Ripples On A Pond:

Utilitarianism J. J. C. Smart, Bernard Williams, 1973 A serious and controversial work in which the authors contribute essays from opposite points of view on utilitarian assumptions arguments and ideals Ripples on the Pond Named "Cracknell" Dee Cracknell, 2002 Fundamentals of Ethics John Finnis, 1983 These are the six Carroll Lectures slightly revised and lightly annotated given at Georgetown University Washington DC in 1982 Preface **The Lecturer's Toolkit** Philip Race, 2001 The Lecturer's Toolkit was first published as a photocopyable ring bound resource and was an immediate success for all those in higher education seeking to develop learning and teaching skills Now fully revised the second edition is available both as a ring binder and as a paperback edition for the first time This new edition will be equally valued by individuals and by staff developers for group work Building on the practical strengths of the first edition the toolkit is an important resource for all teachers in higher education whatever their experience who are seeking to improve teaching skills The book offers practical guidance on the core elements of effective teaching in higher education Ripples on the Pond Patricia M. Greatorex, 1985 **Reflections on a Near Universe** Suzanne W. Chappell, 2008-10-21 Reflections On A Near Universe is a study and theoretic presentation of quantum and metaphysical concepts and perceptions based on a scientific like research I have based my study firstly on Teslas theories and expounded on the ideas concerning the quantum molecular actives in a vortex field Using various accepted scientific studies from texts that support my theories I have then incorporated quantum metaphysical concepts and expounded upon them to include another dimension of thought that should bring the scientific community to a break through understanding to expand the mind and our ability to use the grey matter Beyond this I have given a rudimentary design of a device that gives the reader a concrete application of the theories explored I have written this book to assist humankind in the evolution of our species it is my wish and intent to explore my theories with constructive intent Suzanne W Chappell **Making Learning Happen** Phil Race, 2010-05-17 This second edition of a popular text provides an accessible and practical discussion of teaching and learning for the post compulsory sector of higher and further education Central to the book is the author's well known ripples on a pond model of learning which identifies fundamental factors underpinning successful learning wanting to learn taking ownership of the need to learn learning by doing learning through feedback making sense of what is being learned deepening learning through explaining coaching teaching further deepening learning through assessing making informed judgements The book encourages teachers and students to address these factors head on in a wide range of contexts including large group teaching the design of assessment small group work reflection and in making good use of formative feedback As well as a thorough update based on feedback to the previous version this edition includes three new chapters designing the curriculum for learning what can I do when providing creative tactics to help address some of the common problems colleagues experience in teaching in post compulsory education reflective observation including peer and self observation The book is a helpful tool for lecturers and

tutors in universities and colleges post 16 teachers in secondary education and educational managers It also provides a valuable resource for postgraduate students on higher and further education courses and staff development courses across UK universities Phil Race is Emeritus Professor Assessment Learning and Teaching at Leeds Metropolitan University and continues to travel widely giving keynotes and running training workshops for staff and students in universities colleges and other organizations throughout the UK and abroad Access the author s website at <http://phil.race.co.uk> *The Lost Teachings of Atlantis* Jon Peniel,1997-07-06 This is the account of an American teenager who discovered a monastery in Tibet that was the inspiration for the legend of Shangri La It might be categorized as a new age or philosophy book like the Celestine Prophecy since it focuses on his spiritual training and their teachings in a novel like format Hard to believe but interestingly the sub tropical region amongst the Himalayas that he describes finding was later documented by explorers from National Geographic then covered up there is still evidence of this Also interesting is that the author was apparently mentioned in the Edgar Cayce readings the famous American psychic whose books have sold millions of copies as someone who would one day bring an important message to the world Waldman's Comprehensive Atlas of Diagnostic Ultrasound of Painful Conditions Steven Waldman,2016-04-06 With a focus on real time clinical decision making Dr Waldman s practical text helps increase your diagnostic accuracy in dynamic scanning of suspected pathology at the time the patient is being examined This unique resource helps guide your targeted point of care ultrasound examination Nearly 2 000 classic ultrasound images and anatomic drawings depict commonly encountered conditions and Dr Waldman s expert advice guides you clearly toward the correct clinical diagnosis The Ripple Effect Pasquale De Marco,2025-07-13 Prepare to embark on a transformative journey of self discovery and profound insights with The Ripple Effect Within these pages you ll find a tapestry of wisdom inspiration and practical tools to navigate the complexities of life Pasquale De Marco masterfully weaves together poignant anecdotes thought provoking reflections and scientific research to illuminate the ripple effect of our choices the echoes of our past and the currents of emotion that shape our destinies Each chapter delves into a different aspect of the human experience offering a fresh perspective and actionable strategies for personal growth and fulfillment You ll explore the power of cause and effect understanding how our actions no matter how small can create lasting ripples in the lives of others Discover the lessons embedded in history as you uncover the profound impact of past events on our present circumstances Ride the tides of transformation embracing change as an opportunity for growth and renewal Confront the challenges of adversity and the storms of grief with resilience and unwavering support Learn to harness the power of positive emotions and cultivate a mindset of gratitude joy and compassion Through the mirrors of reflection you ll gain a deeper understanding of your inner self your relationships and the interconnectedness of all things The Ripple Effect is a transformative guide that empowers you to create a life of purpose meaning and fulfillment With each page you ll uncover new insights perspectives and tools to navigate the ever changing currents of life Embrace the ripple effect and become a beacon of positive change in
