*Franklin D. Roosevelt and the New Deal, 1932-1940* William Edward Leuchtenburg, 1963      The New Deal Ronald Edsforth, 2000-04-07 In this concise and lively volume Ronald Edsforth presents a fresh synthesis of the most critical years in twentieth century American history The book describes the collapse of American capitalism in the early 1930s and the subsequent remaking of the US economy during Franklin D Roosevelt s presidency It is written for a new generation of readers for whom the Great Depression is a distant historical event      *Roosevelt and the New Deal* Adam Woog, 1998 Examines the policies and programs developed by Franklin Roosevelt to lead the country out of the Depression      Franklin D. Roosevelt Michael Heale, 2002-01-04 This compact study assesses the personality political and economic policies in war and peace of America s longest serving president and one of the most important political figures of the twentieth century Franklin D Roosevelt Also providing an overview of the America over which Roosevelt presided the book offers a concise survey of both domestic and foreign affairs      *FDR, the New Deal Years, 1933-1937* Kenneth Sydney Davis, 1986 FDR The War President opens as Roosevelt has been re elected to a third term and the United States is drifting toward a war that has already engulfed Europe Roosevelt as commander in chief statesman and politician must navigate a delicate balance between helping those in Europe while remaining mindful of the forces of isolation both in the Congress and the country and protecting the gains of the New Deal upon which he has spent so much of his prestige and power Kenneth S Davis draws vivid depictions of the lives characters and temperaments of the military and political personalities so paramount to the history of the time Churchill Stalin de Gaulle and Hitler Generals Marshall Eisenhower and MacArthur Admiral Darlan Chiang Kai shek Charles Lindbergh William Allen White Joseph Kennedy Averell Harriman Harry Truman Robert Murphy Sidney Hillman William Knudsen Cordell Hull Henry Morgenthau Henry Stimson A Philip Randolph Wendell Willkie and Henry Wallace The portrait of Henry Hopkins who interacted with many of these personalities on behalf of Roosevelt is woven into this history as the complex interconnected relationship it was Hopkins burnished the relationship between Churchill and Roosevelt and eased the way for their interactions with Stalin Another set of characters central to Roosevelt s life and finely drawn by the author includes Eleanor Roosevelt Sara Roosevelt Missy LeHand Grace Tully Princess Martha of Norway and Daisy Suckley Integral to this history as well are the Argentina Conference the Atlantic Charter and the beginnings of the United Nations the Moscow Conference lend lease the story of the building of the atomic bomb Hitler s Final Solution and how Roosevelt and the State Department reacted to it Pearl Harbor and war with Japan the planning of Torch and the murder of Admiral Darlan All these stories intersect with the economic and social problems facing Roosevelt at home as the United States mobilizes for war The lessons and concerns of 1940 1943 as dissected in this book are still relevant to the problems and concerns of our own time A recurrent theme is technology Do people control technology or does technology control people Kenneth Davis had the rare gift of writing history that reads with the immediacy of a novel and

though the outcome of this history is well known the events and people depicted here keep the reader focused on an enthralling suspense story From the Hardcover edition *FDR's Folly* Jim Powell, 2007-12-18 The Great Depression and the New Deal For generations the collective American consciousness has believed that the former ruined the country and the latter saved it Endless praise has been heaped upon President Franklin Delano Roosevelt for masterfully reining in the Depression's destructive effects and propping up the country on his New Deal platform In fact FDR has achieved mythical status in American history and is considered to be along with Washington Jefferson and Lincoln one of the greatest presidents of all time But would the Great Depression have been so catastrophic had the New Deal never been implemented In FDR's Folly historian Jim Powell argues that it was in fact the New Deal itself with its shortsighted programs that deepened the Great Depression swelled the federal government and prevented the country from turning around quickly You'll discover in alarming detail how FDR's federal programs hurt America more than helped it with effects we still feel today including How Social Security actually increased unemployment How higher taxes undermined good businesses How new labor laws threw people out of work And much more This groundbreaking book pulls back the shroud of awe and the cloak of time enveloping FDR to prove convincingly how flawed his economic policies actually were despite his good intentions and the astounding intellect of his circle of advisers In today's turbulent domestic and global environment eerily similar to that of the 1930s it's more important than ever before to uncover and understand the truth of our history lest we be doomed to repeat it Franklin D. Roosevelt and the New Deal, 1932-1940 William Edward Leuchtenburg, 1940 *Franklin D. Roosevelt* M. J. Heale, 1999 This compact study assesses the personality political and economic policies in war and peace of America's longest serving president and one of the most important political figures of the twentieth century Franklin D. Roosevelt Also providing an overview of the America over which Roosevelt presided the book offers a concise survey of both domestic and foreign affairs *Franklin D. Roosevelt and the New Deal* William E. Leuchtenburg, 1988 *Fifty Years Later* Harvard Sitkoff, 1985 Revised and expanded papers originally presented at a symposium sponsored by the Dept of History University of New Hampshire and held Mar 17 18 1983
