Right Place, Wrong Time Judith Arnold, 2009-10-29 Ethan Parnell and Gina Morante meet when they accidentally wind up in the same time share condominium on the Caribbean island of St Thomas Right place for a tropical vacation but wrong time for them both to appear and for sure the wrong two people to spend a week together in close quarters He is a Connecticut type reserved well bred a product of the best schools She is a savvy Manhattan girl a funky shoe designer whose warm working class family lives in the Bronx So how come they end up thinking so much about each other once they reback in their own worlds after the wrong time is up *The West Stole Africa's Wealth* Khoza Mduduzi, 2015-07-28 The West stolen Africa's wealth and invested it in the IMF World Bank and European Bank Through the colonization of Africa the West not only managed to impoverish the African continent but it managed to build its own world class infrastructure through ill gotten wealth from Africa Africa is the richest continent on the face of the world as far as mineral resources is concerned but Africans are the poorest people on the face of the world Its an open secret that the majority of skyscrapers in the US were built by African slaves who were bought from Gore Island in Senegal at the cheapest price and transported to the US From the Dark Age until to the information age the African continent is the only continent where there is no perennial political peace Africans have been on the run from their civil wars for quite a long period of time to the point that some Africans have emigrated from the African continent to live in the West where they are not even welcomed and accepted African mineral resources are sufficient enough to the point that if they were equally and fairly utilized in the interest of the Africa people Africa was going to be a poverty free continent Unfortunately opposite is the case the African mineral resources continue to enrich the Westerners at the expense of the African people Africans are political free but remain economically in prison which they cant see smell touch or feel The west destabilizes the African continent by pouring military weapons to the African continent to ensure that bloodshed does not cease **The Hubris Hazard, and How to Avoid It** Eugene Sadler-Smith, 2024-03-15 Hubris is something we've all seen in action and experienced all too often It is a significant occupational hazard and a serious potential derailment factor for leaders organisations and civil society Hubristic leaders intoxicated as they are with power praise and success behave in ways that if left unchecked invite unintended and unforeseen negative consequences which impact destructively on individuals industries economies and nations Despite numerous examples throughout history of hubris destructive consequences it nonetheless appears to be an ever present and growing danger Many leaders seem to be blind to the hazards of hubris and oblivious to the lessons of history Prevention is better than cure and understanding the nature of the hubris hazard and the associated risk factors will help leaders and managers improve their personal performance and avoid derailment and even more importantly protect the well being of employees and the resilience of their organisations over the long term This book explains the characteristics causes and consequences of hubris and shows how to combat the significant hazard it poses to managers leaders organisations and society With

contemporary examples each chapter explores a particular hubris risk factor and shows how the risk can be managed and mitigated and exposure to the hubris hazard minimised The Hubris Hazard and How to Avoid It offers practical guidance and action points for managers and leaders on how to recognise hubris in themselves and others and what to do to combat it when it arises It will also be useful for business and executive coaches and leadership trainers and developers *A Timeless Script From a 1st Century Doctor* Rick Farmer,2024-09-26 Before Dr Farmer I absolutely hated school Dr Farmer saw me as a human being not just a student He forced me to think for myself He was my professor and my mentor He pushed me to see there are no limits to my opportunities to come Dr Farmer believed in me when I did not believe in myself whether making a jump shot or making a good grade Tianna G Crockett M A Bluefield University Rick Farmer combines keen biblical insights with a wise devotional heart as he leads the reader through the unique and powerful advent of Christ contained in the Gospel of Luke Rick s *A Timeless Script* is just what the doctor ordered for those looking for a Guide through Advent and beyond Henry W Clary Ph D Professor Bluefield University We re sick and in desperate need of a doctor to both diagnose and treat In *A Timeless Script from a 1st Century Doctor* Dr Rick Farmer wisely recommends Luke s Gospel written by a physician whose treatment plan would be initially resisted or downright rejected by most But Luke s Gospel specifically the first two chapters highlight the uniquely universal cure capable of healing us all The Advent of Christ The story of the birth life death and resurrection of Jesus who embarked on a mission to save teach and heal offers a remedy for all Despite the heartache pain and suffering found in this timeless story it is the miraculous truth of faith hope and love that provides us with the prescription we desperately need If you are seeking to be restored to a healthy state of mind and body so you can live a life of meaning and purpose look no further Scott Weibling Author of *River Guide* Published by Scott Weibling 2017 *Using Modeling to Predict and Prevent Victimization* Ken Pease,Andromachi Tseloni,2014-01-09 This work provides clear application of a new statistical modeling technique that can be used to recognize patterns in victimization and prevent repeat victimization The history of crime prevention techniques range from offender based to environment situation based to victim based The authors of this work have found more accurate ways to predict and prevent victimization using a statistical modeling based around crime concentration and sub group profiling with regard to crime vulnerability levels to predict areas and individuals vulnerable to crime Following from this prediction they propose policing strategies to improve crime prevention based on these predictions With a combination of immediate actions and longer term research recommendations this work will be of interest to researchers and policy makers in focused on crime prevention police studies victimology and statistical applications **A Treasure Chest of Verse from the Cutting Edge** Ralph Reynaud,2017-06-22 This Book of Poetic Verse spans some thirty 30 odd years of writing which is presented here as excerpts from two 2 as yet unpublished works by this writer Unleash a CeaseFire Peace and Abiding within the Oneness of the One along with additional sections of verse This Volume portrays the heartache and heartbreak of gun violence pinpoints and analyzes the causative factors
