Man triumphant. (7. print.) Annalee Skarin,1981 Inner Development Cris Popenoe,1979 **Prisoners of Earth** Aloa Starr,1993 In recent years the media has spread an array of sensational and fantastic information on the various phenomena of possession information which has often no connection with the facts as they are There are many degrees of possession and some of these are relatively common more common than one would ever believe So it is very important that the public become aware of the whole issue and that it learn to protect itself In my opinion the special value of this book lies in the fact that it demystifies the phenomenon of possession by revealing the numerous forms under which it manifests itself and by offering to the patients hope and a total and rapid liberation To perform successfully a work of this kind one has to lead a life pure in deed and intents harbour a profound love for humanity be moved by great dedication and possess the necessary knowledge and authority Without these qualities the process of liberation can put the operator in serious danger Aloa Starr is one of these rare people Dr Giovanni Boni Ph D M S D C Los Angeles California **Revelation for the New Age** Anthony Brooke,1967 *Man Triumphant* Annalee Skarin,1999-09-01 **The Publishers' Trade List Annual** ,1985
