Marx and Other Four-Letter Words Georgina Blakeley,Valerie Bryson,2005-04-20 Karl Marx's classic definitions of class and society under capitalism are still widely used today Ideas such as class revolution production and oppression are employed across a broad range of academic subjects reaching beyond politics economics and sociology Yet these concepts within a specifically Marxist framework are not always easy to understand This book is an ideal student introduction that explains in clear and concise chapters the precise meaning and implications of each of Marx's key concepts Furthermore the contributors show how these ideas continue to be relevant and how they relate to modern society The contributors include leading academics in the field of political science Outlining clearly what each concept means they move on to situate it within cutting edge contemporary political theory Concepts include historical materialism capitalism class the state imperialism the division of labour oppression production and reproduction revolution working class internationalism equality and democracy

Love and Other Four-Letter Words Carolyn Mackler,2009-02-19 With her parents splitting up 16 year old Sammie Davis may not want to feel a thing but feelings happen For starters she's plenty angry Her dad's leaving their upstate New York home and moving clear across the country Her mother well she's packing up and relocating to New York City with Sammie who has no say about any of it Overnight Sammie is forced to deal with change And one change spawns another Roles get reversed old and new friendships tested and sexual feelings awakened It's a scary time But as Sammie realizes that things can't stay the same forever that even the people she loves and trusts the most can disappoint her she begins to accept that change isn't always bad It's how you cope jumbled feelings and all that counts And as she copes Sammie's sense of self emerges proud and strong

Love, Chai, and Other Four-Letter Words Annika Sharma,2021-09-21 A sweet story of finding love where you least expected to A romp through New York City with fresh immigrant eyes Kiran and Nash's journey to learning to see themselves and others across boundaries and preconceived notions will warm your heart Sonali Dev author of *Recipe for Persuasion* She's determined to be the perfect daughter until she meets the perfect guy Kiran Mathur knows firsthand how dangerous love can be After all her sister's marriage in India nearly destroyed Kiran's family So she's decided to redeem romance herself by not falling for anyone who might disappoint her parents That is until she meets her new neighbor Nash Hawthorne Nash is a dedicated doctor and committed to being alone His family life has taught him the inevitability of abandonment and he isn't ready to question his beliefs But in spending time with Kiran he starts to experience emotion he's never felt before For both love feels like a risk But when the future only starts to make sense with each other it might be time
