Shippey,2017-02-21 In this astonishing book the author s purpose is to help transform individuals by fostering a spirit of holy listening that enriches faith and opens seekers to the fullness of God s presence and of the neighbor s need The intent is to help the reader develop a faith that seeks understanding and makes real meaning in a world of chatter In each chapter a prominent work of art is interpreted which serves as a focal point for demonstrating how the eyes and heart are integrally involved in hearing the Spirit of God The book explores why holy listening is so difficult by examining key hermeneutical issues within the biblical text and by considering the nature of God the journey of faith and human limits This illuminating book also examines the spiritual need for holy listening and analyzes critical questions of faith that lead to a greater awareness of self and the church in the mutual calling to be the incarnation of Jesus Christ in a postmodern world Essential in the task of holy listening is an awareness of the importance of spiritual rest and the role of the Sabbath plays in providing an opportunity to participate in the redeeming work of God In this regard the book underscores the need for faith this is both a linear journey toward wholeness and an ability to make home and community along life s way The need for holy listening is made even more acute by the reality of suffering that accompanies life s pilgrimage and the book ponders the meaning of suffering and how it can open one to the presence of the divine More than a theological analysis of suffering the book addresses the author s effort to listen for redemptive meaning in light of his own daughter s struggle with juvenile diabetes The book concludes with a discussion of
