Scoring At Half Time Adventures On And Off The Pitch:

Media Representations of Footballers' Wives J. Bullen, 2014-08-06 Representing a detailed analysis of footballers wives and their role in contemporary British culture this book explores how the generic and stereotypical Wag has been created by newspaper and magazine coverage auto biographies and influential television programmes Féile! A Twin Power Adventure Emma Larkin, 2025-05-12 Aoife and Aidan Power love playing Gaelic football They're so skilful and fast their friends call them Twin Power Every young Gaelic footballer dreams of playing in Fíle the biggest competition there is Both Aoife and Aidan's teams are vying to qualify but what will happen now that the twins are on separate boys and girls teams for the first time With secondary school to navigate new teams to get used to and a family mystery to solve it's going to be a busy season for Twin Power Down Mount Kenya on a Tea Tray: An Adventure with Childhood Obesity Plum Hutton, 2022-05-11 Wesley had never thought much about his lifestyle or how he looked He enjoyed eating his way through weekends in front of the telly with his mum However fate catapults him to a new life in East Africa and he is forced to face the negative impact that obesity is having on his life When he rashly promises to climb Mount Kenya along with the rest of his class an adventure in courage and determination begins This entertaining story explores some of the challenges faced by obese children and young people It highlights both the physical limitations as well as the psychological problems associated with obesity such as social isolation and low mood The story explores the complicated web of factors that might cause a child to become obese and identifies some of the life altering changes that can come from a healthy diet and active lifestyle Teaching lessons about kindness friendship bravery and determination this is powerful reading for all children It operates as a stand alone story and is also available as part of a set along with a supporting guide George Best - A Celebration: Untold True Stories of Our Most Legendary Footballer Bernie Smith & Maureen Hunt, 2008-09-01 George Best was one of the greatest footballers ever to have walked the Earth an absolute legend His ability as an all round player was and still is unsurpassed He was highly skilful a tough tackler and great in the air As well as being an exceptionally gifted sportsman George also had a unique gift when it came to people His open and friendly nature meant that others were naturally drawn to him and he always had time to get to know anyone and everyone Perhaps because of this George Best reached so many people As well as the legions of football fans who watched awestruck as he played he also touched the hearts of everyone with whom he came in contact on a day to day basis from club managers to the groundsmen at Old Trafford Bestie had time for them all it seems that almost everyone has a story to tell about him Bernie Smith is an avid collector of everything to do with the late great man and Maureen Hunt worked in the newspaper industry for over twenty years From banknotes to team photographs to signed shirts and even underwear there is not much out there relating to George that they don't know about or possess While gathering memorabilia they discovered that almost every keepsake souvenir or trophy has a humorous heart warming or poignant story attached to it Piecing together these gems of history they have compiled a fitting tribute to a genuine icon Take for example

the incredible journey of the pair of limited edition George Best boots that ended up on a stall at Brick Lane market in London to eventually become the treasured possession of a man who idolised him or the boy whose house backed onto the United training ground and who would jump over the fence to stand at the back of the nets to watch the Best magic and act as a ball boy when necessary or even a gold thong signed by George himself that was bought at auction and left in a drawer until now Packed with anecdotes and rare photographs this delightful book will be a welcome addition to any Best fan's collection and is a wonderful way to commemorate the man who was both hero and friend to so many people The genius of George Best on the football field is well documented as is the celebrity lifestyle which such genius often attracts This book gives an insight into the much less well known human side of his life and the many unsung acts of kindness which were so typical and which endeared him to everyone who was fortunate enough to know or meet him I count myself privileged to be amongst that number Doug Ellis President Emeritus Aston Villa Football Club George Best was a fine fellow to share company with off the football field It doesn't surprise me that the stories in this book celebrate the real side of George George had a snooker table in his house and he loved to play the game He was one of the nicest people you would ever wish to meet with a great sense of humour Dennis Taylor 1985 Embassy World Snooker Champion and fellow Belfast boy Besite can only be described in one word fantastic Ron Chopper Harris **Outing; Sport, Adventure, Travel, Fiction** ,1889
