Righteous Riches Milmon F. Harrison,2005 The author examines the Word of Faith movement an American non denominational movement that preaches the so called health wealth gospel In particular the study focuses on the response to the movement from the African American community Righteous Riches Milmon F. Harrison,2005-03-03 The author examines the Word of Faith movement an American non denominational movement that preaches the so called health wealth gospel In particular the study focuses on the response to the movement from the African American community *The Worldview of the Word of Faith Movement: Eden Redeemed* Mikael Stenhammar,2021-12-16 This volume approaches the Word of Faith as a worldview and analyses the movement through N T Wright s model for worldview analysis in order to provide necessary nuance and complexity to scholarly interpretations of the Word of Faith The reader receives insights into the movement s narrative semiotic practical and propositional dimensions which cumulatively offer a multifaceted understanding of how the Word of Faith interprets reality and engages with the world The analysis shows that there is a narrative core to Word of Faith beliefs in the form of a unique theological story with focus set on the present restoration of Eden s authority and blessings This study demonstrates how the Word of Faith operates as a distinct worldview that parses the world through the lens of faith s causative power to affect a direct correspondence between present reality and Eden s perfection The findings advance a critical and therapeutic approach that acknowledges how the worldview both strengthens and subverts Pentecostalism JESUS Inc. : Deprogramming from the Word of Faith Movement T. Dexter Collingsworth,2010-10-17 T Dexter Collingsworth s Jesus Inc Deprogramming from the Word of Faith Movement documents the events that led a Word of Faith Church Deacon from the movement to a place of healing It is a certainty that there are good preachers pastors and churches to be found I believe I may be accurate when I say that for every good one there are probably ten churches where the dollar reigns supreme I am sure most believers don t own the type of homes or automobiles or jet planes that these preachers do and they call milking the poor for money they can t afford a love offering but I never have seen a single scripture where Jesus had His hand out for a love offering before He would heal someone not afterward either Man has placed himself on the throne of God and frankly I am incredibly perplexed that He puts up with this Maybe He knows some of these false prophets will repent and return to righteousness Maybe this book will help *Word of Faith Preachers* Joseph T. . Bachota Jr,2010-06-16 Have you ever wondered about the correctness of the messages and teachings of preachers behind the pulpits and on TV today Who holds them accountable for explanations and outlines of the truth Who questions them or anything they say With sound biblical exegesis this book challenges you to keep an open mind and determine for yourself what is true or false As an ordained Word of Faith preacher Joe Bachota has firsthand knowledge of the doctrines being preached Word of Faith Preachers isnt meant to be an exhaustive discussion of every doctrinal position taken by the movement Instead it explores a few of the major heresies the Word of Faith churches are teaching with the goal

of preventing you from being led astray if you are exposed to them Even though Bachota once believed preached and taught most of these doctrines the Lord has led him in another direction opening his eyes to the heresies contained in some of the Word of Faith doctrine Hopefully this book will lead you in the same way and enable you to come to the same conclusion he did the teachings of many churches today particularly Word of Faith churches are completely out of touch with sound biblical doctrine

The Commercial Church Mary Hinton,2011-05-19 In this new book on the rise of commercial black mega churches Mary Hinton examines the rich legacy of the historic black church from the dual perspectives of theology and religious education She explores the new religious models emerging from the tradition of the historic black church and questions whether they are continuing to operate and practice according to the wisdom of this unique form of American religion Two mega church ministries those of T D Jakes and Creflo Dollar are examined in detail with regards to how they align with black church religious history Hinton concludes by proposing that the fastest growing religious phenomenon within and outside of the black community in the United States the mega church should no longer be analyzed based on size alone Instead Hinton urges readers to consider the ecclesiastical structures of churches in making appropriate assessments in determining should and should not be classified as a commercial church

Prosperity Gospel? Christopher Anthony,2025-08-21 This book offers a fresh and challenging analysis of the prosperity gospel by providing both a historical examination of its six theological features and a theological analysis of their interconnected roles Uncovering new sources the author presents a constructive theology of the Word of Faith movement offering a deeper and more precise understanding of its development and function Combining historical and theological methodologies this work makes a significant contribution to the field shedding light on previously unexplored historical roots of Word of Faith theology and revealing their profound theological implications This title is a valuable resource for scholars and practitioners alike especially those interested in the world of Faith theology and its impact on contemporary religious thought

The 'Spiritual Death' of Jesus William Atkinson,2009-03-16 The teaching of Kenyon Hagin and Copeland that Jesus died spiritually JDS is important because of the influence of these men not least on Pentecostalism This title states that adoption of JDS by Pentecostalism would be damaging in several respects and thus draw the latter away from its moorings in traditional Christianity
