

Rite of Passage in the Narratives of Dante and Joyce

Jennifer Margaret Fraser

Rite Of Passage In The Narratives Of Dante And Joyce

Patricia Novillo-Corvalan

Rite Of Passage In The Narratives Of Dante And Joyce:

Rite of Passage in the Narratives of Dante and Joyce Jennifer Margaret Fraser, 2002 A very forceful and original reading of Dante and Joyce of the notion of an intertext linking them and of the problematic of literary rebirth through literary immersion and resurrection What is remarkable is Fraser's almost equal expertise in both critical fields Jean Michel Rabate University of Pennsylvania An intertextual study of Dante and Joyce this book shows their work to be structured and restructured by an initiatory artistic experience in Dante's case the intertext of Virgil's Aeneid in Joyce's that of Dante's Commedia Jennifer Fraser presents her analysis in opposing panels of text to provide a graphic view of the intertextual impact of these writers on one another's work Fraser offers insightful readings of Joyce's Portrait of the Artist as a Young Man Ulysses Finnegans Wake and Dante's Commedia regarding the relationship between the two writers the theoretical question of literary initiation here configured as demarcating a special category of texts contributing new perspectives for Italian studies and more particularly Dante studies Anglo Irish scholarship specifically Joyce studies and comparative studies Especially intriguing to Joyce scholars will be the application to Ulysses of hermeneutic principles derived from the Dantean field Further the book examines the intertextual relationship of the two writers from a novel perspective rather than detail their bond as literary father and son Fraser analyzes them according to the striking imagery in each author's works that presents the intertextual relationship as an initiatory bond between mother and son The change that readers seek in order to transform themselves through that act of reading into authors is the underlying focus of the book Fraser studies the changes Joyce undergoes during his experience of reading and writing the Commedia the changes to Dante's poem that result from a Joycean reconfiguration of the poet's literary portrait the changes we seek and undergo as readers when we are provoked into writing by the initiatory fiction of Dante and Joyce She posits writing as a symbolic death return to the womb and rebirth that transforms the silent reader into an articulate author Jennifer Margaret Fraser teaches at Victoria College University of Toronto

Joyce's Dante James Robinson, 2016-10-14 An exploration of how Dante's work influenced the development of James Joyce's writing on key themes of exile and community

Beckett, Joyce and the Art of the Negative, 2016-08-01 This collection presents articles that examine Joyce and Beckett's mutual interest in and use of the negative for artistic purposes The essays range from philological to psychoanalytic approaches to the literature and they examine writing from all stages of the authors' careers The essays do not seek a direct comparison of author to author rather they lay out the intellectual and philosophical foundations of their work and are of interest to the beginning student as well as to the specialist

Empire and Pilgrimage in Conrad and Joyce Agata Szczeszak-Brewer, 2017-06-27 Original and significant This book shows us how Conrad and Joyce manipulate representations of imperialist belief in the sacred to indict Western culture for its racist colonization This striking reading of modernism emphasizes Conrad's and Joyce's use of chaos in general and pilgrimage in particular in terms of mapmaking racial denigration and strategies of power Szczeszak Brewer makes spectacular

connections between sacred language nation building and literary representation Georgia Johnston author of *The Formation of Twentieth Century Queer Autobiography* Though they were born a generation apart Joseph Conrad and James Joyce shared similar life experiences and similar literary preoccupations Both left their home countries at a relatively young age and remained lifelong expatriates *Empire and Pilgrimage* in Conrad and Joyce offers a fresh look at these two modernist writers revealing how their rejection of organized religion and the colonial presence in their native countries allowed them to destabilize traditional notions of power colonialism and individual freedom in their texts Throughout Agata Szczeszak Brewer ably demonstrates the ways in which these authors grapple with the same issues the grand narrative paralysis hegemonic practices the individual's pilgrimage toward unencumbered self definition within the rigid bounds of imperial ideologies and myths The result is an engaging and enlightening investigation of the writings of Conrad and Joyce and of the larger literary movement to which they belonged

Borges and Joyce Patricia Novillo-Corvalan, 2017-12-02 Borges and Joyce stand as two of the most revolutionary writers of the twentieth century Both are renowned for their polyglot abilities prodigious memories cyclical conception of time labyrinthine creations and for their shared condition as European emigres and blind bards of Dublin and Buenos Aires Yet at the same time Borges and Joyce differ in relation to the central aesthetic of their creative projects the epic scale of the Irishman contrasts with the compressed fictions of the Argentine In this comprehensive and engaging study Patricia Novillo Corvalan demonstrates that Borges created a version of Joyce refracted through the prism of his art thus encapsulating the colossal magnitude of *Ulysses* and *Finnegans Wake* within the confines of a nutshell Separate chapters triangulate Borges and Joyce with the canonical legacy of Homer Dante and Shakespeare using as a point of departure Walter Benjamin's notion of the afterlife of a text This ambitious interdisciplinary study offers a model for Comparative Literature in the twenty first century

Joyce's Messianism Gian Balsamo, 2004 In his study of negative existence and how it affects James Joyce's principal characters Gian Balsamo joins the ongoing debate about the Irish writer's relationship to Dante and considers the centrality of messianism to that relationship Finding in Dante a negative poetics that becomes a model for Joyce Balsamo suggests that the inception and cessation of life two occurrences that conventionally are deemed impossible to experience personally and directly typically frame the existential experiences of Joyce's main characters Balsamo perceives Stephen Leopold and Shem as messianic figures because they rebel against this convention clustering their lives around the very events of inception and burial Balsamo traces the engagement of each of the three characters in a negative existence immune from the rules and limitations of ordinary experience Each struggles to express rather than exorcise the fecundity of his own mortality each reinvents his biography as involving the pivotal transaction of one death be it a mother's a son's or even that of his own body in return for catharsis Drawing on the writings of Giambattista Vico Saint Augustine Emile Durkheim and Noam Chomsky Balsamo challenges the current debate by identifying the messianic thread that ties together the biographies of Joyce's three characters Faced with the fissure between history

and poetic vocation Stephen embraces the sacrificial poetry of silence Faced with the domestic squalor provoked by the loss of his son Leopold renews at every meal the cathartic exchange of food and semen Faced with a destiny of death and decomposition Shem reenacts the tradition of the medieval cycle drama stretching his own body like a parchment on a cross and then rubricating it like a sacred manuscript James Joyce and the Exilic Imagination Michael Patrick Gillespie,2015-05-04 In this book Michael Gillespie provides new readings of James Joyce s main oeuvre through the lens of exile studies and in doing so challenges the tendency in Joyce criticism to give more weight to reading that stress his negative view of Ireland **Ulysses Explained** David Weir,2015-06-03 When it comes to James Joyce s landmark work Ulysses the influence of three literary giants Homer Shakespeare and Dante cannot be overlooked Examining Joyce in terms of Homeric narrative Dantesque structure and Shakespearean plot Weir rediscovers Joyce s novel through the lens of his renowned predecessors **Collected Epiphanies of James Joyce** James Joyce,2024-03-05 This book offers the first critical edition of the forty short texts James Joyce called epiphanies Presenting the texts with background information and thorough annotations this edition provides a vivid insight into Joyce s art *Joyce and Jung* Hiromi Yoshida,2012 Hiromi Yoshida s innovative approach to A Portrait of the Artist as a Young Man demonstrates how Joyce s Stephen Dedalus reaches a heightened state of creativity through his gradual integration of feminine elements into his psyche This illuminating and stunning analysis presents a valuable contribution to psychoanalytic feminist theory as well as to Joyce studies Nancy Bombaci Assistant Professor of Writing and Literature Mitchell College New London Connecticut

Embracing the Beat of Term: An Emotional Symphony within **Rite Of Passage In The Narratives Of Dante And Joyce**

In a world eaten by monitors and the ceaseless chatter of instantaneous transmission, the melodic splendor and psychological symphony created by the written word frequently fade into the background, eclipsed by the persistent sound and interruptions that permeate our lives. But, set within the pages of **Rite Of Passage In The Narratives Of Dante And Joyce** a stunning literary prize full of organic thoughts, lies an immersive symphony waiting to be embraced. Constructed by an outstanding musician of language, this fascinating masterpiece conducts readers on a psychological trip, well unraveling the hidden melodies and profound impact resonating within each cautiously constructed phrase. Within the depths of this poignant examination, we will investigate the book's key harmonies, analyze their enthralling publishing style, and submit ourselves to the profound resonance that echoes in the depths of readers' souls.
