Locating Values in Literature Corina-Mihaela Beleaua,2020-10-14 Locating Values in Literature Goodness Beauty and Truth discusses the relevance of literature in the current educational process stating that regardless of the level of study literature provides students with the necessary skills to address real world situations Corina Mihaela Beleaua posits that a curriculum that includes literature has a multitude of benefits for the mental and ethical development of students defending the relevance of the three ancient values of goodness beauty and truth Beleaua argues that literature is a significant tool for endorsing these transcendentals and actualizing their positive potentials as humanistic and moral values acting as a symbolic manifestation of moral values that will impact readers outside of the scope of the literature itself Scholars of literature philosophy and education will find this book particularly useful **Forms of Poetic Attention** Lucy Alford,2020-01-28 A poem is often read as a set of formal technical and conventional devices that generate meaning or affect However Lucy Alford suggests that poetic language might be better understood as an instrument for tuning and refining the attention Identifying a crucial link between poetic form and the forming of attention Alford offers a new terminology for how poetic attention works and how attention becomes a subject and object of poetry Forms of Poetic Attention combines close readings of a wide variety of poems with research in the philosophy aesthetics and psychology of attention Drawing on the work of a wide variety of poets such as T S Eliot Wallace Stevens Frank O Hara Anne Carson Theresa Hak Kyung Cha Harryette Mullen Al Khans Rainer Maria Rilke Arthur Rimbaud and Claudia Rankine Alford defines and locates the particular forms of attention poems both require and produce She theorizes the process of attention making its objects its coordinates its variables while introducing a broad set of interpretive tools into the field of literary studies Forms of Poetic Attention makes the original

claim that attention is poetry's primary medium and that the forms of attention demanded by a poem can train, hone, and refine our capacities for perception and judgment on and off the page
