle Warfare:

The Ridge and the River T. A. G. Hungerford, 2003 Australian war Classic Presented by E E Weary Dunlop A taut account of jungle warfare A powerful novel based on Hungerfords experiences as a commando on the island of Bougainville towards the end of the Second World War Publisher description **Big-noting** Robin Gerster, 1987 An engagingly readable entertaining yet scholarly survey of the Australian war mythology An adventurous but meticulous study this is a book that bayonets a too long held myth Judges Report 1988 Age Book of the Year the most incisive comprehensive and controversial account so far to appear of Australian literature of war carries out a neglected task of literary and cultural history Peter Pierce Age a brave argument and a brave book a beautifully written book you ll never feel quite the same about Anzac or Gallipoli again Judith Smart Victorian Historical Journal Gerster s central heresy deserves to be taken very seriously indeed The book should be bought at the shop rather than burned at the stake Mark Thomas Canberra Times **United service journal. [Sydney]** ,1951 **Forest and Stream** ,1904 **Darkest Hour** Bruce Gamble, 2006-12-15 The harrowing story of the Japanese invasion of New Britain during WWII as experienced by the few who survived Shifty's War Marcus Brotherton, 2011-05-03 From D Day to the Battle of the Bulge and more here is the authorized biography of one of the most celebrated paratroopers of Easy Company Sergeant Shifty Powers the legendary sharpshooter from the Band of Brothers Look for the Band of Brothers miniseries now available to stream on Netflix As a boy Darrell Shifty Powers s goal was to become the best rifle shot he could be His father trained him to listen to the woods to see without his eyes Little did Shifty know his finely tuned skills would one day save his life and the lives of his fellow paratroopers As one of the original men who trained at Camp Toccoa Georgia Shifty was one out of only two soldiers in Easy Company to initially earn the coveted expert marksman designation He parachuted into France on D day and fought for a month in Normandy eighty days in Holland thirty nine in the harshly cold winter of Bastogne and for nearly thirty more near Haguenau France and the Ruhr pocket in Germany Shifty s War is a tale of heroism and adventure of a soldier s blood filled days fighting his way from the shores of France to the heartland of Germany and the epic story of how one man s skills as a sharpshooter and engagingly unassuming personality propelled him to a life greater than he could have ever imagined **Cue** ,1965 **Shifting Gears** Cecelia Tichi, 2017-10-01 Shifting Gears is a richly illustrated exploration of the American era of gear and girder technology From the 1890s to the 1920s machines and structures shaped by this technology emerged in many forms from automobiles and harvesting machines to bridges and skyscrapers The most casual onlooker to American life saw examples of the new technology on Main Street on the local railway platform and in the pages of popular magazines A major consequence of this technology was its effect on the arts in particular the literary arts Three prominent American writers of the time Ernest Hemingway John Dos Passos and William Carlos Williams became designer engineers of the word Tichi reveals their use of prefabricated manufactured components in poems and prose As designers they enacted in style and structure the new

technological values The writers according to Tichi thought of words themselves as objects for assembly into a design Using materials from magazines popular novels movie reviews the toy industry and advertising as well as the texts of the nation s major enduring writers Tichi shows how turn of the century technology pervaded every aspect of American culture and how this culture could be defined as a collaborative effort of the engineer the architect the fiction writer and the poet She demonstrates that a technological revolution is not a revolution only of science but of language as well Originally published in 1987 A UNC Press Enduring Edition UNC Press Enduring Editions use the latest in digital technology to make available again books from our distinguished backlist that were previously out of print These editions are published unaltered from the original and are presented in affordable paperback formats bringing readers both historical and cultural value *The New York Times Film Reviews, 1913-1968: reviews; v. 6, appendix and index* ,1970 **The New York Times Film Reviews** ,1939
